Titomic Limited (ASX: TTT) ("Titomic" or "Company"), a leading manufacturing technology company specialising in advanced manufacturing and coatings, is pleased to announce that director Mr Dag W.R. Stromme has assumed the role of Chair of the Board, effective 2nd October, 2023.

Titomic's Managing Director, Mr Herbert Koeck, will relocate to Europe before the end of the year in order to be closer to the Company's key markets including Europe and North America. With this being the case, the Board has determined it is appropriate that Mr Stromme, who is also based in Europe, assumes the responsibilities of Chair of the Board. Mr Stromme has been a Director of the Company since July 2020 and has deep expertise in strategy, transformational change, M&A, Capital Markets and early-stage technology ventures.

The current Chair, Mr Humphrey Nolan, will continue to serve as a Non-Executive Director of the Company.

This announcement has been authorised for release by the Board of Titomic Limited.

ABOUT TITOMIC LIMITED

Titomic Limited (ASX: TTT) is an Australian public company specialising in large integrated solutions for industrial-scale metal additive manufacturing, using its patented cold spray additive manufacturing (Cold Spray AM) technology. Titomic provides Cold Spray AM solutions, OEM production and R&D services to the global Aerospace, Defence, Shipbuilding, Oil & Gas, Mining and Automotive industries. Titomic also offers global sales and support for all of its Cold Spray AM activities from its Melbourne Head Office, as well as through local presence in the USA and Europe. Titomic delivers competitive advantages in metal additive manufacturing at every stage in the product value chain. For more information, please visit www.titomic.com.

FORWARD LOOKING STATEMENTS

Certain statements made in this release are forward-looking statements and are based on Titomic's current expectations, estimates and projections. Words such as "anticipates", "expects," "intends," "plans," "believes," "seeks," "estimates," "guidance" and similar expressions are intended to identify forward-looking statements. Although Titomic believes the forward-looking statements are based on reasonable assumptions, they are subject to certain risks and uncertainties, some of which are beyond Titomic's control, including those risks or uncertainties inherent in the process of both developing and commercialising technology. As a result, actual results could materially differ from those expressed or forecasted in the forward-looking statements. The forward-looking statements made in this release relate only to events as of the date on which the statements are made. Titomic will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this release except as required by law or by any appropriate regulatory authority.
