Explanatory Statement

1. Background

1.1 Introduction

The Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting.

The purpose of the Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions set out in the accompanying Notice. It explains the resolutions and identifies the Board's reasons for putting them to Shareholders.

1.2 Action to be taken by Shareholders

Shareholders should read this Explanatory Statement carefully before deciding how to vote on the resolutions set out in the Notice.

All Shareholders are invited and encouraged to attend the Meeting. If Shareholders are unable to participate in the meeting, a proxy form should be completed either as a hard copy or online through the Link Market Services voting portal. Lodgement of an electronic proxy form will not preclude a Shareholder from attending the Meeting and voting at the Meeting, but the person appointed as the proxy must not exercise the rights conferred by the electronic proxy form.

2. Resolutions

2.1 Item 1 – Financial Report, Directors' Report and Auditor's Report

In accordance with section 317 of the Corporations Act 2001 (Cth) (**Corporations Act**), the directors of a public company are required to hold an annual general meeting and present the financial report for the previous financial year before its shareholders at each meeting.

All relevant information concerning the Company's financial report, directors' report and the auditor's report for the year ended 30 June 2023 is contained in the "Annual Accounts and Reports" document (**2023 Annual Report**). A copy of the 2023 Annual Report is available at: <https://4dmedical.com/investor-services>, or on request to the Company Secretary, at companysecretary@4dmedical.com. A copy of the 2023 Annual Report will also be tabled at the Meeting.

Voting on this item is not required and a formal resolution to adopt the 2023 Annual Report will not be put to Shareholders at the Meeting. The purpose of this item is to provide Shareholders with the opportunity to ask questions or discuss matters arising from them. It is not the purpose of the Meeting that any of these reports be accepted, rejected or modified in any way.

The Company's auditor (PKF Melbourne) will be present at the Meeting and will be available to answer questions as to the conduct of the audit and the auditor's report.

2.2 Item 2 – Adoption of Remuneration Report

The Remuneration Report contained in the Company's 2023 Annual Report sets out the remuneration policies of the Company and reports on the remuneration arrangements in place for the Company's KMP during the year ended 30 June 2023. Shareholders are encouraged to submit questions on the Remuneration Report to the Company Secretary in advance of the Meeting.

Shareholders will have a reasonable opportunity at the Meeting to ask questions about or make comments on the Remuneration Report.

However, the Board will take the outcome of the vote and discussion at the Meeting into account in setting remuneration policy for future years.

Recommendation

The Remuneration Report forms part of the Directors' Report for the year ended 30 June 2023 and is made in accordance with a unanimous resolution of the Directors. Recommendation

2.6 Item 6 – Grant of Options to the Managing Director and CEO

Shareholder approval is sought under ASX Listing Rule 10.14 for the Board to grant up to 1,306,100 options (**Options**) to Dr Andreas Fouras, Founder, Managing Director and CEO of the Company.

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (ASX Listing Rule 10.14.1);
- an associate of a director of the company (ASX Listing Rule 10.14.2); or
- a person whose relationship within the company or a person referred to in ASX Listing Rule 10.14.1 or ASX 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (ASX Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

As Dr Fouras is a current Director, the proposed grant of Options to Dr Fouras falls within ASX Listing Rule 10.14.1 above, and therefore requires the approval of the Company's shareholders under ASX Listing Rule 10.14. To this end, Item 6 seeks shareholder approval of the grant of Options to Dr Fouras under and for the purposes of ASX Listing Rule 10.14.

Key terms of the proposed LTI grant

The Options are to be granted as the long-term incentive (**LTI**) component of Dr Fouras' remuneration for the year ending 30 June 2023 under the 4DMedical Long Term Incentive Plan (**Incentive Plan**).

It is proposed that up to 1,306,100 options be granted to Dr Fouras, with an exercise price of \$1.60 per option. The exercise price has been calculated based on a 100% premium to the market value of Company shares equal to the 30-day volume weighted average price (VWAP) in the period immediately preceding 30 June 2023. The use of premium priced options is intended to encourage a focus on growing the Company's share price and total shareholder returns, as the Company's share price will need to increase above the exercise price for the Options to deliver any value to Dr Fouras.

If shareholder approval for the grant is obtained, the Options will be issued to Dr Fouras as soon as practicable after the Meeting, but in any event within 12 months after the date of the

Meeting. Details of the grant of Options to Dr Fouras will be published in the Company's 2024 Annual Report, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

No loan will be made available to Dr Fouras in relation to the acquisition or exercise of the Options proposed to be granted to him.

Any additional persons covered by ASX Listing Rule 10.14 who becomes entitled to participate in an issue of securities under the Incentive Plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

An overview of the vesting conditions and other key terms of the proposed grant of Options to Dr Fouras, including further information required under ASX Listing Rule 10.15, is set out in **Annexure 1**.

Indicative value of the proposed LTI grant

The Company has prepared an assessment of the indicative fair value of the Options as summarised below. The value is indicative only, based on assumptions relevant at the date of the calculation, being as at 30 June 2023. Different assumptions may be relevant at grant date which may alter the value of the Options for financial reporting purposes. The total remuneration package referred to below would be increased by the total set out in the following table, based on the assumptions. The actual valuation amount will not be able to be calculated until the Options are issued, at which time the assumptions may have changed.

Assessment	
Indicative fair value per Option	\$0.2095
Total: Options	Up to 1,306,100
Total \$	Up to \$273,635 AUD

The indicative fair value was calculated using the Black-Scholes option valuation model. The assumptions used in the valuation model were as follows:

Assumptions:	
Valuation date	30 June 2023 [^]
Spot price	\$0.80 (79.88 cents)
Exercise price	\$1.60 per Option
Probability of achieving vesting conditions	100%
Expiry date	4 years after grant
Expected future volatility ⁺	55%
Risk free rate	3.27%
Dividend yield	Nil

[^] Based on the issue date assumed as being the valuation date.

⁺ Based on assessment of estimated future volatility of the Company

Effect of shareholder approval

As noted above, the proposed grant of Options to Dr Fouras is conditional on receiving shareholder approval. The effect of shareholder approval for Item 6 for the purposes of ASX Listing Rule 10.14 is as follows:

- If Item 6 is passed, the Company will be able to proceed with the proposed grant of Options to Dr Fouras. Further, the issue of such Options to Dr Fouras will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1 (pursuant to ASX Listing Rule 7.2, Exception 14).
- If Item 6 is not passed, the Company will not be able to proceed with the proposed grant of Options to Dr Fouras. In that circumstance, the Board would then need to consider alternative remuneration arrangements for Dr Fouras consistent with the Company's remuneration principles, such as providing an equivalent long term cash incentive.

The Company has determined that the proposed grant of Options under the Incentive Plan pursuant to this Item 6 as part of Dr Fouras' remuneration package will constitute the giving of reasonable remuneration for the purposes of Chapter 2E of the Corporations Act and in particular section 211(1) of the Corporations Act.

Retirement/Termination Benefits approval – section 200B and s200E Corporations Act

Sections 200B and 200E of the Corporations Act prohibit a company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders or an exemption applies.

Approval is therefore sought under section 200E of the Corporations Act to allow for the Board to determine to accelerate vesting of some or all of Dr Fouras' unvested Options/Performance Rights in the event Dr Fouras ceases employment in 'good leaver' circumstances being cessation other than due to resignation or dismissal for cause or poor performance and for the benefit not to be a termination benefits for the purposes of the Corporations Act. Where Dr Fouras ceases as a 'bad leaver' (which includes by resignation or dismissal for poor performance), all unvested Options/Performance Rights will lapse, unless the Board determines otherwise.

If Shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating Dr Fouras' termination benefits cap for the purpose of subsection 200F(2)(b) or subsection 200G(1)(c) of the Corporations Act. The approval will be effective from the date the Resolution is passed until the conclusion of the 2025 Annual General Meeting (that is, for a period of approximately three years).

The value of any benefit relating to the Options/Performance Rights given in connection with Dr Fouras ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of Options/Performance Rights held by Dr Fouras prior to cessation of his employment;
- the date when, and circumstances in which, Dr Fouras ceases employment;
- whether performance hurdles are waived or (if not waived) met, and the number of Options/Performance Rights that vest (which could be all of the Options/Performance Rights held by Dr Fouras; and

- the market price of the Company's shares on ASX on the date Shares are provided to Dr Fouras upon vesting of the Options/Performance Rights.

Voting exclusions

A voting exclusion statement applies to Item 6, as set out on pages 4 to 6 of this notice.

Recommendation

The Board (other than Dr Fouras) recommends that Shareholders vote in favour of Item 6. The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

2.7 Item 7 – Amendments to the Constitution

The Company proposes to make amendments to its Constitution to bring it in line with the regulatory updates relating to holding of members' meetings.

On 10 February 2022, the Australian Senate passed *the Corporations Amendment (Meetings and Documents) Act 2022* (Cth). It makes permanent changes to the Corporations Act to permit hybrid meetings and virtual only meetings if allowed under a company's constitution. From 1 April 2022, section 249R of the Corporations Act, as amended, provides that a company may hold a meeting of its members using virtual meeting technology where expressly permitted by the company's constitution.

The Company's Constitution presently does not expressly permit the Company to hold a meeting of its members using virtual meeting technology only.

The Company intends to continue to typically hold physical or hybrid meetings. The Board, however, considers the proposed amendments are in the best interests of Shareholders as they provide the Company with the flexibility in the future to hold meetings of members fully online, if the Board takes the view that circumstances exist where this would be beneficial and in the interests of Shareholders.

It is proposed that the Constitution be amended to allow the Company to hold meetings using virtual meeting technology only by amending clause 12.2, along with necessary consequential changes, noting that:

- Virtual Meeting Technology is defined to be any technology (including online platforms) that allows a person to participate in a meeting without being physically present at the meeting;
- the Company must provide a reasonable opportunity to participate in such general meetings.

A copy of the Constitution which sets out the proposed amendments (Amended Constitution) is available on the Company's website: <https://investors.4dmedical.com/Investor-Centre/?page=corporate-governance>.
