8.8.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: No, the company expects increased production and sales in the coming quarters, as a result anticipates that it will generate positive cash flows from Chilean operations.	
8.8.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: On 24 January, the company announced that it had binding commitments for a capital raise of \$1.2 million before costs. This will fund plant acquisition designed to expand production to meet anticipated customer demand and also provide additional working capital.
