1 Whispir independent board committee recommendation

Soprano DTA is pleased to confirm that:

- Soprano DTA **is today increasing its Offer Price to \$0.55 per Share**;
- Whispir's **independent board committee UNANIMOUSLY RECOMMENDS** that Whispir Shareholders **ACCEPT** the all-cash, unconditional Offer of \$0.55 per Share (in the absence of a superior proposal);
- the **members of the independent board committee** have stated that they intend **to ACCEPT the Offer** of \$0.55 per Share (in the absence of a superior proposal); and
- the independent expert engaged by Whispir has expressed the opinion that the \$0.55 per Share Offer is **FAIR AND REASONABLE** to Whispir Shareholders.

The Offer Price of **\$0.55 per Share** is **best and final and will not be increased**.

2 Timetable

The Offer Period will now close at 7.00pm (Sydney time) on Wednesday, 10 January 2024 (unless extended or withdrawn).¹

3 Significant potential risks of not accepting

Whispir Shareholders will need to take action quickly if they wish to follow the recommendation of the Whispir independent board committee that they accept the Offer.

Whispir has, in its target's statement dated 5 December 2023 (**Original Target's Statement**)² and again in its Fourth Supplementary Target's Statement³, outlined a number of significant potential risks of not accepting the Offer.

The risks identified by Whispir if Soprano DTA's Offer is NOT accepted include:

- the Whispir share price may fall in the absence of the Soprano DTA Offer;
- if Soprano DTA acquires a controlling stake in Whispir, there could potentially be adverse consequences for non-accepting Whispir Shareholders, including

¹ The close of the Offer Period has been extended to 10 January 2024 as a result of the operation of section 624(2)(a) of the Corporations Act. This subsection provides that if, within the last 7 days of an offer period, the offers under the bid are varied to improve the consideration offered, the offer period is automatically extended so that it ends 14 days after the variation to the bid.

becoming a minority Whispir Shareholder in a company controlled by a single large Whispir Shareholder (being Soprano DTA);

- ☒ the implementation of the restructure and growth initiatives of Whispir may take longer than anticipated and require further capital to be raised (which may, like Whispir's recent capital raising, dilute you as a shareholder);
- ☒ the majority of Whispir's revenue is currently generated from sales to customers that originated from the Telstra network channel. The current agreement with Telstra expires on 31 January 2024. There is a risk that that agreement is not renewed. If that agreement is not renewed, there is a risk that Whispir sales velocity in Australia will decline which may have an adverse impact on its profitability; and
- ☒ other general risks to shareholders associated with owning shares in a public listed company on the ASX.

As Whispir notes, if any of these risks eventuated, this could have a **material adverse effect on your investment**.
