For release: 13 November 2023

### **ANZ 2023 Final Dividend - key dates and associated information**

ANZ today announced a proposed 2023 Final Dividend of 94 cents per share, partially franked at 56%. This is comprised of an 81 cents per share dividend partially franked at 65% and an additional one-off unfranked dividend of 13 cents per share. New Zealand imputation credits of NZD 11 cents per share will also be attached.

ANZ also announced that the Dividend Reinvestment Plan (DRP) and Bonus Option Plan (BOP) will continue to operate for the 2023 Final Dividend at no discount and that it plans to neutralise the impact of the ordinary shares allocated under the DRP.

#### **Dividend, DRP & BOP Information**

For the 2023 Final Dividend, under the DRP and BOP Terms and Conditions, the following will apply when calculating the Acquisition Price used to determine the number of ANZ ordinary shares to be issued:

- no discount will be applied;
- the Pricing Period will be 10 trading days (refer to the key dates below); and
- both the ASX and Cboe Australia trading platforms will apply.

The neutralisation of the DRP may involve ANZ ordinary shares being purchased on-market during the DRP Pricing Period or otherwise by a third-party appointed by ANZ. To the extent that the on-market purchase is not able to be completed for any reason, then ANZ will issue new ordinary shares to meet its obligations under the DRP. DRP participants do not need to take any action in respect of this in order to receive their shares under the DRP.

New ANZ ordinary shares will be issued to satisfy ANZ's obligations under the BOP.

Election notices from shareholders wanting to commence, cease or vary their participation in the DRP or BOP for the 2023 Final Dividend must be received by ANZ's Share Registrar, Computershare, by 5.00pm (Australian Eastern Daylight Time) on 20 November 2023.
