Quarterly performance

RMA Global Limited (ASX: RMY) ("the Company" or "RMA") has delivered ongoing YoY revenue growth. Total Quarterly subscription revenues were up 7% to \$3.4m compared with 2Q FY23. US subscriptions increased 45% over the same period. This is considered a positive result in a challenging environment where Real Estate transactions in the US are at near 13 year lows.

Total quarterly promoter revenues were up 8% to \$1.2m compared with 2Q FY23.

This has led to a 7% increase in total recurring revenue from 2Q FY23 to 2Q FY24.

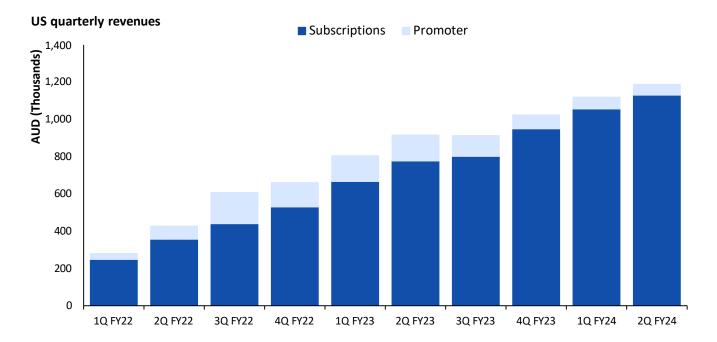

Following an assessment of market dynamics and using learnings from the US market, the company has taken action to restructure its Product, Marketing, and Sales teams to further drive agent claims and revenue in the US market. The restructure program will reposition the business operations to efficiently drive further revenue growth in the US market while maintaining increased focus towards capital efficiency in a challenging macroeconomic environment.

CEO Michael Davey said, "US uptake is still pleasing in a very different market to a year ago. Part of our future growth will be enabled by having a better offering for agent Teams, which operate like small agencies in Australia. In this environment, we are taking proactive steps towards capital efficiency whilst balancing this with growth".

USA

Agents on the platform and reviews

Reviews and platform usage are leading indicators for paid subscriptions. As of 31 December 2023, c.270,000 agents on the platform had collected over 790,000 reviews, up 22% on 31 December 2022.

The real estate environment in the US remains challenging, with total property sales in the market down c.19% YoY. RMA's target market is the top 30% of agents responsible for over 80% of transactions. These agents are more resilient in market downturns because they hold the lion's share of their market and continue to promote their profiles and business.

US Revenue

The Company's focus in the US is to monetise the current agent base, particularly in Florida. Refinement to our entry strategy includes improvements to agent onboarding & paid tiers, expanding the product offering and revising pricing and partnerships. Subscription revenues in 2Q FY24 were up 45% on 2Q FY23. Total revenues were up 30% for the same period.

ANZ revenues in 2Q FY24 were up 1% compared with 2Q FY23 in a market where housing sales volumes were down 7.6% YoY.

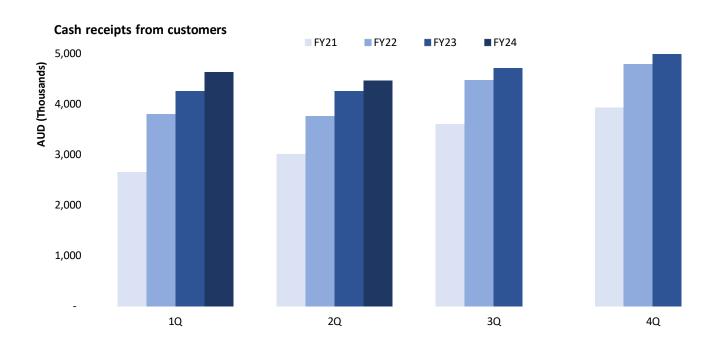

Promoter, which enables agents to showcase their reviews and profiles across social media platforms and Google generated just under \$1.1m in ANZ, up 18% compared with 2Q FY23.
