About Credit Clear

Credit Clear Limited is an Australian technology company that has developed a digital billing and communication platform that helps organisations drive smarter, faster, and more efficient financial outcomes by changing the way customers manage their re-payments through a user experience that the market demands in a digital age, powered by award winning artificial intelligence.

Credit Clear manages customer accounts across a range of industries including transport, financial services, insurance, government, and utilities. The Company is based in Australia with headquarters Sydney and offices in Melbourne, Brisbane, Adelaide, and Perth.
