The Explanatory Memorandum has been prepared to assist Shareholders in determining how to vote on the resolutions set out in the Notice of Meeting and is intended to be read in conjunction with the Notice of Meeting.

Financial Statements and Reports

- 1 The *Corporations Act 2001* (Cth) (**Corporations Act**) requires that the report of the Directors, the auditor's report and the financial report be laid before the Annual General Meeting.
- 2 Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the financial statements and reports.
- 3 Shareholders will be given a reasonable opportunity at the meeting to raise questions and make comments on these reports.
- 4 In addition to asking questions at the meeting, Shareholders may address written questions to the chairman about the management of the Company or to the Company's auditor, Grant Thornton, if the question is relevant to:
 - (a) the content of the auditor's report; or
 - (b) the conduct of its audit of the annual financial report to be considered at the meeting.

Note: Under section 250PA(1) Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

or via email to: mtonroe@imugene.com

Resolution 1: Remuneration Report

- 6 The Remuneration Report is contained in the Annual Report. A copy is available on the Company's website.
- 7 The Corporations Act requires that the Remuneration Report be put to a vote of Shareholders.
- 8 The resolution of Shareholders is advisory only and not binding on the Company. The Board will take the discussion at the meeting into consideration when determining the Company's remuneration policy and appropriately respond to any concerns Shareholders may raise in relation to remuneration issues.

- 9 The Remuneration Report:
- (a) reports and explains the remuneration arrangements in place for non-executive Directors, executive Directors and senior management; and
 - (b) explains Board policies in relation to the nature and value of remuneration paid to non-executive Directors, executives and senior managers within the Company.
- 10 The Chairman will give Shareholders a reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

Response to first strike

- 11 At the annual general meeting of the Company on 17 November 2022, more than 25% of the votes were cast against the adoption of the 2022 remuneration report, which constitutes a “first strike” for the purposes of the Corporations Act. The Board took that very seriously. As a result, the Board completed a comprehensive review of our executive remuneration framework, and as a result it has made changes to its remuneration structure. The Company’s goals and incentive framework have been updated to achieve a better balance between improving the overall position of the Company and rewarding its KMP accordingly.
- 12 Under the Corporations Act, if at least 25% of the votes cast on the resolution to adopt the remuneration report at two consecutive AGMs are against the resolution, shareholders must be given an opportunity to vote on a ‘spill resolution’ at the second meeting (see Resolution 10). This is known as the ‘two strikes’ rule. Therefore, if at least 25% of the votes cast on this resolution in Resolution 1 are cast against adoption of the 2023 Remuneration Report the Company would receive a ‘second strike’ and would be required to put the conditional spill resolution in Resolution 10 to the AGM. For details of the effect of the spill resolution, please read the explanatory notes for Resolution 10.

Directors’ Recommendation

- 13 As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of good corporate governance and in accordance with the spirit of section 250R(4) Corporations Act, makes no recommendation regarding this resolution.

Resolution 2: Election of Director – Ms Kim Drapkin

- 14 Ms Kim Drapkin was previously appointed to fill a casual vacancy for the Company on 21 June 2023 and retires in accordance with rule 19.3 of the Company’s Constitution and Listing Rule 14.4 and stands for election.
- 15 Ms Kim Drapkin has 25 years of experience in the biotechnology and pharmaceutical sectors with background in finance, capital raising, and strategic financial planning. She held the position of CFO and Treasurer at Jounce Therapeutics, Inc. from 2015 until its acquisition in May 2023, having played a role in the company’s growth and financing since its inception. Before joining Jounce, Ms Drapkin managed a financial consulting firm and served as interim CFO for various early-stage biotech companies, including Eleven Biotherapeutics, Inc., NinePoint Medical, Inc., Blueprint Medicines Corporation, Warp Drive Bio LLC, Edimer Pharmaceuticals, Avila Therapeutics, Inc., and Voyager Therapeutics, Inc.
- 16 Prior to that, Ms Drapkin held CFO positions at EPIX Pharmaceuticals and has experience at Millennium Pharmaceuticals. Ms Drapkin also currently serves as the audit committee chair and compensation committee member on Acumen Pharmaceuticals board (NASDAQ: ABOS). Previously, she served on Proteostasis Therapeutics board (NASDAQ: PTI) from 2019 to 2020 and continued on Yumanity Therapeutics board (NASDAQ: YMTX) following its merger with PTI in

December 2020 until December 2022. In PTI and Yumanity, Ms Drapkin chaired the audit committee and participated in the governance and compensation committees, as well as served on transaction committees for both companies.

Directors' Recommendation

- 17 The Directors (with Ms Drapkin abstaining), unanimously recommend the appointment of Ms Kim Drapkin to the Board.

Resolution 3: Approval of amended Employee Share Option Plan

Background

- 18 The Company proposes to amend its currently equity incentive plan (**Amended ESOP**) to:
- (a) permit the issuance of performance rights under the plan; and
 - (b) incorporate a US Subplan to permit issuances to be made to the Company's US based employees. The purpose of the US Subplan is to facilitate compliance with US tax, securities, and other applicable laws, and to permit the Company to issue various awards, such as incentive stock options, non-statutory stock options, and restricted stock units to eligible participants who are US residents.
- 19 A copy of the Amended ESOP is provided at Annexure A.
- 20 The Amended ESOP remains a key foundation of the Company's equity incentive programme and is designed to:
- (a) assist in the motivation, retention and reward of employees and directors of the Company by linking the reward of key staff with the achievement of Corporate Performance Goals set by the Board each financial year and the long-term performance of the Company. Vesting of Performance Rights and Restricted Stock Units to be awarded under the Amended ESOP is subject to corporate performance goals that include targets set within the following categories and which are weighted according to the Company's strategic focus for the next financial year:
 - Company share price performance during the financial year (10% weighting);
 - Clinical development program milestones for the Companies platforms: azer-cel, onCARlytics, CF33 oncolytics and B-Cell (30% weighting);
 - Commercial partnering and collaboration activities (15% weighting);
 - Capital and cashflow management (15% weighting); and
 - Chemistry, Manufacturing and Control performance and completion of CF33 and Azer-cel manufacture (30% weighting),(together, the **Corporate Performance Goals**).
 - (b) incentivise and promote the alignment of the interests of the Board and management with those of shareholders; and
 - (c) encourage share ownership by employees.
- 21 Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements. Accordingly, the Company is seeking shareholder approval for the Amended ESOP.

- 22 The Existing ESOP was first adopted at the Company's Annual General Meeting in 2020 and was most recently renewed at the Company's Annual General Meeting in 2022.
- 23 The Amended ESOP will remain available to eligible employees, Directors or such other persons as the Board should deem fit to receive awards to acquire Shares in the Company. In accordance with Listing Rule 10.14, no Directors or their associates can or will be issued equity securities under the Amended ESOP unless shareholder approval of specific issues to them is first obtained.
- 24 The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval. Approval is therefore being sought to issue up to 716,497,486 securities under the Amended ESOP.

Listing Rules

- 25 ASX Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring shareholder approval. Pursuant to Listing Rule 7.2, Exception 13(b), an issue under an employee incentive plan will not count toward a company's 15% limit provided the plan was approved by shareholders within three years before the date of the securities being issued. Approval is therefore sought in respect of the Amended ESOP under that rule.
- 26 If Resolution 3 is passed, the Company will be able to issue up to 716,497,486 securities under the Amended ESOP without such issuances counting towards the Company's placement capacity.
- 27 If Resolution 3 is not approved, any issuances of securities by the Company under the Amended ESOP will count towards the Company's placement capacity under Listing Rule 7.1 (unless such securities are issued with shareholder approval under a different Listing Rule). This will effectively decrease the number of securities it can issue without obtaining shareholder approval over the last 12 month period following the issue date.
- 28 For the purposes of Listing Rule 7.2 exception 13(b):
- (a) a copy of the Amended ESOP is set out in Annexure A to this Notice;
 - (b) no securities have been issued to date under the Amended ESOP. However, 98,798,512 securities have been issued under the Existing ESOP since it was last approved by Shareholders in 2022; and
 - (c) the maximum number of securities proposed to be issued under the Amended ESOP within the three-year period from the date of the passing of this resolution is 716,497,486 (which currently represents 10% of the Company's Share capital). This number is not intended to be a prediction of the actual number of securities to be issued by the Company, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).

Corporations Act

- 29 Shareholders are also being asked to approve the ability for the Board to be able to exercise certain discretions under the Amended ESOP in relation to the treatment of unvested or unexercisable awards that may have been granted under the Amended ESOP.
- 30 The Corporations Act provides that the Company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the Company or its related bodies corporate if it is approved by Shareholders or an exemption applies (for example, where the benefit together with other benefits does not exceed the base salary of the relevant person as set out in section 200F Corporations Act).

- 31 The term 'benefit' has a wide operation and may include (for example) the accelerated vesting of awards issued under the Amended ESOP. Under the terms of the Amended ESOP, the Board has the discretion to determine that some, or all, of those awards that have not vested or are not otherwise exercisable at the time an eligible participant ceases employment with the Company either vest, become exercisable or otherwise waive restrictions on the awards. If an eligible participant who holds, or has held, a managerial or executive office within the meaning of section 200B ceases employment with the Company, that eligible participant may be entitled to have any awards issued to them vest, or otherwise become exercisable where the awards were not otherwise (at the discretion of the Board). This constitutes a 'benefit' for the purposes of section 200B Corporations Act.
- 32 Advance shareholder approval is therefore being sought, for the purposes of sections 200B and 200E Corporations Act, to provide benefits which may otherwise be prohibited under section 200B Corporations Act. If shareholder approval is obtained, it will give the Board maximum flexibility to deal with the unvested or unexercisable awards under the plan granted to executives or key personnel who cease employment.
- 33 Shareholders are not being asked to approve any increase in the remuneration or benefits payable to relevant personnel, nor any variations to the existing discretions of the Board. Approval is sought in relation to both current and future personnel who hold or have held during the three years prior to cessation of employment a managerial or executive office in the Company or a related body corporate.
- 34 The amount and value of the termination benefits for which the Company is seeking approval is the maximum potential benefit that could be provided under the Amended ESOP, in order to provide the Board with the discretion to determine the most appropriate termination package for the outgoing executives or key personnel. There is no obligation for the Board to exercise this discretion. Exercise of the discretion will depend on factors such as the participant's performance, contribution and tenure. The amount and value of any consequent termination benefits that may be received as a result of early exercise of the awards upon cessation of employment cannot be ascertained in advance. This is because various matters, events and circumstances will or are likely to affect the calculation of the amount and value, including:
- (a) the circumstances of the participant's cessation of employment (for example, whether cessation of employment arises due to resignation, retirement or redundancy);
 - (b) the terms contained within the invitation to participate (such as the applicable vesting conditions);
 - (c) number of unvested or unexercisable awards held by the relevant eligible participant prior to cessation of employment;
 - (d) the market price of the Company's shares on the ASX at the relevant time; and
 - (e) any other factors that the Board determines to be relevant when exercising its discretion under the Amended ESOP.
- 35 It can be reasonably anticipated that aspects of the Amended ESOP may be amended from time to time in line with market practice and changing governance standards. Where relevant, these changes will be reported in the Company's Remuneration Report. However, it is intended that this approval will remain valid for Board discretions exercised under the Amended ESOP, provided that at the time the discretion is exercised the Amended ESOP rules contain a discretion for the Board to vest all or a pro rata portion of a participant's unvested awards or to allow them to continue on foot on the terms of the Amended ESOP rules.

Directors' recommendation

- 36 The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to this resolution.

Resolutions 4, 5, 6, 7, 8 and 9: Issue of equity securities to Directors

- 37 Subject to Shareholders approving each of Resolutions 4, 5, 6, 7, 8 and 9 the Company proposes to issue (respectively):

- (a) 7,803,000 performance rights to Mr Paul Hopper, Director (or his nominee);
- (b) 46,350,000 performance rights to Ms Leslie Chong, Director (or her nominee);
- (c) 2,000,000 restricted stock units to Dr Jakob Dupont, Director (or his nominee);
- (d) 2,000,000 restricted stock units to Dr Jens Eckstein, Director (or his nominee);
- (e) 2,000,000 restricted stock units to Dr Lesley Russell, Director (or her nominee);
- (f) 2,000,000 restricted stock units to Ms Kim Drapkin, Director (or her nominee),

(together, the **Incentive Securities**).

- 38 The Incentive Securities shall be issued under and subject to the terms of the Amended ESOP.

- 39 The board has formed the view that the issue of the Incentive Securities to each Director does not require shareholder approval under section 208 of the Corporations Act, as the issue of the Incentive Securities to each of them constitutes 'reasonable remuneration' in accordance with section 211 of the Corporations Act.

Listing Rule 10.14

- 40 Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

- 41 The issue of the Incentive Securities to each Director falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

- 42 Resolutions 4, 5, 6, 7, 8 and 9 seek the required Shareholder approval for the issue of the Incentive Securities under and for the purposes of Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

- 43 If each of Resolutions 4, 5, 6, 7, 8 and 9 are passed, the Company will be able to proceed with the issue of the Incentive Securities to each of the Directors under the Amended ESOP. As

approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Securities (because approval is being obtained under Listing Rule 10.14), the issue of the Incentive Securities will not use up any of the Company's 15% annual placement capacity. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 4 as an exception to any requirement that may otherwise apply requiring Shareholder approval under Listing Rule 10.11.

- 44 If any of Resolutions 4, 5, 6, 7, 8 and 9 are not passed, the Company will not be able to proceed with the issue of the applicable tranche of Incentive Securities to the relevant Director under the Amended ESOP and may need to agree alternative forms of remuneration with that Director.

Directors' Recommendation

- 99 The Directors abstain, in the interests of good corporate governance, from making a recommendation in relation to each of Resolution 4, 5, 6, 7, 8 and 9.

Resolution 10: Contingent resolution to spill the board

- 100 This Resolution 10 (**Spill Resolution**) will only be put to the Annual General Meeting if at least 25% of the votes cast on Resolution 1 are cast against that resolution. If less than 25% of the votes cast on Resolution 1 are against the resolution, there will be no 'second strike' and the spill resolution will not be put to the Annual General Meeting.
- 101 If the spill resolution is put to the AGM, it will be considered as an ordinary resolution. If the spill resolution is passed then an extraordinary general meeting of shareholders (**Spill Meeting**) must be held within 90 days in order to consider the composition of the Board.
- 102 The following Non-Executive Directors who remain in office at the time of the Spill Meeting will cease to hold office at the end of the Spill Meeting unless they are willing to stand for re-election, and are re-elected, at that meeting:
- (a) Mr Paul Alex Hopper;
 - (b) Dr Lesley Russell;
 - (c) Dr Jens Eckstein; and
 - (d) Dr Jakob Dupont.
- 103 If Ms Kim Drapkin is elected at the Annual General Meeting she will need to be re-elected at the Spill Meeting to remain in office.

Considerations before you vote

- 104 For the Spill Resolution to be passed, more than 50% of the votes validly cast on the resolution must be in favour of it.
- 105 In deciding how to vote on Resolution 10, the Board suggests that shareholders take the following factors into account:
- (a) Loss of Directors' leadership, skills and knowledge – Imugene has benefited from the clear focus and leadership the Board has provided to the business. Each of the relevant

non-executive Directors has previously been elected as a Director (apart from Kim Drapkin who was appointed as a Director during this year and is standing for election at this AGM) and received strong support from shareholders. There is no assurance that the current Directors would be willing to stand for re-election at the Spill Meeting or, if they are, that they would be re-elected at that meeting. This creates significant risk that the governance of the company would be disrupted and creates a real challenge to engage new Directors with the skills and knowledge expected of members of the Board.

- (b) Disruption to the company – If the Spill Resolution is passed, this will create instability in leadership and potentially negatively impact Imugene’s ability to implement its strategies.
- (c) Shareholders should note that there are no voting exclusions applicable to resolutions appointing Directors at the Spill Meeting. This would mean there is no barrier to any of the KMP who are shareholders of the Company exercising their voting rights on resolutions at the Spill Meeting.

106 If you **do not** want a Spill Meeting to take place, you should vote ‘**against**’ Resolution 10.

107 If you want a Spill Meeting to take place, you should vote ‘for’ Resolution 10.

Directors’ Recommendation

108 The Directors recommend that members vote AGAINST Resolution 10.

109 The Chair of the meeting intends to vote all available proxies AGAINST this Resolution.

2.2 Further restriction on offers

No offer may be made to an Eligible Employee and no Shares may be issued or transferred to a Eligible Employee for the purposes of the Plan if to do so would cause the Company to contravene the Corporations Act or the Listing Rules (if applicable) or any other applicable securities law.

The Board may in its absolute discretion:

- (a) Declare that an employee or executive of an Employer Company is an Eligible Employee; and

6.1 Cashless exercise

- (a) The Board may determine (in its discretion) and specify in an Offer that in exercising the Options, a Participant may elect to pay the Exercise Price by use of a cashless exercise facility. Where a cashless exercise facility is permitted, Options may be exercised by the Participating by either:
- (i) paying the total Exercise Price of all Options being exercised; or
 - (ii) by use of the cashless exercise facility described below.
- (b) The Cashless Exercise Facility entitles a Participant to set-off the Exercise Price against the number of Shares which the Participant is entitled to receive upon exercise of the Participant's Options (**Cashless Exercise Facility**). By using the Cashless Exercise Facility, the Participant will receive Shares to the value of the surplus after the Exercise Price has been set-off. If a Participant elects to use the Cashless Exercise Facility, the Participant will only be issued that number of Shares (rounded down to the nearest whole number) as are equal in value to the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Shares at the time of exercise (determined as the volume weighted average prices at which Shares were traded on the ASX over the one week period immediately preceding the exercise date) which is to be calculated in accordance with the following:

$$S = \frac{O \times (MSP - EP)}{MSP}$$

Where:

S = Number of Shares to be issued on exercise of the Options.

O = Number of Options.

MSP = Market value of the Shares (calculated using the volume weighted average prices at which Shares were traded on the ASX over the one week period immediately preceding the exercise date).

EP = Option exercise price.

If there occurs any other reconstruction of the capital of the Company affecting issued Shares, the Shares comprised in the Option or Performance Right and the Exercise Price applicable to each such Share (if any) will be reconstructed (as appropriate) in a manner which will not result in any benefits being conferred to the Participant which are not conferred on holders of issued Shares, and (subject to the provisions of that reconstruction with respect to rounding of entitlements as sanctioned by the meeting of shareholders approving the reconstruction of capital) in all other respects the terms of the Options and Performance Rights shall remain unchanged.

Thereafter, the Options or Performance Rights shall lapse to the extent they have not been exercised or have otherwise vested; or

15 DURATION OF THE PLAN

- (a) The Plan will continue in operation at the Board's discretion.
- (b) If for any reason the Plan terminates or is discontinued, such termination or discontinuance will not prejudice the rights of the Participants to whom Options or Performance Rights have been granted.

16 AMENDMENT OF THE PLAN

The Board may at any time and from time to time by resolution, revoke, add to or vary any of the rules of the Plan or all or any of the rights or obligations of the Participants or any of them provided the interests of the Participants are not, in the opinion of the Board, materially prejudiced by such addition or variation.

SUBPLAN FOR U.S. PARTICIPANTS

IMUGENE LIMITED
EMPLOYEE SHARE OPTION PLAN
SUBPLAN FOR U.S. PARTICIPANTS

1. PURPOSE AND APPLICABILITY.

1.1 This Subplan for U.S. Participants (the “**U.S. Subplan**”) applies to Employees, Directors, and Consultants of Imugene Limited (the “**Company**”) and of each Subsidiary, who are either U.S. residents or U.S. taxpayers, and who shall have been nominated to participate in the U.S. Subplan by the Board (each such person, a “**U.S. Participant**”). Pursuant to Rule 15 of the Imugene Limited Employee Share Option Plan (the “**Plan**”), the Board has the authority to amend the Plan and has determined to establish a Subplan for the benefit of U.S. Participants. The purpose of the U.S. Subplan is to facilitate compliance with U.S. tax, securities, and other applicable laws, and to permit the Company to issue Awards, such as Incentive Stock Options, Nonstatutory Stock Options, and Restricted Stock Units to Eligible Participants who are U.S. residents.

1.2 All Awards granted to U.S. Participants will be governed by the terms of the Plan, when read together with the U.S. Subplan (on the basis that, for these purposes, when reading the Plan, the “**Plan**” shall include the U.S. Subplan, a “**Participant**” includes a “**U.S. Participant**” who has been granted an Award; and an “**Option**” includes a “**U.S. Option**”). In the case of an irreconcilable contradiction (as determined by the Board) between the provisions of the U.S. Subplan and the Plan, the provisions of the U.S. Subplan will govern.

3. U.S. OPTIONS

3.1 Form of Award Agreement. Each grant of Options shall be evidenced by an Award Agreement (whether in paper or electronic medium (including email or the posting on a web site maintained by the Company or a third party under contract with the Company)). The Award Agreement for U.S. Participants shall be in substantially the form approved for use under this U.S. Subplan, as may be amended from time to time by the Board. At the time of grant of a U.S. Option, the Board shall indicate if all or a portion of the U.S. Option is designated as an ISO and the form of Award Agreement shall specify the type of U.S. Option.

3.2 Eligibility. ISOs may be granted to Eligible Employees only. NSOs may be granted to Eligible Employees, Directors, and Consultants.

3.3 Maximum Term of U.S. Options. Subject to the provisions of Section 3.7 below regarding ISOs granted to a Ten Percent Owner, no U.S. Option granted to a U.S. Participant will be exercisable after the 10th anniversary of the Grant Date, or such shorter period as determined by the Board and specified in the Award Agreement.

3.4 Exercise Price. Subject to the provisions of Section 3.7 below regarding ISOs granted to a Ten Percent Owner, the Exercise Price of each U.S. Option granted to a U.S. Participant will be not less than 100% of the Market Price of the Shares subject to the U.S. Option on the Grant Date.

3.5 Adjustments in Connection with a Reorganization and Variations in Share Capital. Notwithstanding Rule 12 of the Plan, in the event of a merger, takeover or other reorganization, if the U.S. Options are replaced or there is a change in the share capital, the Board shall appropriately and proportionately adjust the number and class of securities subject to, outstanding U.S. Options, the Exercise Price of outstanding and unvested U.S. Options and the number and class of securities subject to the limit on Awards set forth in Section 3.7 below) hereof in a manner that complies with Sections 422 and 409A of the Code, as applicable. The Board will make such adjustments, and its determination will be final, binding and conclusive.

3.6 Vesting and Exercise of U.S. Options. U.S. Options shall vest in accordance with the terms of the Award Agreement and shall have a term and may be exercised following termination of employment or service as set forth in the Award Agreement. In no event may any U.S. Option be exercised later than the 10th anniversary of the Grant Date.

3.7 Incentive Stock Options.

(a) Eligible Recipients of ISOs. ISOs may be granted only to Employees who are U.S. Participants.

(b) Designation of ISO Status. The Board action approving the grant of an ISO to a U.S. Participant must specify that the U.S. Option is intended to be an ISO. If a U.S. Option is not specifically designated as an ISO, or if a U.S. Option is designated as an ISO but some portion or all the U.S. Option fails to qualify as an ISO under the applicable rules, then the U.S. Option (or portion thereof) will be an NSO. The Company shall have no liability to a U.S. Participant, or any other party, if a U.S. Option (or any part thereof) that is intended to be an ISO is not an ISO or for any action taken by the Board to amend, modify or terminate the Plan, the U.S. Subplan or any U.S. Option, including without limitation, the conversion of an ISO to an NSO.

(c) Maximum Plan Shares Issuable on Exercise of ISOs. Subject to adjustment under Section 3.5 of this U.S. Subplan, the maximum aggregate number of Shares that may be issued upon the exercise of ISOs is the limit set forth in Rule 2.1 of the Plan.

(d) Limits for Ten Percent Owners. A person who is a Ten Percent Owner may not be granted an ISO unless the Exercise Price of such U.S. Option is at least 110% of the Market Price on the Grant Date and the U.S. Option is not exercisable after the expiration of 5 years from the Grant Date.

(e) No Transfer. As provided by Section 422(b)(5) of the Code, and if permitted by the Plan, an ISO will not be transferable except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the U.S. Participant only by the U.S. Participant. If the Board elects to allow the transfer of a U.S. Option by a U.S. Participant that is designated as an ISO, such transferred U.S. Option will automatically become an NSO.

(f) US\$100,000 Limit. As provided by Section 422(d) of the Code and applicable regulations thereunder, to the extent that the aggregate Market Price (determined on the Grant Date) of Shares with respect to which ISOs are exercisable for the first time by any U.S. Participant during any calendar year (under all plans of the Company and any Subsidiary) exceeds US\$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing ISOs, the U.S. Option or portion thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as a NSO, notwithstanding any contrary provision of the applicable Award Agreement.

(g) Post-Termination Exercise Period. To obtain the U.S. federal income tax advantages associated with an ISO, the Code requires that beginning on the Grant Date and ending on the day 3 months before the date of exercise of the U.S. Option, the U.S. Participant must be an Employee (except in the event of the U.S. Participant's death or Disability, in which case longer a 12-month period applies). The U.S. Option will no longer be treated as an ISO and shall automatically be converted into a NSO if the U.S. Participant continues to provide services as a Consultant after such U.S. Participant's employment terminates or if the U.S. Participant otherwise exercises the U.S. Option more than 3 months after the date employment terminates for any reason other than death or Disability.

(h) Disqualifying Disposition. Each U.S. Participant awarded an ISO under the U.S. Subplan shall notify the Company in writing of the date the U.S. Participant makes a "disqualifying disposition" of any Share acquired pursuant to the exercise of such ISO. A "disqualifying disposition" is any disposition (including any sale) of such Shares before the later of (i) two years after the Grant Date and (ii) one year after the date the U.S. Participant acquired the Shares by exercising the ISO.

4. RESTRICTED STOCK UNITS.

4.1 Generally. Restricted Stock Units may not be granted to U.S. Participants until the Company's shareholders have approved either or both an amendment to the Employee Share Option Plan to allow Restricted Stock Units or this U.S. Subplan. Each grant of Restricted Stock Units shall be evidenced

by an Award Agreement (whether in paper or electronic medium (including email or the posting on a web site maintained by the Company or a third party under contract with the Company)). Each such grant shall be subject to the conditions set forth in this Section 4, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

4.2 Vesting; Acceleration of Lapse of Restrictions. Unless otherwise provided by the Board in an Award Agreement the unvested portion of Restricted Stock Units shall terminate and be forfeited upon termination of employment or Service of the Participant granted the applicable Award.

4.3 Settlement of Restricted Stock Units. Unless otherwise provided by the Board in an Award Agreement, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his beneficiary, without charge, one Share for each such outstanding Restricted Stock Unit; provided, however, that the Board may, in its sole discretion, elect to (a) pay cash or part cash and part Share in lieu of delivering only Shares in respect of such Restricted Stock Units or (b) defer the delivery of Shares (or cash or part Shares and part cash, as the case may be) beyond the expiration of the Restricted Period if such delivery would result in a violation of applicable law until such time as is no longer the case. If a cash payment is made in lieu of delivering Shares, the amount of such payment shall be equal to the Market Price of the Shares as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units, less an amount equal to any taxes required to be withheld or paid.

5. CONDITIONS ON DELIVERY OF SHARES.

5.1 Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any evidence of book entry or certificates evidencing Shares issued pursuant to an Award, unless and until the Board has determined, with advice of counsel (to the extent the Board deems such advice necessary or advisable), that the issuance and delivery is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of the Securities Act or any exchange on which the Shares are listed, quoted or traded. All Shares issued pursuant to the U.S. Subplan shall be subject to any stop-transfer orders and other restrictions as the Board deems necessary or advisable to comply with Australian and U.S. federal, state or foreign jurisdiction, securities, or other laws and/or the rules of any market or quotation system on which the Shares are listed, quoted or traded. The Board may place legends on any certificate or notations on any book entry to reference restrictions applicable to the Shares. In addition to the terms and conditions provided herein, the Board may require that an individual make such reasonable covenants, agreements, and representations as the Board, in its absolute discretion, deems necessary or advisable to comply with any such laws, regulations, or requirements.

6. TAX MATTERS

6.1 Tax Withholding Requirement. Prior to the delivery of any Shares pursuant to an Award, the Company will have the power and the right to deduct or withhold, or require a U.S. Participant to remit to the Company, an amount sufficient to satisfy the amount of U.S. federal, state, local, foreign or other taxes required to be withheld with respect to such Award. The Board may require the Company's tax withholding obligation satisfied, in whole or in part, by the Company withholding from the Shares to be issued pursuant to an Award a number of Shares with an aggregate Market Price (as of the date the withholding is effected) that would satisfy the withholding amount due; provided, however, that the amount withheld does not exceed the maximum statutory tax rate or such lesser amount as is necessary to avoid adverse accounting treatment.

6.2 No Obligation to Notify or Minimize Taxes. The Company will have no duty or obligation to the U.S. Participant to advise such holder as to the time or manner of exercising the Award. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending

termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the U.S. Participant.

7. TERM, AMENDMENT AND TERMINATION OF THE U.S. SUBPLAN.

7.1 The Board may amend, suspend or terminate the U.S. Subplan at any time. Unless terminated sooner by the Board, the U.S. Subplan will terminate automatically upon the earlier of (i) 10 years after the effective date of the U.S. Subplan and (ii) the termination of the Plan. No Award may be granted under the U.S. Subplan while either the Plan or the U.S. Subplan is suspended or after the Plan or the U.S. Subplan is terminated (but Awards previously granted under the U.S. Subplan may extend to the termination pursuant to the terms of the Award Agreement).

7.2 If the U.S. Subplan is terminated, the provisions of the U.S. Subplan and any administrative guidelines, and other rules adopted by the Board and in force at the time of suspension or termination of the U.S. Subplan, will continue to apply to any outstanding Awards as long as an Award granted pursuant to the U.S. Subplan remains outstanding.

8. AMENDMENT OF AWARDS.

8.1 The Board may amend, modify, or terminate any outstanding Award, including but not limited to, substituting therefor another Award of the same or different type, changing the date of exercise or realization, and converting an ISO to an NSO provided however no changes shall be made to any Award that would violate Sections 422 and 409A of the Code.

9. SHAREHOLDER APPROVAL OF U.S. SUBPLAN.

9.1 The Board shall obtain approval of the Company's shareholders for any amendment to the U.S. Subplan or the Plan that would require such approval to satisfy the Code or other applicable law. The provisions of the U.S. Subplan that are related to ISOs shall be subject to approval by the shareholders of the Company within 12 months of the date the U.S. Subplan is adopted by the Board. Any ISOs granted under the U.S. Subplan before shareholder approval is obtained must be rescinded if shareholder approval is not obtained within 12 months of the date that the Board adopts the U.S. Subplan. If such shareholder approval is not obtained within such time frame, then only NSOs may be granted pursuant to the U.S. Subplan.

10. GOVERNING LAW.

10.1 This U.S. Subplan shall in all respects be governed by and be construed in accordance with the laws of the State of Delaware, without giving effect to the principals of conflicts of laws, and applicable provisions of U.S. federal law. The state and federal courts located within the State of Delaware shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this U.S. Subplan and accordingly any proceedings, suit or action arising out of this U.S. Subplan shall be brought in such courts.
