7. Voting Exclusion Statement:

Resolution 1

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes purported to be cast, on this resolution by, or on behalf of, a member of the Key Management Personnel, details of whose remuneration are included in the remuneration report, or a Closely Related Party of such a member (**KMP voter**), unless the KMP voter is casting a vote on this resolution on behalf of a person who is not a KMP voter (including as a proxy) and either:

- (a) the KMP voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the KMP voter is by the Chair of the meeting and the appointment of the Chair as proxy:
 - a. does not specify the way the proxy is to vote on the resolution; and
 - b. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or the consolidated entity.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on this Resolution, the Chair will vote any proxies which do not indicate on their Proxy Form the way the Chair must vote, in favour of this Resolution. In exceptional circumstances, the Chair may change his or her voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

A further restriction also applies to Key Management Personnel and their closely related parties voting undirected proxies on Resolution 1 – see **Restriction on KMPs voting undirected proxies** below.

Resolution 2

There are no voting exclusions on this resolution.

As required by the Corporations Act, no votes on Resolution 3 may be cast (in any capacity) by or on behalf of any person who may be entitled to receive a benefit in connection with that person's retirement from office or position of employment, the subject of Resolution 3, or an associate of such a person, except where there is a permitted proxy vote.

A vote is a permitted proxy vote where it is:

- (a) cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the resolution; and
- (b) not cast on behalf of the retiree or an associate of the retiree.

Also as required by the Corporations Act, no member of the Company's key management personnel or closely related party of any such member may vote as proxy on Resolution 3 unless the person votes as proxy appointed by writing that specifies how the person is to vote on Resolution 3.

Resolution 4

The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- (a) a person who is eligible to participate in the Employee Incentive Plan; and
- (b) an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or

 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

A further restriction also applies to Key Management Personnel and their closely related parties voting undirected proxies on these resolutions – see **Restriction on KMPs voting undirected proxies** below.

Resolution 5

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

However, if, between the date of dispatch of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A.2, the Company will disregard votes cast in favour of Resolution 5 by or on behalf of:

- (a) any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder or ordinary securities in the Company); or
- (b) an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Resolution 5; and
 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

8. Special Resolutions

Resolution 5 is a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

9. Restriction on KMPs voting undirected proxies:

A vote must not be cast as proxy on Resolution 1 and 4 by a member of the Key Management Personnel (as defined by the Corporations Act) or a closely related party of Key Management Personnel.

However, a person described above (a "**Restricted Voter**") may cast a vote on Resolution 1 and 4 as a proxy if:

- (a) The Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution(s); or
- (b) The Chair is the Restricted Voter and the written appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution(s) and expressly authorises the Chair to exercise the proxy even though the resolution(s) is or are connected with the remuneration of a member of the Key Management Personnel.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

10. Enquiries

Shareholders are invited to contact the Company Secretary on (03) 9078 4833 if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (**Statement**) accompanies and forms part of the Company's Notice of Annual General Meeting (**Notice**) for the 2024 Annual General Meeting (**Meeting**).

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 September 2023 which incorporates the Company's Financial report and the Directors' Report (including the Remuneration Report and the Auditors' Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all Shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9078 4833, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: <https://readcloud.com/> or via the Company's announcement platform on ASX (ASX: RCL). Except for as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on the Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company's 2023 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 30 September 2023 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for this Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that shareholders vote in favour of this Resolution to adopt the Remuneration Report.

Voting Exclusions

Refer to Notes 7 and 9 above for voting exclusions.

Resolution 2: Re-Election of Mr Paul Collins as a Director of the Company

Background

Clause 15.4 of the Constitution requires that at every Annual General Meeting, one third of Directors (excluding the Managing Director) shall retire from office and provides that such Directors are eligible for re-election at the meeting. Mr Paul Collins is retiring in accordance with these requirements and, being eligible, offers himself for re-election.

Mr Collins was appointed as a Non-Executive Director of the Company on 2 February 2017.

Over the last 20 years, Mr Collins has been extensively involved in the start-up and subsequent ASX listing of 2 successful FinTech companies. A co-founder of IWL Limited in 1997, Mr Collins was an Executive Director of the company from its inception, through its listing in 1999 before leaving in 2004. Later in 2004, Mr Collins became co-founder and Executive Director of Managed Accounts Ltd which listed on the ASX in 2014 (ASX:MGP). Mr Collins chaired the Audit and the Risk and Compliance Committees of MGP from 2009 to 2016. Mr Collins is currently a Non-Executive Director of ASX-listed workplace compliance solutions provider Wrkr Ltd (ASX: WRK).

The Board considers Mr Collins to be an independent director.

Board Recommendation

The Board (with Mr Collins abstaining) recommends that shareholders vote in favour of the re-election of Mr Collins as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders. The Chair of the meeting intends to vote undirected proxies in favour of Mr Collins' re-election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 3: Approval of Termination Benefits

Background

Under section 200B of the Corporations Act, the Company must not give a person a benefit in connection with a person's retirement from an office, or position of employment, in the Company or its related bodies corporate (Group Company) if:

- a) the office or position is a managerial or executive office; or
- b) the person has, at any time during the last three years before their retirement, held a managerial or executive office in a Group Company,

unless Shareholder approval is obtained under section 200E of the Corporations Act for the giving of the benefit (or if a specified exception applies).

A "benefit" is defined broadly in the Corporations Act to include a payment or other valuable consideration. It also includes the accelerated or automatic vesting of share-based payments on or as a result of retirement from an office or position.

Having regard to the potentially wide application of the restriction under section 200B of the Corporations Act, the Board considers it to be appropriate and prudent to seek Shareholder approval under sections 200B and 200E of the Corporations Act, so that termination benefits may be provided to relevant executives under the Company's Employee Incentive Plans without breach of the Corporations Act.

Who does the approval relate to?

Approval is being sought in respect of any current or future person who, at the time of his or her cessation from his or her office or employment, or at any time during the last three years before his or her cessation from his or her office or employment, held a managerial or executive office in a Group Company (Relevant Executives). This includes members of the Company's key management personnel.

What is the Company seeking approval for?

Shareholder approval is sought for the purposes of sections 200B and 200E of the Corporations Act for termination benefits given under the Employee Incentive Plans to the Relevant Executives in connection with their cessation of employment with a Group Company. The potential termination benefits will relate to the treatment of securities granted under the Employee Incentive Plans including the lapsing and vesting of securities and the timing of lapsing and vesting of securities of Relevant Executives who cease their office or employment with a Group Company.

What is the value of the potential termination benefits?

Under section 200E of the Corporations Act, when seeking shareholder approval of a termination benefit, shareholders must be given details of the amount or value of the proposed payment or benefit, or if that amount or value cannot be ascertained at the time of disclosure, the manner in which that amount or value is to be calculated and any matter, event or circumstance that will, or is likely to, affect the calculation of that amount or value.

The value of potential termination benefits under the Employee Incentive Plans cannot be ascertained in advance, as the benefits are dependent on a number of matters which will likely affect calculation of the value. The following are matters, events and circumstances which will, or are likely to, affect the calculation of the amount or value of the potential termination benefits that may be given under the Employee Incentive Plans:

- a) the circumstances of the Relevant Executive's cessation of employment (for example, whether the cessation of employment arises due to termination by the Group Company or the Relevant Executive, and for what reason);
- b) the number of securities held by the Relevant Executive at the time of cessation of employment;
- c) any applicable performance, vesting or exercise conditions and the achievement of such conditions;
- d) if any performance conditions are applicable, the personal performance of the Relevant Executive;
- e) the portion of the performance period served by the Relevant Executive up to the cessation of employment;
- f) the market price of the Company's Shares on the Australian Securities Exchange at the relevant time;
- g) the exercise price of the Relevant Executive's securities (if any); and
- h) any other factors that the Board considers to be relevant.

The value of potential termination benefits that may be given to Relevant Executives under the Employee Incentive Plans will be calculated considering these factors.

Approval is sought for a three-year period

If approval of this Resolution is obtained, it will be effective from the date of this meeting until the conclusion of the Company's 2027 Annual General Meeting. This means that the approval will apply in respect of any termination of a Relevant Executive during that period.

Shareholder approval under this Resolution does not relieve a Director of any of his or her director's duties to the Company. In addition, approval under this Resolution does not relieve the Company of any obligation to comply with the requirements of the ASX Listing Rules in relation to any proposed change to the terms of Options.

Board Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

Refer to Note 7 above for voting exclusions.

Resolution 4: Approval of Amended Employee Incentive Plan and the issue of securities thereunder

Background

The Company is seeking shareholder approval to adopt an amended Employee Incentive Plan to replace its current Employee Incentive Plan (**Current EIP**) to assist in the motivation, retention and reward of employees of the Company and its subsidiaries (**Amended EIP**).

On 1 October 2022, amendments to the Corporations Act commenced, simplifying the process for incentivising participants under employee share schemes (**ESS**). Division 1A was introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (**New Regime**). This regime replaces the relief previously afforded by ASIC Class Order 14/1000 (**Class Order**).

To ensure that the Company's EIP complies with the New Regime, the Company will adopt, subject to Shareholder approval, the Amended EIP which reflects the changes implemented by the New Regime and allows participants to elect to utilise a cashless exercise mechanism upon the exercise of Options.

This Resolution also seeks Shareholder approval for issue of securities under the Amended EIP as an exception to ASX Listing Rule 7.1, in accordance with ASX Listing Rule 7.2 exception 13(b).

No directors or their associates can or will be issued shares, options or other securities or rights under the Plan unless shareholder approval of specific issues to them is obtained. Under the Plan the Company may acquire shares on market to be held on trust for directors or their associates.

Approval is sought, for the purposes of Listing Rule 7.2, Exception 13(b), to issue up to 7,310,225 Equity Securities (Shares, Options or other Rights including performance rights each conditionally entitling the applicable holder to one fully paid ordinary share upon exercise or achievement of the applicable milestone). Any additional issues under the Plan above that number will require further Shareholder approval, unless they were made from the Company's 15% placement capacity under Listing Rule 7.1.

The Amended EIP is regarded as an employee incentive scheme for the purposes of ASX Listing Rule 7.2. A copy of the Amended EIP will be provided without charge to shareholders on request.

Key changes between the Class Order and New Regime

The following table summarises the key changes implemented by the New Regime. These changes are reflected in the Amended EIP.

	Position under the Class Order	Position under the New Regime
Disclosure obligations	<p>The Class Order mandates certain information that must be provided to ESS participants.</p> <p>There is no difference between the disclosure requirements where ESS interests are offered for monetary consideration or for no monetary consideration.</p>	<p>If the offer of ESS interests is for no monetary consideration: There are no prescribed disclosure obligations, other than a statement that the offer is made under Division 1A.</p> <p>If the offer of ESS interests is for monetary consideration:</p> <ul style="list-style-type: none"> Certain prescribed disclosure requirements apply. These disclosure requirements are similar (although different) to the current disclosure requirements under the Class Order. The participant cannot acquire the ESS interests until 14 days after receiving the above disclosure. This mandates a waiting period ensuring a participant has time to consider their decision and seek legal financial advice. Any associated trust, contribution plan and loan arrangement will need to comply with specified requirements.

	Position under the Class Order	Position under the New Regime
Eligible participants	<ul style="list-style-type: none"> • Directors; • Full-time and part-time employees; • Casual employees and contractors, provided they work the number of hours that are the pro-rata equivalent of 40% or more of a comparable full-time position with the entity. 	<ul style="list-style-type: none"> • Directors; • Full-time and part-time employees; • Any service providers to the entity (with no minimum requirement of hours of service provided); • Certain 'related persons' to the above.
5% limit	The maximum number of ESS interests that can be issued under the Class Order relief over a three-year period is 5% of the issued share capital.	<p>If the offer of ESS interests is for no monetary consideration: There is no limit on the number of such ESS interests that may be issued.</p> <p>If the offer of ESS interests is for monetary consideration: The number of ESS interests issued over a three-year period (as a result of offers both received in this jurisdiction and made in connection with an ESS) must not exceed 5% of the issued share capital. Entities may specify a different issue cap in their constitution.</p>
Suspension	For the Class Order relief to be available, the entity's shares must not have been suspended for more than 5 days over the previous 12 months.	The new regime permits an entity to offer ESS interests regardless of any suspension to the trading of its shares.
ASIC involvement	A 'Notice of Reliance' must be submitted to ASIC to rely on the Class Order relief.	<p>There are no ASIC lodgement requirements.</p> <p>ASIC has the power to require the provision of documents necessary in order to form an opinion about whether the regime has been complied with.</p> <p>ASIC has also been given express enforcement powers including the ability to issue 'stop orders'.</p>
Criminal offences	N/A	New ESS related criminal offences have been introduced regarding certain misleading or deceptive statements or omissions.

ASX Listing Rules

ASX Listing Rule 7.1 requires that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.2 exception 13(b) provides an exception to ASX Listing Rule 7.1 for securities issued under an employee incentive scheme within 3 years after shareholder approval of the scheme. The Company therefore seeks approval of the issue of securities under the Plan under ASX Listing Rule 7.2 Exception 13(b) so that issues of securities under the Plan do not impede the capacity of the Company to issue up to a further 15% of its capital without shareholder approval.

If Shareholders approve this Resolution, the grant of Equity Securities (and the issue of any new Shares pursuant to these Equity Securities) under the Plan will not be included in the 15% limit imposed by ASX Listing Rule 7.1 for a period of three years from the date of the Meeting.

If shareholder approval is not obtained for this Resolution, the Company will continue to operate the Current EIP however the Board will not have access to the flexibility afforded by ASX Listing Rule 7.2 Exception 13(b) as outlined above. Instead, the Board will have to utilize the Company's 15% placement capacity in any twelve (12) month period to issue securities under the Current EIP. This will impair the Company's flexibility to use that 15% placement capacity for other purposes (e.g. for future capital raisings or to fund acquisitions).

A summary of the terms of the Amended EIP are set out in Annexure A.

Since 7 February 2022, being the date of the last Shareholder approval in relation to the Current EIP under Listing Rule 7.2 Exception 13, the Company has issued 5,128,571 securities under the Current EIP, 5,128,571 of which were issued under Listing Rule 7.2 exception 13(b).

Annexure A

A summary of material terms and conditions of the Amended EIP is set out below.

Eligibility	Any director, employee, consultant, or service provider of the Company, associated body corporates, or related parties of the persons set out above, who is decided by the Board to be an eligible participant for the purposes of the EIP.
Plan Securities	Plan Securities issued under the EIP consist of restricted or unrestricted shares (Plan Shares), or rights to acquire shares (Plan Rights). Plan Rights include options, performance rights, restricted share units or such other securities convertible into the capital of the Company and of a similar nature to an option, performance right or restricted share unit, which the Board approves for issue under the EIP.
Grant of Plan Securities	The Board may offer any number of Plan Securities to eligible participants on the terms the Board decides, subject to the EIP rules, any applicable laws or the Listing Rules. The offer must be in writing and specify, amongst other things, the number and type of Plan Securities for which the eligible participant may apply, the amount payable (if any) for the grant, issue or exercise (as applicable) of each Plan Security, the period within which the Plan Security may be exercised (if applicable), any conditions of vesting (Vesting Conditions) and any transfer conditions (time-based or other conditions determined by the Board) before shares can be freely transferable. An eligible participant is required to give the Company a signed application form to accept the offer. If the Company accepts the application form, it may grant accepted Plan Securities to that participant.
Dilution Limit	An offer of Plan Securities must not be made to an Australian resident if the total of: (a) the number of underlying Plan Shares which are the subject of the offer; and (b) underlying Shares issued or which may be issued as a result of any outstanding grants of Plan Securities, or similar offer under a predecessor or other employee incentive plan, made at any time during the previous 3-year period, would exceed 5% of the number of shares in the Company on issue at the time of the offer.
Lapse	Plan Rights shall lapse in accordance with specific offer terms or events contained in the EIP rules, which include cessation of employment, change in control, breach by the participant and expiry (which will be 5 years from issue in the ordinary course).
Converting rights to shares	A participant issued with Plan Rights has the option to acquire Plan Shares once the Vesting Conditions for those Plan Rights have been satisfied or waived in full. The Board may waive or vary Vesting Conditions, subject to the ASX Listing Rules and Corporations Act. If a Plan Right is required to be exercised, the participant can exercise the Plan Right by either paying the applicable exercise price or using a cashless exercise facility (if permitted). The cashless exercise entitles a participant to set-off the exercise price against the number of shares which the participant is entitled to receive on exercise of the applicable Plan Rights.

	Once a Plan Right is exercised, the Company will issue or transfer the Plan Shares to that participant.
Loans	The Board may, from time to time in its absolute discretion, offer eligible participants a loan solely for the purpose of acquiring Plan Shares, including for the purpose of paying the exercise price for any Plan Rights. The Loan will be secured by the Plan Shares and limited recourse to those Plan Shares. The Company may hold the certificates or impose a holding lock over the secured Plan Shares.
Transfer	Transfer of Plan Securities is restricted. Plan Rights are not ordinarily transferable and Plan Shares may only be transferred once any Transfer Conditions are satisfied or the shares are issued as Unrestricted Shares.
Clawback	In certain circumstances the Board may clawback any Plans Shares issued to a participant where the Board is of the opinion that participant has breached the EIP rules or otherwise damaged the Company.
Rights of Participants	<p>No conferred rights</p> <p>Participation in the EIP does not:</p> <ul style="list-style-type: none"> (a) confer any right or entitlement if such right is subject to shareholder approval; (b) confer on an employee the right to receive an invitation to participate in the EIP; (c) confer on a participant the right to continue as an employee; (d) affect any right the Company may have to terminate the employment of a Participant; and (e) may not be used to increase damages in any action brought against the Company in respect of a termination. <p>Other schemes</p> <p>Participation in the EIP does not affect, and is not affected by, participation in any other employee incentive scheme operated by the Company unless the terms of the other scheme provide otherwise.</p> <p>General meetings</p> <p>A Participant is not entitled to attend or vote at general meetings of holders of shares in their role as a Participant alone.</p> <p>New issues</p> <p>Participants are not entitled to participate in offers of new securities by the Company unless they have been issued shares on the exercise of the Plan Securities.</p> <p>Bonus issues</p> <p>Participants with Plan Rights yet to be exercised will be entitled to the benefit of any bonus issues by the Company as if the right had been issued by the date the Company determines bonuses.</p> <p>Reorganisation</p> <p>If there is a reorganisation of capital of the Company, then the rights of a Participant (including the underlying shares over which an option is exercisable) are to be changed to the extent necessary to comply with the Listing Rules applying to the reorganisation of capital. at that time.</p>
Change of Control	In the event of a change of control (as defined in the EIP rules), the Board may give notice to the participants waiving all vesting conditions and transfer conditions and requiring all participants to comply with the exercise and conversion terms for the rights they wish to exercise, and sell their Plan Securities as part of the change on control event.
Tax	The Company is not responsible for any tax which may become payable by a participant in connection with rights or securities under the EIP. If the Company is obliged to collect taxes in respect of a participant the Company may collect those taxes from the participant by deducting those taxes from amounts due to the Participant or selling Plan Securities to satisfy the debt.

Administration	The EIP will be administered by the Board which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions (subject to the Listing Rules) in addition to those set out in the EIP.
Termination and amendment	<p>The EIP may be terminated or suspended at any time by the Board if the termination or suspension does not adversely affect the rights of participants. The Board may also decide not to issue any new invitations at any time.</p> <p>The EIP rules may be amended at any time by the Board, except where the amendment adversely affects the rights of participants and their Plan Securities, in which case, the Board must obtain consent of the holders of at least 75% of the Plan Securities affected..</p>

Corporations Act

Approval is also sought for the purposes of sections 259B and 260C of the Corporations Act 2001 (Cth).

The Amended EIP provides for the Company to take security over shares issued under the Amended EIP, and to place restrictions on transfer and voting which may also constitute taking security over its own shares. Section 259B(1) of the Corporations Act provides that a company must not take security over shares in itself except as permitted by the Corporations Act. Section 259B(2) provides that the Company may take security over shares in itself under an employee share scheme that has been approved by shareholders at a general meeting.

Under section 260C(4) of the Corporations Act, a company may financially assist a person to acquire its shares if the financial assistance is given under an employee share scheme that is approved by shareholders at a general meeting. The Amended EIP provides that the Company may make loans in respect of shares or other securities issued or to be acquired under the Plan and/or acquire shares or other securities to be held on trust for eligible participants. This may be considered to be the Company providing financial assistance for the acquisition of its own shares or other securities.

Director Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the shareholders in respect of the EIP. The Chair in his capacity as proxy holder intends to vote undirected proxies in favour of approving this Resolution.

Voting Exclusions

Refer to Notes 7 and 9 for voting exclusions on this Resolution.

Resolution 5: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables an eligible entity to issue up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of this Resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% placement capacity under Listing Rule 7.1.

Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of this Annual General Meeting;
- (ii) the time and date of the Company's next Annual General Meeting; and
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Outcome of this Resolution

If Shareholders approve this Resolution:

- the number of equity securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below); and
- the Company will be able to issue equity securities up to the combined 25% limits in Listing Rules 7.1 and 7.1A without further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Formula for calculating 10% Placement Facility

The maximum number of equity securities that may be issued by the Company under the 10% Placement Facility pursuant to Listing Rule 7.1A2 is calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula stated above.

Type and number of equity securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has one class of quoted equity securities, being 146,204,505 Fully Paid Ordinary Shares.

Minimum issue price and cash consideration

The equity securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

Purpose of the funds raised

The purposes for which the funds raised by an issue under the 10% Placement Facility may be used by the Company include:

- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
- (ii) continued expenditure on the Company's current business and/or general working capital.

Dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Annual General Meeting; and
- (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table below shows the hypothetical dilution of existing Shareholders on the basis of the market price of Shares as at 29 December 2023 (**Current Share Price**) and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The dilution table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.024 50% decrease in Current Share Price	\$0.047 Current Share Price	\$0.094 100% increase in Current Share Price
Current Variable A 146,204,505 Shares	10% Voting Dilution	14,620,451 Shares		
	Funds raised	\$343,581	\$687,161	\$1,374,322
50% increase in current Variable A 219,306,758 Shares	10% Voting Dilution	21,930,676 Shares		
	Funds raised	\$515,371	\$1,030,742	\$2,061,484
100% increase in current Variable A 292,409,010 Shares	10% Voting Dilution	29,240,901 Shares		
	Funds raised	\$687,161	\$1,374,322	\$6,030,945

The dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.047 being the closing price of the Shares on ASX on 29 December 2023.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous issues

The Company:

- (i) has not issued, nor agreed to issue, any equity securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- (ii) had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any equity securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented, and eligible to vote.

Directors Recommendations

The Board recommends that Shareholders vote in favour of this Resolution.

The Chair intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.
