The vesting of Restricted Rights detailed in this Appendix 3G relates to 25% of the Restricted Rights granted under the FY21 Equity Incentive Plan (Tranche 2) which had a performance period of 1 July 2020 to 30 June 2023 ('Performance Period').

Under the terms of the grant, these Restricted Rights did not carry any distribution or voting rights prior to vesting, however, recipients were entitled to receive distribution equivalent securities at the time of vesting equal to the distributions that would have been paid had those recipients received distributions on the Restricted Rights with respect to the Performance Period ('Distribution Equivalent Securities'). The total of 224,760 VCX fully paid ordinary stapled securities that have been allocated to recipients upon vesting of the FY21 Restricted Rights (Tranche 2) therefore includes 34,034 Distribution Equivalent Securities.
