## **September 2023 Quarterly Activities Report**

**Amaero dedicates production to C-103 as U.S. operations continue on schedule**

---

### **September quarter highlights:**

- First Atomiser production to be dedicated to Refractory Alloy, C-103
  - Niobium alloy with high performance, heat-resistant properties critical to hypersonic and space applications
- Initiation of operations in McDonald, Tennessee
  - 15-year lease signed on a 9,300-sq-metre modern, purpose-built facility
  - Fit out activities underway
  - Installation of 1<sup>st</sup> atomiser expected to commence in 2Q CY2024
- Post quarter end, Amaero announced the cessation of its Australian operations
  - The decision allows the executive team to focus on its U.S. flagship operations and to prudently manage operating expenses
- Cash balance of \$5.4 million as of 30 September 2023

**Amaero International Limited (ASX:3DA) (“Amaero” or “the Company”)** announces its Appendix 4C and accompanying activities report for the period ending 30 September 2023.

### **Amaero Chairman and Chief Executive Officer, Hank J. Holland commented:**

“We made significant advancements in the quarter, as we commenced fit out activities at McDonald, Tennessee facility and assembled an industry-leading executive team. Given the geopolitical backdrop and the priority U.S. national defence development of hypersonic weaponry, as well as demand signals from industry, we announced that we will focus production of 1st atomizer on C-103 and other high-value specialty alloys. In conjunction with our focused execution in the U.S. and prudent expense management, we made the decision to cease Australian operations. We will continue a disciplined approach to sourcing growth capital in a manner that minimizes dilution to shareholders and to allocating capital such that it maximizes the long-term enterprise value. We are excited about the milestones ahead.”

## **CORPORATE**

### **Board composition changes**

On 14 September 2023, **Eric Bono** was appointed as a Director of the Company.

Prior to that, on 28 August 2023, Amaero announced the hiring of Mr. Bono as President and Chief Technical Officer. Eric brings extensive experience and relationships in powder metallurgy and additive/alternative manufacturing. Over the past 28 years, Mr. Bono has held leadership roles across technical and sales functions for various industry leaders, including 6K, Carpenter Technology, Puris, Summit Materials and Crucible Research.

On 4 September 2023, **Robert “Bob” Latta** was appointed as a Non-Executive Director, following receipt of requisite regulatory conditions. This follows his nomination as a Non-Executive Director as advised to the market on 26 April 2023. He is Senior of Counsel at Wilson Sonsini Goodrich & Rosati, one of the U.S.’ leading technology and growth business law firms, and has served on the firm’s Executive, Policy, Compensation and WS Investments Committees. He’s been at the firm since 1979. His practice covers a broad range of general corporate and transactional matters, including company formations, venture capital financings, public offerings, and mergers and acquisitions.

On 28 September 2023, the Company appointed **Mr. Jamie Levy** as a Non-Executive Director, effective 31 October 2023. Jamie’s appointment follows the announcement made to the ASX on 4 September 2023 which advised that the search for a replacement Australian-based director was underway, after receiving notice of Mr. David Hanna’s resignation which would be effective upon conclusion of the Annual General Meeting on 31 October 2023.

In accordance with the Company’s Constitution and the ASX Listing Rules, Mr. Levy will seek election as a Director by shareholders at the upcoming Annual General Meeting, being held on 31 October 2023.

Jamie Levy is a senior corporate lawyer and international business leader who has developed a unique combination of legal, commercial and advisory skills gained through working closely with some of the world’s leading investment organisations over 20+ years, both in the private and public sectors. Presently, Jamie serves as Senior Advisor to the Abu Dhabi Investment Office (ADIO), the central government hub supporting private sector investment in the Emirate of Abu Dhabi. Jamie is also appointed by the United Arab Emirates to serve as an Advisory Board Member of the Australia UAE Business Council, with a focus on increasing bilateral trade and investment. Prior to joining ADIO, Jamie was a Corporate Law Partner in KPMG Law’s Sydney office, advising on corporate transactions, corporate governance and legal technology adoption. Jamie spent over 8 years living and working in Abu Dhabi, and was General Counsel at Mubadala Investment Company, advising Aerospace, Defence, ICT, Private Equity and Healthcare business units, before returning to Sydney and taking up the position with KPMG. His formative legal years were spent at King & Wood Mallesons (Sydney) and New York Law firm, Debevoise & Plimpton (London) where he obtained significant experience in advising private equity fund sponsors and investors in relation to establishment and investment into private equity funds.

### **Senior Executive leadership additions**

On 4 September 2023, Amaero announced **Chris Scanlon** joined the organisation as Chief Financial Officer and Chief Administration Officer and **Jay Chandran** joined the Company as Vice President – Operations. Additionally, it was announced that **Ken Davis** will lead the Company’s corporate development efforts.

Chris Scanlon brings extensive accounting, corporate finance, capital markets and FP&A experience at venture capital-backed, high growth businesses, as well as middle market and Fortune 200 companies. He began his career as an audit Manager at EY and has since held accounting and finance positions at five (5) publicly listed companies, including Chief Financial Officer and Corporate Controller / Chief Accounting Officer.

Jay Chandran will oversee and manage general operations at Amaero. He has strong operational and General Manager experience with leading industrial companies, Consolidated Precision Products Corp (CPP) and Precision Castparts Corp (PCC). He has been the General Manager for highly complex castings operations with revenues of \$550 million per annum, as well as managed the pre-development, development and commissioning of greenfield manufacturing operations. He has worked with end customers in the automotive and the aerospace & defence sectors.

Ken Davis joined Amaero in December 2020 to lead its commercial operations in El Segundo, California. Prior to joining Amaero, Ken spent six years as Director of Additive Technology at CalRAM. He has almost 40 years of experience in all facets of powder metallurgy and advanced manufacturing. In his role, he will work closely with Hank Holland and Eric Bono to identify and develop strategic corporate relationships, as well as lead key commercial relationships.

## **FINANCIAL**

As detailed in the attached ASX Appendix 4C, the Company had \$5.4 million in cash and cash equivalents as of 30 September 2023.

Pursuant to Listing Rule 4.7C.3 and as disclosed in Item 6.1 of the attached Appendix 4C, \$0.2 million was paid in respect of Directors fees and consulting fees paid to entities associated with Directors.

## **ACTIVITIES SUBSEQUENT TO THE END OF THE QUARTER**

On 10 October 2023, Amaero announced the cessation of its operations in Australia. The decision reflects the Company's commitment to focus its executive team on flagship operations in the U.S. and to prudently manage operating expenses. As part of the cessation of Australian operations, the Company will terminate leases at its South Australian and Victorian premises and any ongoing commercial contracts in Australia will be ended. Equipment and inventory held in Australia may be shipped to the Tennessee facility or will be sold.

The Company will continue to evaluate commercial opportunities in Australia that include adjacency opportunities in mining, critical minerals, as well as advanced manufacturing for the aerospace & defence, space and energy sectors.

Additionally, the Company's Principal Place of Business address has been changed from the Victorian premises to the Tennessee facility in the U.S. at the following address:

### **Principal Place of Business**

130 Innovation Drive  
McDonald, Tennessee 37353

### **The Company's Registered Office Address has been changed to:**

C/O Acclime Australia Level 7  
330 Collins Street  
Melbourne VIC 3000
