Review and Results of Operations

First half trading recorded a group sales revenue of \$53,659,826 compared to \$43,834,274 in the previous corresponding period. The Group reported a net profit of \$1,821,612 for the half year ended 31 December 2023, compared to \$406,176 in the previous corresponding period. The profit attributable to the non-controlling interest of the group is \$22,097 for the half year ended 31 December 2023 compared to a loss of \$80,699 attributable to non-controlling interest in previous corresponding period.

Employee expenses increased 23% to \$19,117,786 (\$15,564,132 half year ended 31 December 2022) and materials increased 14% to \$29,711,131 (\$26,040,629 half year ended 31 December 2022) compared to the previous corresponding period. The increase in employment expenses is commensurate with the increase in revenue whereas materials have reduced from 59% of revenue to 55% of revenue due a change in revenue mix with an increase in activity in data centres.

The results for the half year reflect the impact of the following key matters:

The sales growth in SKS Technologies Pty Ltd has increased by 22% compared to the same time last year and increased by 36% over the second half of last year.

The group continues to hold a strong order book with a strong pipeline of opportunities across the regions and disciplines, in particular data centres in which the group operates. The group remains an employer of choice however with the rapid increase in work in hand the recruitment of labour is more challenging than the past. Supply chain disruptions have now largely dissipated.

The Group received government incentives for training schemes of \$13,750 during the period which has associated staff training costs.

Independent Auditor's Review Report To the members of SKS Technologies Group Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of SKS Technologies Group Limited (Company) and Controlled Entities (the Group), which comprises the condensed consolidated statement of financial position as at 31 December 2023, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of SKS Technologies Group Limited and Controlled Entities does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Group in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility of the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the Group's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
