#### **Note 15: Segment Information**

The Reject Shop operates within the one reportable segment (retailing of discount variety merchandise). Total revenues of \$458,282,000 all relate to the sale of discount variety merchandise in the Company's country of domicile (Australia), in this single reportable segment. The Company is not reliant on any single customer.

#### Note 16: Dividend Reinvestment Plan

The Company does not currently offer a dividend reinvestment plan.

## **Note 17: Capital Commitments**

The Company has contractually committed to approximately \$4,933,000 (2 July 2023: \$5,287,000) in capital expenditure at the end of the reporting period.

#### Note 18: Matters Subsequent to the end of the half-year

On 22 February 2024, the directors determined to pay a fully franked interim ordinary dividend of 10.0 cents per share. The interim dividend has not been provided for in the half-year financial statements.

No further matters or circumstances have arisen since the end of the half-year that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

#### **Note 19: Fair Value Measurements**

The directors consider the cash flow hedges to be Level 2 financial instruments because, unlike Level 1 financial instruments, their measurement is derived from inputs other than quoted prices that are observable for the assets or liabilities, either directly (as prices) or indirectly (derived from prices). There have been no transfers between levels 1, 2 and 3 for recurring fair value measurements during the half-year. The cash flow hedges fair values have been obtained from third party valuations derived from forward exchange rates at the balance sheet date.

The fair value of the cash flow hedges at 31 December 2023 was a liability of \$693,000 (2 July 2023: asset of \$5,864,000).

The directors consider that the carrying amount of financial assets and financial liabilities recorded in the financial statements approximate their fair values.

#### Note 20: Related party transactions

During the half-year, the Company transacted with related parties of Kin Group to purchase goods. Transactions totalled \$986,354 (1 January 2023: \$652,258). All transactions were on commercial terms and on an arms-length basis.

There were no other related party transactions, other than those with key management personnel in the normal course of business, during the 26 week period ended 31 December 2023.

#### Note 21: Contingent Assets and Liabilities

The Company is named as the respondent in a class action commenced by a former store manager (the applicant) in the Federal Court of Australia (filed on 18 April 2023) on behalf of store managers and assistant store managers employed by the Company between 24 April 2017 to 18 April 2023. The applicant is represented by Adero Law.

The premise of the proceeding is that the General Retail Industry Award 2010 applied to the relevant store managers and assistant store managers employment and that there were alleged underpayments under that award together with alleged associated contraventions of the *Fair Work Act 2009* (Cth).

The Company is defending the proceeding.

#### **DIRECTORS' DECLARATION**

In the directors' opinion:

- (a) the financial statements and notes of the Company set out on pages 4 to 13 are in accordance with the *Corporations Act 2001* (Cth), including:
  - (i) complying with Australian Accounting Standard, the *Corporations Regulations 2001* (Cth) and other mandatory professional reporting requirements; and
  - (ii) giving a true and fair view of the Company's financial position as at 31 December 2023 and of its performance, as represented by the results of its operations and its cash flows, for the half-year ended on that date; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

# Independent auditor's review report to the members of The Reject Shop Limited

# Report on the half-year financial report

#### Conclusion

We have reviewed the half-year financial report of The Reject Shop Limited (the Company) and the entities it controlled during the half-year (together the Group), which comprises the consolidated balance sheet as at 31 December 2023, the consolidated statement of comprehensive income, consolidated statement of changes in equity, and consolidated statement of cash flows for the 26 week period ended on that date, selected explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of The Reject Shop Limited does not comply with the *Corporations Act 2001* including:

- 1. giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the 26 week period ended on that date
- 2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### Responsibilities of the directors for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

#### Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the 26 week period ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
