

## Corporate Governance Statement

### Approach to Corporate Governance

Golden Rim Resources Limited ACN 006 710 774 (**Company** or **Golden Rim**) has established a corporate governance framework, the key features of which are set out in this Corporate Governance Statement (**Statement**). This Statement relates to the Company's corporate governance practices for the financial year ended 30 June 2023.

The Company's corporate governance practices reflect the commitment by the Board of Directors to implement the highest standards of ethics, integrity, legal and statutory compliance. In establishing the corporate governance framework of the Company, the Board has adopted practices that are consistent with the ASX Corporate Governance Council's Principles and Recommendations (4th Edition) (**Principles and Recommendations**). The Company has followed each recommendation where the Board has considered the recommendation to be an appropriate benchmark for its corporate governance practices. Where the Company has departed from any recommendations provided by the ASX Corporate Governance Council an explanation has been provided.

This Corporate Governance Statement is current as at 29 September 2023 and was reviewed, approved and authorised for release to the ASX by the Board of Directors on that date. It should be read in conjunction with the information on Golden Rim's website ([www.goldenrim.com.au](http://www.goldenrim.com.au)), the Company's Appendix 4G and the 2023 Annual Report released on 29 September 2023.

### Principle 1 – Lay solid foundations for management and oversight

#### Recommendation 1.1

The Board is responsible for the overall performance and success of the Company, and takes responsibility for setting its strategic direction, overseeing management of the Company, monitoring financial performance, reviewing and monitoring systems of risk management and internal control. In addition, it oversees the corporate governance framework of the Company and monitoring the implementation of the Company's Code of Conduct, policies and charters that reflect the values of the Company and guides the conduct of its Directors and employees.

The Managing Director (**MD**), or equivalent, supported by Senior Management, is responsible for managing the day-to-day activities of the Company and in addition, is responsible for advancing the strategic direction of the Company as set and monitored by the Board.

The Company's Board Charter sets out the specific responsibilities of the Board, and those matters delegated to Senior Management.

A copy of the Board Charter can be found [here](#).

#### Recommendation 1.2

When considering Board appointments, the Company ensures that appropriate checks are undertaken to verify the candidate's character, experience, education, criminal record and bankruptcy history.

A profile of each Director is included in every Annual Report and the Company ensures that all material information relevant to a Shareholder's decision on whether to elect or re-elect a Director is provided to Shareholders in the relevant notice of meeting at which their election is proposed to be approved, as well as confirmation that appropriate pre-appointment checks have been conducted and whether the Board supports the Director's election or re-election and why.

A copy of the Policy and Procedure for the Selection and (Re)Appointment of Directors can be found [here](#).

A profile of each Director setting out their experience, expertise and period of office is set out in the Directors' Report in the 2023 Annual Report and the Company's website can be found [here](#).

### **Recommendation 1.3**

The Company has in place a written agreement with each Non-Executive Director personally (rather than with an entity for supply of their services) which outlines the terms of their appointment, the Company's expectations in relation to Director's duties and responsibilities, time commitment and compliance with Company policies, procedures and regulatory requirements. In addition, the agreement sets out the indemnity and insurance arrangements that the Company has in place and the Company's policy on Director's access to information and seeking external independent professional advice. Any material variations to written agreements with Directors are disclosed to ASX in accordance with ASX Listing Rule 3.16.4.

The Company has written contracts in place with each Senior Executive which sets out the terms of their appointment, a description of their position, duties and responsibilities, remuneration details, leave entitlements and the circumstances giving rise to termination.

Further information can be found in the Remuneration Report in the 2023 Annual Report.

### **Recommendation 1.4**

The Company Secretary is appointed by the Board and has a reporting function to the Board.

The Company Secretary has a direct line of communication with the Chair and all Directors and is responsible for supporting the proper functioning of the Board which includes, but not limited to, facilitating Board and Committee meetings, providing advice on governance and procedural issues, communicating with ASX and ASIC on all regulatory matters, monitoring adherence to Board policies and procedures and retaining all professional advisors at the Board's request.

Each Director has direct access to the Company Secretary and vice versa.

The responsibilities of the Company Secretary are set out in the Board Charter located [here](#).

### **Recommendation 1.5**

The Company recognises that a talented and diverse workforce is a key competitive advantage and is committed to developing a workplace free from discriminatory practice of any kind. The Company strives to create an inclusive workplace in which individuals are treated fairly and equally with dignity and respect and where every employee has the opportunity to contribute to the Company's success whilst realising their full potential as an individual.

The Board has adopted a Diversity Policy which provides that the Board may set measurable objectives specifically for achieving gender diversity.

Given the Company's current circumstances including its small number of staff, the Board does not consider any efficiencies or benefits would be gained by introducing measurable objectives specifically to achieve gender diversity at this time.

The respective proportions of men and women on the Board, in Senior Executive positions and across the entire workforce are set out in the following table. "Senior Executive" for these purposes means those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any Director of that entity:

Category	Female %	Male %
Entire workforce	16	84
Senior Executives	0	100
Board	0	100

A copy of the Diversity Policy is located [here](#).

#### **Recommendation 1.6**

The Chair is responsible for evaluation of the Board and, where appropriate, Board Committees and individual Directors in accordance with the Company's Process for Performance Evaluation.

During the reporting period, the Board underwent a renewal process with the appointment of three new Directors, Messers Montgomery, Jones and Strong following the resignation of Messers Pouroulis and Mackay and Ms Davies.

A formal performance evaluation of the newly comprised Board was not undertaken during the financial year, with the decision made to waive a formal performance evaluation until a full financial years' service had been completed.

A copy of the Company's Process for Performance Evaluation is located [here](#).

#### **Recommendation 1.7**

The Company has a Process for Performance Evaluation which, amongst other things, details the performance review process for Senior Executives.

A formal performance evaluation of the Managing Director was not completed during the financial year, as Mr Strong only commenced as Chief Executive Officer in November 2022 and was appointed as Managing Director in March 2023. The decision was made to waive a formal performance appraisal until a full financial years' service had been completed.

The Group's current size and structure allowed the Chair and the Board to regularly discuss the performance of all Senior Executives throughout the period, considering issues or concerns if and when they arose. This ongoing process remained informal.

A copy of the Company's Process for Performance Evaluation is located [here](#).

### **Principle 2 – Structure the board to add value**

#### **Recommendation 2.1**

Given the size and scale of the Company's operations, the full Board undertakes the role of the Nomination Committee. The Board considers that the formation of a separate Nomination Committee would not provide any additional benefits.

The Board has adopted a Nomination Committee Charter. The Nomination Committee Charter describes the role, composition, functions and responsibilities of the Board in performing the role that would be undertaken by a Nomination Committee. Any items that are usually required to be discussed by a Nomination Committee are marked as separate agenda items at Board meetings, when required.

The Board reviews the Company's succession plans to assist in maintaining the appropriate mix of skills, experience, expertise and diversity on the Board.

The Board ensures there are plans in place to manage the succession of the Managing Director or equivalent and other senior executives.

The Board may, when it considers it necessary or appropriate, seek advice from external consultants or specialists.

A copy of the Nomination Committee Charter is located [here](#).

## **Recommendation 2.2**

The Board recognises the need for Directors to have a relevant blend of skills and personal experience across a range of disciplines to properly manage and oversee the Company's operations. As part of the Board review process undertaken during the 2023 financial year, the Board discussed its composition and what mix of skills, knowledge and experience was necessary to direct the Company and allow the Board to operate effectively and efficiently.

The Board has developed a Board skills matrix (disclosed below) for each Director to self-assess their skills and experience considered relevant to the Company. Following a review of the Board skills matrix during the financial year, the Board concluded that its current composition is appropriate for the Company's size and operations.

A profile of each Director setting out their experience, expertise and period of office is set out in the Directors' Report in the 2023 Annual Report and on the Company's website.

Any additional Board appointment made in the future will be undertaken with due consideration given to the balance and mix of skills on the Board and in accordance with the Company's Policy and Procedure for Selection and (Re) Appointment of Directors. A copy of this Policy is located [here](#).

### **Recommendation 2.3**

The Board recognises the importance of the Non-Executive Director and the role they play in exercising independent judgement and oversight of the Company's activities and the importance of ensuring that Non-Executive Directors are free from interests and relationships that could or could reasonably be perceived to materially interfere with the Director's ability to exercise independent judgment and act in the Company's best interests.

The Board annually assesses the independence of Directors taking into consideration the criteria of the type described in Box 2.3 of the Principles and Recommendations. This assessment may occur more than once each year if there is change in circumstances that may impact upon the independence of a Non-Executive Director. Individual Directors must not participate in assessing their own independence and must provide to the Board all information relevant to the assessment.

At the date of this report, all of the Non-Executive Directors are independent, namely Messers Montgomery and Jones. The composition of the Board and each member's length of service status is outlined in the Directors' Report in the 2023 Annual Report.

The Company's process for assessing the independence of its Non-Executive Directors is outlined in its Board Charter, which can be found [here](#).

### **Recommendation 2.4**

At the date of this report, all the Non-Executive Directors are independent.

### **Recommendation 2.5**

At the date of this report, Chair Brett Montgomery is an independent, Non-Executive Director.

The roles of Chair and Managing Director are carried out by different persons.

### **Recommendation 2.6**

The Company has an induction program for new Directors joining the Board and when Senior Executives are appointed. The goal of the program is to assist new Directors to participate fully and actively in Board decision-making at the earliest opportunity and to assist Senior Executives to participate fully and actively in management decision-making at the earliest opportunity.

All Directors are expected to maintain the skills required to effectively discharge their obligations to the Company. Directors are encouraged to undertake continuing professional education and subject to approval, the Company will pay reasonable expenses in relation to relevant industry seminars and educational courses.

## **Principle 3 – Act ethically and responsibly**

### **Recommendation 3.1**

The Company is committed to promoting good corporate conduct grounded by strong ethics and responsibility. To this end, it has a Board approved Code of Conduct identifying its values and expected behaviours and charges the Senior Executive team with the responsibility of instilling those values and behaviours across the Company.

The Company has not developed a separate 'values statement', instead it currently relies on the Code of Conduct to provide the guiding principles and expected norms of the Company. A separate Values Statement is currently being developed and is expected to be adopted by the Board in the first half of FY 2024.

### **Recommendation 3.2**

The Company has established a Code of Conduct as a framework for decisions and actions promoting ethical and responsible decision making and conduct during employment. It underpins the Company's commitment to integrity and fair dealing in its business affairs and its duty of care to all its employees, clients and stakeholders. ## **Principle 4 – Safeguard integrity in corporate reporting**

### **Recommendation 4.1**

Given the current size and scale of the Company's operations, the full Board undertakes the role of the Audit Committee. The Board considers that establishing a separate Audit Committee would not provide any additional benefits or efficiencies.

Accordingly, the Board performs the role that would be undertaken by an Audit Committee, including overseeing the integrity of the Company's accounting and corporate reporting systems, including external audit. The Board has adopted an Audit Committee Charter which describes the role, composition, functions and responsibilities of the Board in its capacity as the Audit Committee. Any items that are usually required to be discussed by an Audit Committee are marked as separate agenda items at Board meetings, when required.

The procedures detailed in the Audit Committee Charter outline the process employed by the Board of Directors to independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.

## **Principle 7 – Recognise and manage risk**

### **Recommendation 7.1**

The Company acknowledges that it faces inherent risks in its activities, including economic, political, financial, environmental and social sustainability risks, which may materially impact the Company's ability to create or preserve value for its Shareholders.

Given the current size and scale of the Company's operations, the Board has not established a separate Risk Committee, instead, the Board assumes responsibility for the oversight and management of material business risks, with management tasked with the responsibility for developing and maintaining a sound system of risk management and internal control to manage the Company's material business risks on a day-to-day basis.

The Board has adopted a Risk Committee Charter. The Risk Committee Charter describes the role, composition, functions and responsibilities of the Board in performing the role that would be undertaken by a Risk Committee. Any items that are usually required to be discussed by a Risk Committee are marked as separate agenda items at Board meetings, when required.

A copy of the Risk Committee Charter is located [here](#).

## **Recommendation 7.2**

The Board reviews the Company's risk management framework on an annual basis to satisfy itself that it continues to be relevant, and to determine whether there have been any changes in the material business risks the Company faces and to ensure that the Company is operating within the risk appetite set by the Board.

## **Recommendation 7.3**

The Company does not currently have an internal audit function. To evaluate and continually improve the effectiveness of the Company's risk management and internal control processes, the Board relies on ongoing reporting and discussion of the management of material business risks as outlined in the Company's Risk Management Policy.

A copy of the Risk Management Policy is located [here](#).

## **Recommendation 7.4**

The Company, as an exploration company, faces inherent risks in its activities, including economic, environmental and social sustainability risks, which may materially impact the Company's ability to create or preserve value for its Shareholders.

To manage and mitigate these inherent risks, the Company has in place a suite of policies and procedures to ensure that it operates within a robust risk management framework and that sustainable and responsible business practices are ongoing.

The Company's exposure to material risks are discussed in the Operating and Financial Review contained in the 2023 Annual Report.

## **Principle 8 – Remunerate fairly and responsibly**

### **Recommendation 8.1**

Given the size and scale of the Company's operations, the full Board undertakes the role of the Remuneration Committee. The Board considers establishing a separate Remuneration Committee would not provide any additional benefits.

Although the Board has not established a separate Remuneration Committee, it has adopted a Remuneration Committee Charter, which describes the role, composition, functions and responsibilities of the Board in its capacity as the Remuneration Committee.

The procedures detailed in the Remuneration Committee Charter continue to be relevant and outlines the process employed by the Board of Directors for determining the structure of remuneration for Directors and senior executives.

The Board will continue to assess the Company's circumstances and establish a Remuneration Committee when deemed appropriate.

A copy of the Remuneration Committee's charter can be found [here](#).

### **Recommendation 8.2**

In accordance with good corporate governance practice, the structure of Non-Executive Director and Executive remuneration is separate and distinct.

Non-executive Directors are remunerated on a fixed fee basis for their time, commitment and responsibilities as part of an aggregate fee pool approved by Shareholders. Fees paid to Non-Executive Directors cover all activities associated with their role on the Board and any sub-committees. Remuneration for Non-Executive Directors is not linked to the performance of the

Company.

Remuneration for Executive Directors and Senior Executives consists of fixed annual remuneration (base pay, superannuation and other non-cash benefits) and variable 'at risk' components (i.e., short-term and long-term incentives). Further details regarding the Company's remuneration policies and practices are contained in the Remuneration Report in the 2023 Annual Report.

### **Recommendation 8.3**

<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
