- Item 1: Election of Class II Director – Ms Anita Messal
- Item 2: Approval of the 2019 Equity Incentive Plan and increase of reserved Shares
- Items 3(a) and (b): Grant of Options to Mr Steve Wedan, Chief Executive Officer of the Company

- Item 7: Ratification of the appointment of BDO USA, P.C. as independent registered public accounting firm
- Item 8: Approval of 10% Placement Facility

Who is entitled to vote at the meeting?

Only those stockholders of record or beneficial owners of Shares held in street name at 7:00pm Sydney time on Monday, 25 March 2024 (i.e. 3:00am U.S. Central Daylight Time on Monday, 25 March 2024) (**Record Date**), will be entitled to receive notice of and to vote at the meeting and any adjournment or postponement thereof. CDI holders as of the Record Date are entitled to receive notice of and attend the meeting and may instruct CHESSE Depository Nominees Pty Ltd (**CDN**) to vote at the meeting by following the instructions on the CDI Voting Instruction Form or by voting online at www.investorvote.com.au.

As of the Record Date, there were 188,173,265 CDIs on issue (assuming all issued Shares are held as CDIs) (each representing one share of Class A common stock of the Company (**Share**)), all of which

were entitled to vote with respect to the proposals to be acted upon at the meeting, subject to the voting exclusions described more fully in the Explanatory Memorandum. Each CDI represents an interest in one Share.

Stockholders who vote for or against resolutions, or who abstain, will be counted as present and entitled to vote for purposes of determining whether a quorum is present.

Will any investors be excluded from voting on any of the proposals at the meeting?

In accordance with ASX Listing Rule 14.11.1, the Company will disregard any votes cast in favour of certain resolutions by certain stockholders and associates of those stockholders. Please refer to the Explanatory Memorandum for further detail in relation to the nature of the exclusions and the stockholders who are excluded from voting on an item of business at the meeting.

What are my voting rights?

Holders of Shares are entitled to one vote for each Share held as at the Record Date. Holders of CDIs are entitled to direct CDN to vote one vote for every CDI held by such holder as at the Record Date.

Therefore, as of the Record Date, a total of 188,173,265 votes are entitled to be cast at the meeting.

How many Shares must be present to hold the meeting?

In accordance with the Company's Amended and Restated Bylaws, the presence in person, by remote communication or by proxy, of the holders of one-third of the outstanding Shares entitled to vote at the meeting, as of the Record Date, must be present (in person, by remote communication or by proxy) at the meeting in order to hold the meeting and conduct business.

This is called a quorum.

What is a proxy?

It is your designation of another person to vote stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your Shares. We refer to this as your "proxy vote".

What is the difference between a stockholder of record and a "street name" holder?

If you own Shares registered directly in your name with our U.S. transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those Shares. As a stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote at the meeting.

If your Shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the stockholder of record with respect to those Shares, while you are considered the beneficial owner of those Shares. In that case, your Shares are said to be held in "street name" and this notice should be forwarded to you by that organisation. Street name holders generally cannot vote their Shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their Shares using the method described below under "How do I vote my Shares of Imricor Medical Systems, Inc.?" Since a street name holder is not the stockholder of record, you may not vote your Shares at the meeting unless you obtain a "legal proxy" from the broker, bank, trustee, or nominee that holds your Shares giving you the right to vote the Shares at the meeting.

CDN is the stockholder of record for all Shares beneficially owned by holders of CDIs. Holders of CDIs are entitled to receive notice of and to attend the meeting and may direct CDN to vote at the meeting by using the method described below under "How do I vote if I hold CDIs?"

How do I vote my Shares of Imricor Medical Systems, Inc.?

If you are a stockholder of record, you may vote:

- over the internet or by telephone by following the instructions on the notice card; or
- attending the virtual Annual Meeting and voting online during the Annual Meeting.

To vote before the Annual Meeting by the internet (at www.investorvote.com/IMSI), you will need to use a control number that was provided to you on the notice card and follow the additional steps when prompted. The steps have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly. Internet votes must be received no later than 8:00 am Sydney time on Wednesday, 15 May 2024 (5:00pm U.S. Central Daylight Time on Tuesday, 14 May 2024).

If you hold your Shares in street name, you must vote your Shares in the manner prescribed by your broker, bank, trust or other nominee, which is similar to the voting procedures for stockholders of record. You will receive a voting instruction form (not a proxy card) to use in directing the broker, bank, trust or other nominee how to vote your Shares.

Please refer to “Will any investors be excluded from voting on any of the proposals at the meeting?” for a summary of voting exclusions applicable to each proposal to be voted on at the meeting.

How do I vote if I hold CDIs?

Each CDI holder as at the Record Date is entitled to direct CDN to vote one vote for every CDI held by such holder. Such CDI holders are entitled to receive notice of and to attend the meeting and any adjournment or postponement of the meeting and may instruct the Company’s CDI depositary, CDN, to vote the Shares underlying their CDIs in a particular manner by returning the enclosed CDI Voting Instruction Form to Computershare, or by voting online at www.investorvote.com.au. Valid voting instructions must be received by Computershare no later than 8:00 am Sydney time on Friday, 10 May 2024 (5:00 pm U.S. Central Daylight Time on Thursday, 9 May 2024). Doing so permits CDI holders to instruct CDN to vote on behalf of the CDI holders at the meeting in accordance with their written instructions.

Alternatively, CDI holders may vote at the meeting by informing the Company that they wish to nominate themselves or another person to be appointed as CDN’s proxy for the purpose of voting at the meeting by completing Step 1B in the enclosed CDI Voting Instruction Form. Such CDI holders will then need to obtain a unique username and password from Computershare by calling +61 3 9415 4024 during the online registration period which will be open 1 hour before the start of the meeting. Unless these steps are followed, CDI holders cannot vote online during the meeting.

What does it mean if I receive more than one printed set of proxy materials?

If you receive more than one printed set of proxy materials, it means that you hold Shares or CDIs registered in more than one account. To ensure that all of your Shares and CDIs are voted, please submit proxies or voting instructions for all of your Shares and CDIs.

How can I attend the meeting?

All of our stockholders and CDI holders are invited to attend the meeting.

Securityholders can watch and participate in the meeting virtually via the online platform (from a computer or mobile device) at www.meetnow.global/MP2YNVQ.

If you participate in the meeting online as a **stockholder**, you can log in to the Annual Meeting by:

1. Entering the meeting ID for the Annual Meeting, which is: meetnow.global/MP2YNVQ

3. Entering your username, which is your 15 digit control number

If you participate in the meeting online as a **proxy** (including a CDI holder who has appointed themselves as CDN's proxy), you can log in to the Annual Meeting by:

1. Entering the meeting ID for the Annual Meeting, which is: meetnow.global/MP2YNVQ
2. Selecting "I am a stockholder/proxy"
3. Entering your unique email invitation link, which can be obtained by calling Computershare on +61 3 9415 4024 during the online registration period which will be open 1 hour before the start of the meeting.

Note that stockholders (and CDI holders, as per the instructions on the CDI Voting Instruction Form) who wish to appoint a third party proxyholder to represent them at the Annual Meeting and attend online must appoint their proxyholder prior to the proxyholder registering for online access. CDI holders may do this by completing Step 1B in the enclosed CDI Voting Instruction Form. For online access, the proxyholder must obtain a username and password by contacting Computershare on +61 3 9415 4024 during the online registration period which will be open 1 hour before the start of the meeting.

If you participate in the meeting online as a **CDI holder** (and have not appointed yourself or someone else as CDN's proxy), you can log in to the Annual Meeting by:

1. Entering the meeting ID for the Annual Meeting, which is: meetnow.global/MP2YNVQ
2. Selecting "I am a CDI holder/guest"
3. Entering your name and email address.

Note that CDI holders may not vote online at the meeting unless they have nominated themselves to be appointed as CDN's proxy prior to the meeting. CDI holders are encouraged to use their CDI Voting Instruction Form to direct their votes 72 hours before the meeting. Please refer to "How do I vote if I hold CDIs?".

For full details on how to log in please refer to the Online Meeting Guide available at <https://imricor.com/investors/>.

Can I vote my Shares at the meeting?

If you are a stockholder of record, you may vote your Shares online during the meeting.

If you choose to participate in the meeting online as a stockholder, please follow the instructions outlined above in "How can I attend the meeting?"

Even if you currently plan to participate in the meeting, we recommend that you submit your vote before the meeting as described above so your vote will be counted if you later decide not to attend the meeting. If you submit your vote before the meeting and later decide to vote online at the meeting, the vote you submit at the meeting will override your previous vote.

If you are a street name holder, you may vote your Shares at the meeting only if you obtain a legal proxy from your broker, bank, trust or other nominee giving you the right to vote the Shares at the meeting.

Please refer to "How do I vote if I hold CDIs?" if you are a CDI holder.

What is the voting requirement to approve each of the proposals included in the notice of meeting?

Item 1 — Election of Class II Director – Ms Anita Messal

You may vote "FOR" or "ABSTAIN" on Item 1.

The vote required to approve the proposal is a “FOR” vote of the holders of a plurality of the voting power of the Shares that are present in person or represented by proxy at the meeting and entitled to vote on such proposal.

Abstentions will have the effect of a vote “AGAINST” this proposal.

ASX has granted the Company a waiver from Listing Rule 14.2.1 to permit the Company not to provide an option for holders of CDIs to vote against a resolution to elect or re-elect a director. The terms of the waiver are that: (i) the Company complies with the relevant U.S. laws as to the content of proxy forms applicable to resolutions for the election or re-election of directors; (ii) any notice given by the Company to CDI holders under ASX Settlement Operating Rule 13.8.9 makes it clear that holders are only able to vote for such resolutions or abstain from voting, and the reasons why this is the case; (iii) the terms of the waiver are set out in the management proxy circular provided to all holders of CDIs; and (iv) the waiver from Listing Rule 14.2.1 only applies for so long as the relevant U.S. laws prevent the Company from permitting stockholders to vote against a resolution to elect a director.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

Item 4 — Grant of Restricted Stock Award to Mr Peter McGregor

You may vote “FOR”, “AGAINST” or “ABSTAIN” on Item 4.

Abstentions will count as a vote “AGAINST” this proposal.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

Item 5 — Grant of Restricted Stock Award to Ms Anita Messal

Abstentions will count as a vote “AGAINST” this proposal.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

Chair's voting intention

The Chair of the Annual Meeting intends to vote all available undirected proxies in favour of this resolution.

Item 2 – Approval of the 2019 Equity Incentive Plan and increase in reserved Shares

Background to Item 2

The Company adopted the 2019 Equity Incentive Plan (**Plan**) to reward, attract and retain qualified individuals as employees and other service providers. An amended version of the Plan was last approved by stockholders at the 2023 Annual Meeting on 12 May 2023. The last shareholder approval included an approval for the purposes of Exception 13 of Listing Rule 7.2 (described below) which is only available for three years. The Board is seeking a fresh stockholder approval of the Plan with an increased number of shares of Class A common stock (**Shares**) reserved for issuance under the Plan as well as some further consequential updates.

Share reserve and plan limit

The Company has currently reserved 26,511,721 Shares for issuance under the Company's 2019 Equity Incentive Plan (**Plan**), and such amount includes the number of Shares subject to options (**Options**) issued under the Company's 2016 and 2006 equity plans which subsequently expire or terminate without such Shares being issued (**Current Plan Limit**).

As at the date of this Explanatory Memorandum:

- 17,559,081 Options have been issued and are outstanding, which includes 17,499,081 Options issued under the Plan and 60,000 Options issued under the 2016 or 2006 equity incentive plans; and
- 826,386 shares of Restricted Stock (defined below) have been issued under the Plan and are outstanding.

In addition 4,541,297 Options have been exercised under all stock option plans. Accordingly, as at the date of this Explanatory Memorandum, 4,910,543 Shares remain available for future issuance under the Plan.

The Plan allows the share reserve to be increased on the first day of each fiscal year (1 January) by an amount equal to the lesser of:

- (a) 5% of the aggregate number of Shares reserved under the Plan on the last day of the immediately preceding fiscal year; and
- (b) such number of Shares determined by the Board,

(Annual Increase).

On 1 January 2024, the Current Plan Limit was automatically increased by 1,325,586 Shares to 27,837,307 Shares pursuant to the Annual Increase. The Board resolved on 14 February 2024 to amend section 4.1 of the Plan to further increase the Current Plan Limit by another 5,162,693 Shares to 33,000,000 Shares (**New Plan Limit**) and to make other minor consequential changes to give effect to the amendment, in each case subject to stockholder approval.

The Board seeks to implement the New Plan Limit so that there is a sufficient number of Shares available for issuance under the Plan to make equity awards in the future. The Board believes that it is in the best interests of the Company to increase the size of the available pool to enable offering of awards such as stock options to its employees, officers, directors and contractors so that their interests are aligned with stockholders and they are incentivised to put forth a maximum effort for the success of the Company's business.

Stockholder approval requirement

Section 19.2 of the Plan provides that an increase to the aggregate number of Shares issued or issuable under the Plan (other than the Annual Increase) is not effective without the approval of the Company's

stockholders. Accordingly, stockholder approval is being sought under Item 2 for the purposes of section 19.2 of the Plan.

In addition, ASX Listing Rule 7.1 prohibits, subject to certain exceptions, the Company issuing equity securities which, in aggregate, would exceed 15% of the Company's shares of common stock in any 12 month period. Exception 13 of ASX Listing Rule 7.2 (**Exception 13**) provides that this 15% limit does not apply to the issue of securities by an entity under an employee incentive scheme if the issue of securities under the scheme has been approved by stockholders within three years before the date of issue of the relevant securities.

As mentioned above, the Plan was last approved by stockholders for the purposes of Exception 13 at the 2023 Annual Meeting on 12 May 2023. However, as Exception 13 is only available if there is no change to, among other things, the number of securities to be issued under the Plan, this Item 2 seeks a fresh stockholder approval to give effect to the proposed amendments to the Plan and to approve the issue of securities under the Plan, as amended, for the purpose of Exception 13.

If stockholder approval is obtained for the purpose of Exception 13, the Company will be able to issue securities under the Plan, subject to the New Plan Limit, without those securities counting towards the Company's 15% limit on new issues under ASX Listing Rule 7.1 for a three year period commencing on the date of the Annual Meeting. However, the issue of securities to any of the directors or their associates will still require separate stockholder approval under ASX Listing Rule 10.14.

If approval is not granted, the Company will not have the capacity to issue awards under the Plan, and incentives may need to be paid in cash. Further, the ability to use incentive awards as a retention lever will be lost.

Additional information required by Exception 13

A summary of the key terms of the Plan is set out in Schedule 1 to this Explanatory Memorandum.

The number of equity securities issued under the Plan since the last stockholder approval on 12 May 2023 is 7,279,180 Options and 528,089 shares of Restricted Stock.

Voting Exclusion

The Company will disregard any votes cast in favour of Item 2 by or on behalf of a person who is eligible to participate in the Plan or their associates. However, the Company need not disregard a vote cast in favour of Item 2 if it is cast by:

- a person as proxy or attorney for a person who is entitled to vote on Item 2, in accordance with the directions given to the proxy or attorney; or
- the person chairing the meeting as proxy or attorney for a person who is entitled to vote on Item 2, in accordance with a direction given to the chair to vote on Item 2 as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Item 2; and
 - the holder votes on Item 2 in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' recommendation

The directors unanimously recommend that stockholders vote in favour of this resolution.

Chair's voting intention

The Chair of the Annual Meeting intends to vote all available undirected proxies in favour of this resolution.

Items 3(a) and (b) – Grant of Options to Mr Steve Wedan, Chief Executive Officer of the Company

The Company is proposing to issue to Mr Steve Wedan, the Chief Executive Officer and Chairman, options to purchase Shares (**Options**) under the Plan, both in respect of his long term incentive for the 2024 financial year and as a special one-off Option grant (see further details below).

ASX Listing Rule 10.14 requires the Company to obtain stockholder approval for the issue of Options to directors of the Company under an employee incentive scheme.

Subject to Item 2 being approved, the resolution under:

- (a) Item 3(a) seeks stockholder approval under ASX Listing Rule 10.14 and for all other purposes, for the grant of 1,161,420 Options to Mr Steve Wedan as a long term incentive under the Plan in respect of the 2024 financial year; and
- (b) Item 3(b) seeks stockholder approval under ASX Listing Rule 10.14 and for all other purposes, for the grant of 1,000,000 Options to Mr Steve Wedan as a special one-off grant under the Plan.

Background to Items 3(a) and (b)

The Nomination and Remuneration Committee (**Committee**) develops and adopts (with the assistance of external advisors where appropriate) a remuneration plan for the Company's senior executives each year. The plan makes provision for fixed remuneration, short term incentives and long term incentives. The Committee considers long term incentives to be a valuable part of each executive's remuneration as it encourages retention, development and multi-year performance focus.

The Committee has also recently evaluated the equity holdings of its senior executives, including Mr Wedan, and determined that the senior executive team's Option holdings are low relative to comparable companies of a similar size and status. Accordingly, it was determined that a special grant of Options should be made to the senior executive team to increase their Option holdings to further support the retention of their services and the continued alignment of their interests with that of stockholders.

As is the case with all members of the senior executive team, the Options granted to Mr Wedan will be subject to vesting conditions, which include long-term milestones (performance based). Mr Wedan will only have the right to exercise the Options if the relevant vesting conditions are satisfied.

How many Options are proposed to be issued to Mr Wedan and how was that number determined?

2024 LTI Options

The Company proposes to issue a total of 1,161,420 Options to Mr Wedan as a long term incentive. This number was determined as follows.

Under the 2024 remuneration plan, the Committee determined that Mr Steve Wedan may receive 70% of his cash compensation for the 2024 calendar year (comprising his base annual salary and actual short term incentive paid at the date of this Notice of Meeting) in Options (subject to stockholder approval).

Mr Wedan's total cash compensation for the 2024 financial year is US\$464,900. Accordingly, the value of the Options proposed to be issued to Mr Wedan is US\$325,430 (**LTI Grant Value**).

The number of Options proposed to be issued to Mr Wedan was determined by dividing the LTI Grant Value by the Black-Scholes value of an Option assuming an exercise price per Option equal to the closing sale price of a CDI as of the immediately preceding trading day prior to the Record Date, converted from Australian dollars to U.S. dollars using the prevailing exchange rate. That value was US\$0.2802, meaning the number of Options proposed to be issued to Mr Wedan is 1,161,420 (**2024 LTI Options**).

Notwithstanding this valuation approach, the exercise price of the Options will be determined in accordance with the terms of the Plan, as described below.

2024 Special Grant

The Committee further determined that Mr Steve Wedan should be granted that number of Options that, together with the proposed 2024 LTI Options and all other Options currently held by Mr Wedan, will equate to 2.75% of issued share capital of the Company on a fully diluted basis (assuming stockholder approval of Items 3(a) and (b)). As of the Record Date, this equates to a special grant of 1,000,000 Options (**2024 Special Grant Options**). The Committee considers this to be an appropriately-sized Option holding for the Chief Executive Officer and Chairman.

What are the vesting conditions attached to the 2024 LTI Options and 2024 Special Grant Options?

The vesting schedule of the 2024 LTI Options and 2024 Special Grant Options (together, **2024 Options**) are performance-based.

The vesting conditions of the 2024 LTI Options are set out in the table below:

Percentage of 2024 LTI Options which vest	Vesting Conditions
30%	First sale of products into dedicated iCMR lab in Middle East.
40%	First FDA approval.
30%	First sale of consumable products in US post FDA approval.

The vesting condition of the 2024 Special Grant is set out in the table below:

Percentage of 2024 Special Grant Options which vest	Vesting Conditions
100%	At the end of the first quarter during which the Company generates positive cash flow from operations.

These vesting conditions are clear milestones that contribute dramatically to stockholder value and are based upon the execution of the Company’s strategic plan of expanding geographies. Continued vesting of the 2024 Options is contingent on Mr Wedan’s service with the Company not being terminated.

What are the issue and exercise prices of the 2024 Options?

The 2024 Options will be issued for nil consideration.

The exercise price of the 2024 Options will be equal to the closing sale price of a CDI as of the immediately preceding trading day before the grant date, converted from Australian dollars to U.S. dollars using the prevailing exchange rate. Upon exercise, each 2024 Option will entitle Mr Wedan to one Share.

What happens if Mr Wedan’s employment is terminated?

Vested 2024 Options are exercisable for three months after Mr Wedan’s employment is terminated for any reason other than for cause, death, disability, or retirement. If the termination of service is due to cause (includes fraud, dishonestly and certain criminal activities), then all 2024 Options are immediately terminated and forfeited. If the termination of service is due to death, disability or retirement of Mr Wedan, then the vested 2024 Options will remain exercisable for one year after the date of termination or retirement.

What happens in a change of control?

The Board (or any subcommittee delegated by the Board with authority to administer the Plan) has discretion under the Plan to determine the treatment of the 2024 Options in the event of a change in control of the Company, including to provide that some or all of the 2024 Options are exercisable in full or part, or require the 2024 Options to be surrendered and cancelled for cash payment or shares in the succeeding entity, or a combination of cash and shares.

 - the 2024 Special Grant Options by the Company is US\$287,300 (as at the date of this Notice) using a Black-Scholes option pricing model value.
- (g) Details of any 2024 Options issued to Mr Wedan under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

What happens if stockholder approval is not obtained?

If stockholders do not approve Item 3(a), the grant of the 2024 LTI Options to Mr Wedan will not proceed. Instead, the Company may consider paying Mr Wedan a long term cash bonus up to the LTI Grant Value, subject to the same vesting conditions.

If stockholders do not approve Item 3(b), the grant of the 2024 Special Grant to Mr Wedan will not proceed. Instead, the Company may consider paying Mr Wedan a cash bonus, subject to the same vesting conditions.

Voting Exclusion for Items 3(a) and (b)

The Company will disregard any votes cast in favour of Items 3(a) and (b) by or on behalf of a person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Plan or any of their associates. However, the Company need not disregard a vote cast in favour of Items 3(a) and (b) if it is cast by:

- a person as proxy or attorney for a person who is entitled to vote on the relevant Item, in accordance with the directions given to the proxy or attorney; or
- the person chairing the Annual Meeting as proxy or attorney for a person who is entitled to vote on the relevant Item, in accordance with a direction given to the chair to vote on that Item as the chair decides; or

 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the relevant Item; and
 - the holder votes on that Item in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' recommendation

The directors unanimously (other than Mr Steve Wedan) recommend that stockholders vote in favour of the resolutions under Items 3(a) and (b).

Chair's voting intention

The Chair of the Annual Meeting intends to vote all available undirected proxies in favour of the resolutions under Items 3(a) and (b).

Items 4, 5 and 6 – Grant of Restricted Stock Awards to Mr Peter McGregor, Ms Anita Messal and Mr Mark Tibbles, Non-Executive Directors of the Company

The Company is proposing to issue the non-executive directors of the Company an award of Shares (which will be represented by an equivalent number of CDIs), with such Shares (and CDIs) being subject to certain restrictions on transferability and the risk of forfeiture (**Restricted Stock**), under the Plan.

ASX Listing Rule 10.14 requires the Company to obtain stockholder approval for the issue of Restricted Stock to directors of the Company under an employee incentive scheme. The resolutions under Items 4, 5 and 6 seek stockholder approval under ASX Listing Rule 10.14 and for all other purposes, for the award of Restricted Stock (**Restricted Stock Award**) to each of Mr Peter McGregor, Ms Anita Messal and Mr Mark Tibbles (together, the **Non-Executive Directors**) on the terms explained below.

Background to Items 4, 5 and 6

The Company's operations are still in an early commercialisation stage and it is essential to attract and retain high calibre Non-Executive Directors while closely monitoring cash flow. The Restricted Stock Awards are proposed for the Non-Executive Directors in lieu of a higher cash remuneration in order to preserve the Company's cash, as is common practice in the US.

How much Restricted Stock is proposed to be issued to the Non-Executive Directors and how was that number determined?

The Company is seeking stockholder approval for the following grants of Restricted Stock (which will be represented by an equivalent number of CDIs):

- Mr Peter McGregor, Non-Executive Director – 107,556 Restricted Stock, having a value of US\$40,000 calculated as described below (Item 4);
- Ms Anita Messal, Non-Executive Director – (assuming Item 1 is passed) 100,834 Restricted Stock, having a value of US\$37,500 calculated as described below (Item 5); and
- Mr Tibbles, Non-Executive Director – 107,556 Restricted Stock, having a value of US\$40,000 calculated as described below (Item 6).

For each Non-Executive Director, the number of Restricted Stock proposed to be issued was calculated by dividing the dollar value specified above (**Grant Value**) by the closing sale price of a CDI as of the immediately preceding trading day prior to the Record Date, converted from Australian dollars to U.S. dollars using the prevailing exchange rate. That value was US\$0.3719, which when divided through the Non-Executive Directors' respective Grant Values equals the respective numbers of Restricted Stock specified above.

What are Restricted Stock?

The Restricted Stock are in the same class of securities as regular Shares. The only difference is that the Company will impose a holding lock upon the CDIs representing the Restricted Stock Awards so that the Non-Executive Directors cannot transfer the CDIs until the Restricted Stock Awards vest (at which time, they will cease to constitute Restricted Stock, they will be regular Shares and CDIs).

Restricted Stock are also liable to forfeiture in the circumstances described under "Vesting" and "What happens if a Non-Executive Director's service is terminated?" below.

Vesting

The Restricted Stock will vest over a four year period, with 25% vesting on each anniversary of the grant date.

Upon vesting, the Restricted Stock will no longer be restricted and will therefore no longer constitute Restricted Stock, they will be regular Shares and CDIs.

What happens if a Non-Executive Director's service is terminated?

If a Non-Executive Director's service is terminated, the Non-Executive Director will retain their Restricted Stock to the extent that they have already vested. To the extent Restricted Stock have not vested, the Non-Executive Director will forfeit them for no consideration.

What happens in a change of a control?

The Board (or any subcommittee delegated by the Board with authority to administer the Plan) has discretion under the Plan to determine the treatment of the Restricted Stock Awards in the event of a change in control of the Company, including to provide that the restrictions or vesting applicable to some or all of the Restricted Stock Awards shall lapse in full or in part, require the Shares subject to the Restricted Stock Awards be substituted for shares in the succeeding entity, or require the Restricted Stock Awards to be surrendered and cancelled for cash payment or shares in the succeeding entity, or a combination of cash and shares.

- (e) The material terms of the Plan are summarised at Schedule 1 to this Explanatory Memorandum.
- (f) No Non-Executive Director will receive any loan from the Company in connection with the Restricted Stock Awards.

- (h) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the resolutions in respect of Items 4, 5 and 6 are approved and who are not named in the Notice of Meeting will not participate until stockholders approval is obtained under ASX Listing Rule 10.14.

What happens if stockholder approval is not obtained?

If stockholders do not approve Items 4, 5 or 6, the grant of Restricted Stock under the relevant Item will not proceed. Instead, the Company may evaluate compensating the applicable Non-Executive Director(s) with additional cash fees.

Voting Exclusion for Items 4, 5 and 6

The Company will disregard any votes cast in favour of Items 4, 5 or 6 by or on behalf of a person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Plan or any of their associates. However, the Company need not disregard a vote cast in favour of Items 4, 5 or 6 (as applicable), if it is cast by:

- a person as proxy or attorney for a person who is entitled to vote on the relevant Item in accordance with the directions given to the proxy or attorney; or
- the person chairing the Annual Meeting as proxy or attorney for a person who is entitled to vote on the relevant Item in accordance with a direction given to the chair to vote on that Item as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the relevant Item; and
 - the holder votes on that Item in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' recommendation

The directors unanimously (excluding Mr Peter McGregor, Ms Anita Messal and Mr Mark Tibbles, in respect of their own proposed grant) recommend that stockholders vote in favour of the resolutions under Items 4, 5 and 6.

Chair's voting intention

The Chair of the Annual Meeting intends to vote all available undirected proxies in favour of the resolutions under Items 4, 5 and 6.

Item 7 – Ratification of the appointment of BDO USA, P.C. as independent registered public accounting firm

The Audit and Risk Committee have selected BDO USA, P.C. as the Company's independent registered public accounting firm (**independent auditor**) to audit its financial statements for the fiscal year ending 31 December 2024.

Item 7 seeks stockholder ratification and approval of the appointment of BDO USA, P.C. as the Company's independent auditor because the Company values stockholders' views on the Company's independent auditor even though the ratification is not required by the Company's bylaws or otherwise.

If stockholders fail to ratify and approve the appointment, the Audit and Risk Committee will reconsider whether or not to retain BDO USA, P.C. as the Company's independent auditor or whether to consider the appointment of a different firm. Even if the appointment is ratified and approved, the Audit and Risk Committee in its discretion may direct the appointment of a different independent auditor at any time during the fiscal year ending 31 December 2024.

Directors' recommendation

The directors unanimously recommend that stockholders vote in favour of this resolution.

Chair's voting intention

The Chair of the Annual Meeting intends to vote all available undirected proxies in favour of this resolution.

Item 8 – Approval of 10% Placement Facility

ASX Listing Rule 7.1A enables an eligible entity to issue up to 10% of its issued share capital through placements over a 12-month period after the annual meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of A\$300 million or less. The Company is an eligible entity.

The Company is now seeking stockholder approval by way of a special resolution to have the ability to issue securities under the 10% Placement Facility. The exact number of securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer below).

The directors of the Company believe that this Item 8 is in the best interests of the Company and unanimously recommend that stockholders vote in favour of the resolution.

Description of ASX Listing Rule 7.1A

(a) **Stockholder approval:**

The ability to issue equity securities (such as CDIs) under the 10% Placement Facility is subject to stockholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities:**

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company and must be issued for cash consideration.

(c) **Formula for calculating 10% Placement Facility:**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained stockholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (defined below), a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue at the commencement of the relevant period:

- plus the number of fully paid Shares issued in the relevant period under an exception in ASX Listing Rule 7.2 (other than exception 9, 16 or 17);
- plus the number of fully paid Shares issued in the 12 months on the conversion of convertible securities (including convertible notes and options) within ASX Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- plus the number of fully paid Shares issued in the relevant period under an agreement within ASX Listing Rule 7.2 exception 16 where:

- the agreement was entered into before the commencement of the 12 month period; or
- the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- plus the number of fully paid Shares issued in the relevant period with approval of holders of Shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without stockholder approval. This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1;
- plus the number of partly paid Shares that became fully paid in the relevant period;
- less the number of fully paid Shares cancelled in the relevant period.

Note, that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where this issue or agreement has not subsequently been approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

relevant period means

- (i) the 12 month period immediately preceding the date of issue or agreement; or
- (ii) in respect of an issue or agreement entered into within 12 months of the entity being admitted to the official list, the period from the date the entity was admitted to the official list, to the date immediately preceding the date of the issue or agreement.

(d) **ASX Listing Rule 7.1 and ASX Listing Rule 7.1A:**

If passed, Item 8 will allow the Board to issue up to an additional 10% of the Company's issued capital during the 10% Placement Period. This is in addition to the Company's 15% annual placement capacity under ASX Listing Rule 7.1.

The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section (c) above).

At the date of this Notice of Meeting, the Company has 188,173,265 shares on issue. At present, the Company has a capacity to issue:

- (i) 27,653,174 equity securities under ASX Listing Rule 7.1; and
- (ii) 18,187,806 equity securities under ASX Listing Rule 7.1A.

(e) **Minimum Issue Price:**

The equity securities issued under ASX Listing Rule 7.1A must be issued for cash consideration per security which is not less than 75% of the volume weighted average market price of equity securities in the same class calculated over the 15 trading days on which trades in the relevant class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed by the entity and the recipient; or

- (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

(f) **10% Placement Period:**

Stockholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the next annual general meeting, if less than 12 months; or
- (iii) the time and date of the approval by stockholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX,

(10% Placement Period).

(g) **Special resolution:**

Item 8 is a special resolution and therefore requires approval of 75% of the votes cast by stockholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate stockholder, by a corporate representative).

Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Company will only issue and allot the equity securities during the 10% Placement Period.
- (b) The equity securities will be issued by the Company for cash consideration at an issue price of not less than 75% of the volume weighted average market price for the equity securities over the 15 trading days on which trades in the relevant class were recorded immediately before:
 - (i) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient; or
 - (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- (c) If Item 8 is approved by stockholders and the Company issues equity securities under the 10% Placement Facility, the existing stockholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:
 - (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date stockholders provide their approval at the Annual Meeting; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the dilution of existing stockholders and CDI holders on the basis of an indicative market price of CDIs of A\$0.565 and the current number of CDIs for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The table also shows:

- (iii) two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of CDIs the Company has on issue (188,173,265). The number of CDIs on issue may increase as a result of issues of ordinary securities that do not require stockholder approval (for example, a pro rata entitlements issue) or future specific placements under ASX Listing Rule 7.1 that are approved at a future stockholders’ meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable A in ASX Listing Rule 7.1.A.2		Dilution		
		A\$0.28 50% decrease in Issue Price	A\$0.565 Issue Price	A\$1.13 100% increase in Issue Price
Current Variable A 188,173,265	10% Voting Dilution	18,817,326	18,817,326	18,817,326
	Funds Raised	A\$5,268,851	A\$10,631,789	A\$21,263,578
50% increase in current Variable A 282,259,898	10% Voting Dilution	28,225,989	28,225,989	28,225,989
	Funds Raised	A\$7,903,276	A\$15,947,683	A\$31,895,367
100% increase in current Variable A 376,346,530	10% Voting Dilution	37,634,653	37,634,653	37,634,653
	Funds Raised	A\$10,537,702	A\$21,263,578	A\$42,527,157

The table has been prepared on the following assumptions:

- There are 188,173,265 CDIs on issue, being the number of CDIs on issue as at 25 March 2024.
- The issue price is A\$0.565, being the closing price of the CDIs on ASX on 25 March 2024.
- The Company issues (as CDIs) the maximum number of equity securities available under the 10% Placement Facility.
- None of the unlisted Options that the Company currently has on issue (or will issue if Items 3(a) and (b) of this Notice of Meeting is carried) are exercised into Shares before the date of the issue of the equity securities under ASX Listing Rule 7.1A.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular stockholder by reason of placements under the 10% Placement Facility, based on that stockholder’s holding at the date of the Annual Meeting.

- The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
 - The issue of equity securities under the 10% Placement Facility consists only of CDIs.
- (d) The Company may seek to issue the equity securities for the purpose of raising funds to use towards general working capital requirements, ongoing business development activities and/or the acquisition of new business assets or investments (including expenses associated with such acquisition).
- (e) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing stockholders can participate;
- (ii) the effect the issue of the equity securities might have on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing stockholders and/or new stockholders who are not related parties or associates of a related party of the Company.

- (f) The Company obtained stockholder approval under ASX Listing Rule 7.1A at last year's Annual Meeting held on 12 May 2023 (Sydney time). In the 12 months preceding the date of this Annual Meeting, the Company issued a total number of 15,187,571 equity securities under Listing Rule 7.1A.2, which represented 10% of the total number of equity securities on issue at the commencement of that 12 month period. Certain of these issuances were ratified by stockholders at a special meeting on 19 March 2024.

Details of the issues of equity securities by the Company are set out in the table below.

Note: All of the funds raised as discussed above have been applied to support the Company's clinical and regulatory development, including the VISABL-VT and VISABL-AFL trials, sales and marketing spend to support geographical expansion, the offer costs and other working capital requirements.

- (g) At the time of dispatching this Notice of Meeting, the Company is not proposing to make an issue of equity securities under ASX Listing Rule 7.1A.2. Accordingly, a voting exclusion statement has not been included in this Notice of Meeting.

Consequences if Item 8 is not passed

If Item 8 is not passed, the Company will not be able to access the additional 10% Placement Capacity and will remain subject to the 15% limit on issuing equity securities without securityholder approval under ASX Listing Rule 7.1

The Plan is administered by the Board or any subcommittee delegated by the Board with authority to administer the Plan (**Committee**).

3 Eligibility

All officers, executives, employees, directors and consultants of the Company and its subsidiaries who, the Committee determines have contributed, are contributing or are expected to contribute to the achievement of the objectives of the Company or its subsidiaries, are eligible to participate in the Plan at the invitation and discretion of the Committee.

4 Term of Plan

The Plan will expire by its terms ten years after the date of adoption. No Award shall be granted after such date.

Awards outstanding upon termination or expiry of the Plan will remain outstanding in accordance with their terms and the terms of the Plan.

5 Share Reserve

At the Company’s 2023 annual meeting of stockholders, approval was given to increase the total number of Shares reserved for issuance under the Plan (**Share Reserve**) to 26,511,721 Shares.

The Share Reserve may be increased on the first day of each fiscal year (1 January) by an amount equal to the lesser of:

- (a) 5% of the aggregate number of Shares available for issuance under the Plan on the last day of the immediately preceding fiscal year, and
- (b) an amount determined by the Board.

Accordingly, the Share Reserve is currently 27,837,307 Shares. The available reserve under the Plan is 4,910,543 Shares. If Item 2 is approved, then the new Share Reserve will be 33,000,000 Shares.

- (c) Restricted Stock Award (an award of Shares that is subject to the restrictions on transferability and the risk of forfeiture);
- (d) Restricted Stock Unit (an award denominated in Shares that is subject to the restrictions on transferability and the risk of forfeiture. Restricted Stock Units are similar to Restricted Stock Awards except that no Shares are actually awarded on the grant date);
- (e) Deferred Stock Unit (a right to receive Shares the equivalent value in cash or other property at a future time);

7 Options

An eligible recipient may be granted one or more Options under the Plan on such terms and conditions as may be determined by the Committee in its sole discretion. Each Option grant will be evidenced by an Award Agreement which will specify the exercise price, maximum duration, and vesting conditions of the Options and the number of Shares to which the Options pertain.

An Option will become exercisable at such times and upon such terms and conditions as may be determined by the Committee in its sole discretion at the time of grant, including:

- (a) the achievement of one or more of the performance goals; or
- (b) that the participant remains in the continuous employment or service with the Company or a subsidiary for a certain period.

The exercise price of an Option must not be less than 100% of the Fair Market Value of one Share on the date of grant. If incentive Options are granted to persons owning more than 10% of the voting stock of the Company, the exercise price will not be less than 110% of the Fair Market Value of the Company's common stock at the time of grant.

No Option may be exercisable after 10 years after the grant date.

A holder of an Option cannot participate in any new issues of securities to stockholders of the Company (including a bonus issue or pro-rata issue) without first exercising the Option before the record date for the relevant issue.

8 Stock Appreciation Rights

An eligible recipient may be granted one or more Stock Appreciation Rights under the Plan, on such terms and conditions, as may be determined by the Committee in its sole discretion. Each Stock Appreciation Right will be evidenced by an Award Agreement which will specify the grant price and the term of the Stock Appreciation Right.

The grant price of a Stock Appreciation Right must not be less than 100% of the Fair Market Value of one Share on the date of grant.

No Stock Appreciation Right may be exercisable after 10 years after the grant date.

10 Performance Awards

An eligible recipient may be granted one or more Performance Awards under the Plan, on such terms and conditions, as may be determined by the Committee in its sole discretion. Each Performance Award will be evidenced by an Award Agreement which will specify the performance goals upon which the Performance Award is subject and the amount of cash or Shares which will be received upon the achievement of any performance goals.

13 Effect of Termination of employment or service

13.1 Termination for cause

If a participant's service or employment is terminated due to cause (includes fraud, dishonestly and certain criminal activities) then:

- (b) all other outstanding Awards to the extent not vested,

- (b) all outstanding unvested Options, Stock Appreciation Rights and Restricted Stock Awards are immediately terminated and forfeited; and
- (c) all other outstanding Awards to the extent not vested are immediately terminated and forfeited. However, the Committee may determine that an amount is payable (in cash or Shares) where the participant has achieved a performance goal after the conclusion of a portion of the performance period (being not less than 1 year).

13.3 Termination other than for cause of due to death, disability or retirement

If a participant's employment or service is terminated for any reason other than for cause or death or disability or, in the case of an employee, retirement:

- (b) all outstanding unvested Options, Stock Appreciation Rights and Restricted Stock Awards are immediately terminated and forfeited; and
- (c) all outstanding unvested Restricted Stock Units, Performance Awards, and Other Stock-Based Awards are terminated and forfeited. However, the Committee may determine that an amount is payable (in cash or Shares) where the participant has achieved a performance goal after the conclusion of a portion of the performance period (being not less than 1 year).

14 Restrictions on Transfer

A participant who has been granted an Award generally cannot sell, assign, transfer or otherwise dispose of the Award prior to the exercise, vesting or settlement of such Award. In the event of the death of a participant, the rights to the Award may be transferred to a beneficiary designated by the participant or to the participant's legal representatives, heirs and legatees. The Committee may permit a participant who has been granted a non-statutory stock option to sell, assign, transfer or otherwise dispose of the non-statutory stock option to an associate (e.g. a family member) on such terms and conditions as it may determine. Any such transferee will remain subject to the terms and conditions applicable to the participant prior to the transfer.

The Committee may impose such restrictions on any Shares acquired by a participant under the Plan as it deems advisable including minimum holding period requirements and restrictions under applicable US and foreign securities law or under the requirements of the ASX.

15 Adjustments to Shares and Awards

In the event of any reorganisation, merger, consolidation, stock split or other change in corporate structure of Shares in the Company, the Committee will make appropriate adjustment or substitutions as to:

- (a) the number and kind of securities or other property (including cash) available for issuance or payment under the Plan, and
- (b) the number and kind of securities or other property (including cash) subject to outstanding Awards and the exercise price of outstanding Awards in order to prevent dilution or enlargement of the rights of Participants.

If the Company undergoes any merger, consolidation, acquisition of property or stock, or reorganisation, then, without affecting the number of Shares reserved or available under the Plan, the Committee may authorise the issuance or assumption of Awards upon such terms and conditions as it may deem appropriate.

In the event the Company reorganises its capital in any way, the rights of participants with respect to any Options will be changed to the extent necessary to comply with the ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

The Committee has discretion to determine the treatment of the outstanding Awards in the event of a change in control of the Company, including to provide that some or all Options are exercisable in full or part, or require some or all outstanding Awards to be surrendered and

cancelled for cash payment or shares in the succeeding entity, or a combination of cash and shares.

16 Committee's discretion and powers

The Committee has full and exclusive discretionary authority to take such actions as it deems necessary and advisable with the respect to the administration of the Plan including:

- (a) to designate the eligible recipients to be selected as participants;
- (b) to determine the nature, extent and terms of any Awards;
- (c) to construe and interpret the Plan and Awards granted under it; and
- (d) to delegate some or all of its authority under the Plan.

The validity, construction, and effect of the Plan is determined in accordance with the laws of the State of Delaware.

17 Amendment, modification or termination

The Board at any time may suspend or terminate the Plan (or any portion thereof) or terminate any outstanding Award Agreement and the Committee, at any time and from time to time, may, subject to applicable law, amend the Plan or amend or modify the terms of an outstanding Award.

However, no termination, suspension or amendment may be made which adversely effects an outstanding Award without the participant's consent.
