## **Mining and finance executive David Ransom joins SNX Board.**

### **Highlights**

- Experienced geologist and mining and finance executive Dr David Ransom joins SNX as Non-Executive Director.
- Dr Ransom is an eminent Geologist with 45 years of experience in the mining industry in Australia and overseas.
- Dr Ransom is a specialist in structural geology for 20 years, working with many companies including CRA, BHP and Newmont.
- Dr Ransom was also a resource analyst and portfolio manager at Acorn Capital for 17 years, focused on small cap materials and energy companies.
- He has been a Non-Executive Director of African focused gold producer Perseus Mining (ASX/TSX: PRU) since 2019.

US-based gold and copper exploration company **Sierra Nevada Gold Inc. (ASX: SNX)** (**Sierra Nevada Gold or Company**), is pleased to announce it has appointed experienced mining and finance executive Dr David Ransom as a Non-Executive Director, effective today.

Dr Ransom holds a PhD in structural geology and has more than 45 years of experience within the mining industry in many roles, including as a specialist consultant for 20 years with clients including CRA, BHP, Newmont and numerous companies in the resources sector.

Dr Ransom was also a resource analyst and portfolio manager at Acorn Capital for 17 years, focusing on the small and micro-cap materials and energy sectors. He is well known and highly regarded in the funds management industry. He retired from Acorn Capital in September 2016 but remains a consultant.

Earlier in his career, he was a project geologist for Aberfoyle Group in Australia and Cominco Ltd in Canada. He has extensive board experience gained over the past 25 years in mining and exploration companies, including serving on the board of African-focused gold miner Perseus Mining (ASX/TSX: PRU) since 2019.

**SNX Executive Chairman Peter Moore said:** *"SNX is very pleased to appoint such an eminent and experienced resource advisor as Dr David Ransom to the SNX board. Dr Ransom's extensive experience in the resources sector and his impressive career in project geology, mining and corporate finance will be a significant asset for SNX. David brings more than 45 years' experience across mining, exploration and corporate strategy that will be of great benefit to SNX as we continue to explore and develop our highly prospective gold-copper projects in Nevada, USA."*

SNX advises Non-Executive Director Dr Alan Wilson has tendered his resignation from the Board, effective immediately, to focus on other interests. The SNX Board thanks him for his contribution to the Company during his tenure and wishes him well in his future endeavours.

### **About Sierra Nevada Gold**

Sierra Nevada Gold Inc. (ASX:SNX) is an ASX-Listed company actively engaged in the exploration and acquisition of precious and base metal projects in the highly prospective mineral trends in Nevada, USA, since 2011. The Company is exploring five 100%-controlled projects in Nevada, comprising four gold and silver projects and a large copper/gold porphyry project, all representing significant discovery opportunities for the Company.

This announcement was authorised for release by Mr Peter Moore, Executive Chairman of the Company.

### **Forward-Looking Statements**

This announcement contains or may contain forward-looking statements that are based on management's beliefs, assumptions and expectations and on information currently available to management.

All statements that address operating performance, events or developments that we expect or anticipate will occur in the future are forward-looking statements. These include, without limitation, U.S. commercial market acceptance and U.S. sales of our product as well as our expectations with respect to our ability to develop and commercialize new products.

Management believes that these forward-looking statements are reasonable when made. You should not place undue reliance on forward-looking statements because they speak only as of the date when made. SNX does not assume any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. SNX may not actually achieve the plans, projections or expectations disclosed in forward-looking statements. Actual results, developments or events could differ materially from those disclosed in the forward-looking statements.
