Privacy Collection Statement

Privacy is important to Australian Clinical Labs Limited (ACN 645 711 128)(**ACL, we, us** or **our**). If you chose to register for our investor webinar, we will collect your name and email address as set out in the registration form. The purpose of collecting your personal information is to facilitate your participation in our 1H24 investor webinar. If you do not provide this personal information or provide incomplete information, we may not be able to process this form and you may not be able to attend. We otherwise use, disclose, process and handle your personal information (including sensitive information) in accordance with our [Privacy Policy](#) which can be found on our website. We operate and communicate with organisations throughout Australia and overseas. Therefore some disclosures may occur outside the state or territory in which an individual is resident, and in some circumstances, outside Australia. We will only disclose information to an organisation in a country which has a substantially similar privacy regime.

Our [Privacy Policy](#) also contains the contact details of the Quality Manager and information regarding your rights and how you can seek to access and correct your personal information or raise a privacy concern with us. If you have any concerns about this Privacy Collection Statement, our [Privacy Policy](#) or how we handle your personal information, please contact our Quality Manager.

About Australian Clinical Labs

ACL is a leading Australian private provider of pathology services. Our NATA accredited laboratories perform a diverse range of pathology tests each year for a range of clients including doctors, specialists, patients, hospitals and corporate clients. ACL is one of the largest private hospital pathology businesses nationally. ACL is focused on its mission of combining talented people, and medical and scientific leadership, with innovative thinking and technologies to empower decision making that saves and improves patients' lives.
