“

This quarter's results mark a significant moment for FDV as we report our fourth consecutive quarter of positive operating cash flows. This result reflects the consistent execution of our strategy and strength of the online marketplaces model, despite the headwinds experienced in the first half of 2023.

Over the past year, significant work has been undertaken including cost base optimisation, operational and product enhancements, and rebranding of the regions, designed to strengthen the businesses and enhance the long-term equity value of each region.

FDV is entering an exciting new phase of the business focused on growing earnings and cash flows, underpinned by sustainable long-term revenue growth.

- **EBITDA margin of +13% in 4Q 2023** relative to +2% in 4Q 2022
- **Avito and Moteur delivered EBITDA margins of +15% and +44%** despite the challenging operating conditions in Morocco during the quarter

OPERATIONAL UPDATE

Offline events and new partnership to provide a foundation to facilitate property transactions in 2024

Successful offline property event

- Avito hosted the first edition of its offline property event, *Immo Expo*, in November, bringing together ~21,000 consumers, major developers, agents and other real estate professionals
- The event supports Avito's transaction strategy by providing a physical venue for all industry participants to interact, as well as increasing site visits and brand exposure

Partnership with major real estate group

- Avito has partnered with one of Morocco's leading real estate developers
- The first development under the partnership is a 500-unit luxury apartment complex in Casablanca, with the sales commissions expected to significantly grow Avito's transaction revenues

Product initiatives

- New pricing structures such as bundling of products to increase average revenue per account
- Product enhancements include optimised verticalization and categorisation to improve user experience and campaigns for professional customers

ZAMEEN TRADING UPDATE

Revenue has remained steady, reflecting stabilisation of operating conditions, while EBITDA has recovered in 4Q 2023 as a result of prudent cost management

Zameen quarterly revenue and EBITDA (A\$m)¹

Financial update

- Revenue remained stable in 4Q 2023 relative to the preceding two quarters
- EBITDA rose in 4Q 2023 to A\$0.4m relative to the prior quarter, with Zameen achieving its highest monthly EBITDA in December since January 2023

Economic conditions

- Trading conditions remain challenging in Pakistan as a result of economic challenges, including high inflation, unemployment and suppressed demand
- Pakistan’s current account posted a surplus in December 2023, with the current account deficit improving significantly in 2H 2023 compared to 2H 2022², reducing pressure on the Pakistani rupee and foreign exchange reserves
- Elections have been scheduled for February 2024, which may provide greater political and economic certainty

2024 initiatives

- Zameen will continue to manage costs in line with the operating conditions, with flexibility to scale up operations when conditions improve
- Sales and marketing initiatives are being focused on smaller properties in large population centres where demand is strongest
- Observed increase in developers advertising spend during late 2023, which may translate to increases in transaction volumes

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
