The general purpose interim financial report for the half year ended 31 December 2023 has been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001. The interim financial report has, except for the cash flow information, been prepared on an accruals basis and is based on historical costs, modified where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements are presented in Australian Dollars.

Basis of preparation

The condensed financial report complies with Australian Accounting Standards applicable to interim reporting as issued by the Australian Accounting Standards Board (AASB) and International Financial Reporting Standards (IFRS) applicable to interim reporting as issued by the International Accounting Standards Board.

The half year financial report does not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the most recent annual financial report of the Group.

The significant accounting policies adopted in the preparation of the half year financial report are consistent with those followed in the preparation of the Group's financial report for the year ended 30 June 2023.

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period, where applicable.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2023

(d) Going concern

The consolidated financial statements have been prepared on the going concern basis which contemplates continuity of normal business activities and utilization of assets and discharge of liabilities in the normal course of business. As disclosed in the consolidated financial statements, the Group made a loss of (\$713,099) (31 December 2022: Loss of \$2,000,097). The Group also has material borrowings expiring within 7 months of the date of signing the consolidated financial statements. These conditions indicate a significant or material uncertainty about the consolidated Group's ability to continue as a going concern.

The Directors believe that there are reasonable grounds to believe that the Group will be able to continue as a going concern, after consideration of the following factors:

- The Group has prepared budgets and cash flow forecasts for the next 6 months from the date of this report which indicate the Group will have a positive cash balance during this period.
- A significant portion of the Group's borrowings (\$1.7m) are due to related parties and have been extended to September 2024.

(e) Operating segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Markers (CODM)) in assessing the performance of the consolidated group and determining investment requirements. The operating segments are based on the manner in which services are provided to the market.

The consolidated group consists of one business segment which operates in one geographical area, being Australia. International revenues derived during the period were not material.

Note 2. Significant accounting judgements and estimates

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the amounts disclosed in the financial statements. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

The significant accounting policies have been consistently applied in the current financial period and the comparative period, unless otherwise stated. Where necessary, comparative information has been re-presented to be consistent with current period disclosures.

INDEPENDENT AUDITOR'S REVIEW REPORT

TO THE MEMBERS OF HARRIS TECHNOLOGY GROUP LIMITED

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Harris Technology Group Limited (the Company and its subsidiaries (the Group)) which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Harris Technology Group Limited does not comply with the *Corporations Act 2001*, including:

- a. giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date, and
- b. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 (d) in the financial report, which indicates that the Group incurred a net loss of \$713,099 during the half year ended 31 December 2023 and had net cash inflow from operating activities of \$460,916 for the half year ended 31 December 2023. As stated in Note 2(d), these events or conditions, along with other matters as set forth in Note 2(d), indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibility of the Directors' for the Financial Report

The directors of Harris Technology Group Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
