**About Thorney Technologies Ltd**

Thorney Technologies Ltd (TEK) is an ASX-listed investment company (LIC), with a broad mandate to invest in technology-related investments at all phases of the investment lifecycle. As well, TEK seeks to identify early-stage companies with new and disruptive technology and business models and invests in a broad range of areas of technology, such as fin-tech, e-commerce, education, agriculture, medical, telecommunication, robotics and AI. High quality deal flow is generated via our networks established in Australia, Israel and USA for investment opportunities in both listed and unlisted entities.

TEK is managed by the privately owned Thorney Investment Group pursuant to a long-term investment management agreement. You can invest in TEK by purchasing shares on the Australian Securities Exchange (ASX). For more information visit: <https://thorney.com.au/thorney-technologies/>
