

25 October 2023

INVESTOR WEBINAR INVITATION

Dotz Nano Limited (**ASX: DTZ**, “**Dotz**” or “**Company**”), a leading developer of innovative climate and industrial nanotechnologies, would like to invite investors to attend an investor briefing on Monday 30 October 2023, highlighting the Company’s proprietary CO₂ capture technology potential and the carbon capture market landscape.

The session will include presentations from Professor James Tour, Rice University Houston, Glenn Kelly, director and Jasmina H. Cavka, Research Manager of SINTEF who will discuss the carbon capture landscape, the next generation of carbon capture technologies and the proprietary technology converting plastic waste into active carbon to capture CO₂ - **Dotz Earth**. In addition, Dotz’s Chief Technology Officer, Dr Michael Stein will share Dotz Earth’s development plan and Dotz’s Chief Executive Officer, Sharon Malka will provide a company update and discuss the future direction of the company.

A panel Q&A session will follow the formal presentations.

The event will begin at **4.00pm (AEDT) on Monday 30 October 2023** and is expected to conclude around 5.30pm (AEDT).
