NoviqTech Investor Webinar

13th October 2023

NoviqTech Limited ("NoviqTech" or "Company") is inviting all shareholders to an investor update session on Wednesday 15th November at 11am AEDT/10am AEST, hosted virtually.

NoviqTech has achieved considerable progress in commercialisation and business development activities, as well as reducing operational expenses across the organisation, since the appointment of the new Board and CEO in June and July, respectively. The investor webinar will provide an opportunity for the Company to share updates on:

- TYMLEZ Carbon Central, including a detailed walkthrough of all future functionality
- NoviqAI, showcasing the new NoviqAI platform and detailing the market opportunities
- The TROEF project as development and commercialisation activities continue
- Progress towards achieving the 30, 60, and 90 day milestones as outlined in the Company Update released to market on July 6 2023
- Cost reduction measures

The session will provide shareholders with the opportunity to meet NoviqTech's new Board of Directors and gain insights into the company's future direction.

Participants can register their interest in attending at: <https://forms.office.com/e/eUtXsXsZBh>

The Board encourages all shareholders to join to hear more about the work which has taken place at NoviqTech over the last few months and the Board is looking forward to welcoming you all.

Authorised by the NoviqTech Board of Directors.
