Important Notice

This presentation has been prepared by Vista Group International Limited and its related companies (collectively referred to as Vista Group). This notice applies to this presentation and the verbal or written comments of any persons presenting it.

Information in this presentation:

- is provided for general information purposes only, does not purport to be complete
 or comprehensive, and is not an offer or invitation or subscription or purchase of,
 or solicitation of an offer to buy or subscribe for, financial products in Vista Group;
- does not constitute a recommendation or investment or any other type of advice and may not be relied upon in connection with any purchase or sale of financial products in Vista Group. The presentation is not intended as investment, legal, tax, financial advice or recommendation to any person. Independent professional advice should be obtained prior to making any investment or financial decisions;
- should be read in conjunction with, and is subject to, Vista Group's financial statements, market releases and information available on Vista Group's website (vistagroup.co.nz) and on NZX Limited's website (nzx.com) under ticker code VGL:
- may contain forward-looking statements about Vista Group and the environments in which it operates. Forward-looking statements can include words such as "expect", "intend", "believe", "continue" or similar words in connection with discussions of future operating or financial performance or conditions. Such forward-looking statements are based on significant assumptions and subjective judgements which are inherently subject to risks, uncertainties and contingencies outside of Vista Group's control;

- although Vista Group's management may indicate and believe the assumptions
 underlying the forward-looking statements are reasonable, any assumptions could
 prove inaccurate or incorrect and, therefore, there can be no assurance that the
 results contemplated in the statements will be realised. Vista Group's actual
 results or performance may differ materially from any such forward looking
 statements; and
- may include statements relating to the past performance of Vista Group, which are not, and should not be regarded as, a reliable indicator of future performance.

While all reasonable care has been taken in compiling this presentation, Vista Group, and their respective directors, employees, agents and advisers accept no responsibility for any errors or omissions. Neither Vista Group or any of its respective directors, employees, agents or advisers makes any representation or warranty, express or implied, as to the accuracy or completeness of the information in this presentation or as to the existence, substance or materiality of any information omitted from this presentation. No person is under any obligation to update this presentation at any time after its release.

Unless otherwise stated, all information in this presentation is expressed at the date of this presentation and all currency amounts are in NZ dollars.

The business case for investing in Vista Group

A world leader in film and cinema technology

¹ Percentage of the world market for Cinema Exhibition Companies with 20+ screens, excluding China and India.

² ARR is Annualised Recurring Revenue, calculated as trailing 3 month Recurring Revenue multiplied by four.

³ Free Cash Flow is a non-GAAP measure which is calculated using the net movement in cash held, less cash applied to business acquisitions / earn-outs, and less cash used to settle exceptional items included within "other gains and losses" (see section 2.3 of the 2023 Annual Report).

⁴ EBITDA is a non-GAAP measure and is defined as earnings before net finance costs, income tax, depreciation, amortisation, "other gains and losses" (see section 2.3 of the 2023 Annual Report) and share of equity accounted results from associates.

What does Vista Group do?

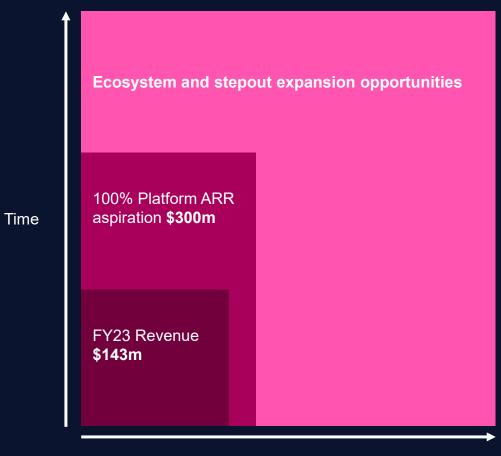

- 46% market share¹
- \$US15b+ GTV²
- Mission critical technology
- Growing film segment
