ASX Announcement

3 June 2024

Service Stream Awarded Contracts Update

Leading essential network services company Service Stream Limited (ASX: SSM) is pleased to announce that it has recently secured multi-year agreements supporting critical infrastructure across the utility and transport sectors, with a combined value of approximately \$600m million over their respective terms.

Yarra Valley Water Reliability

Service Stream has secured a new agreement with Yarra Valley Water, Melbourne's largest retail water utility, to provide specialist condition assessments, replacement, and rehabilitation services across their extensive network of water and sewer assets servicing Melbourne's northern and eastern suburbs. The agreement has been secured under an initial 9-year term with an ability for a further three-year extension, over which time the business will manage the rehabilitation of 50km of sewer and water infrastructure per annum.

Victorian Road Maintenance Contract

The Company has expanded its relationship with Victoria's Department of Transport and Planning having been awarded a new long-term asset maintenance agreement. Under the contract, Service Stream will provide routine and planned road maintenance as well emergency response across 4,213 lane kilometers of road and 1,034 structures across Melbourne's southern suburbs. The initial term of the agreement is 4 years, with a further two two-year extension options.

Managing Director, Leigh Mackender said: *"Service Stream is very pleased to have secured these long-term agreements and looks forward to continuing to partner with our valued clients as we support their critical infrastructure networks around the Country."*

In alignment with the Group's strategy, these agreements further bolster the Group's operation and maintenance portfolio with additional annuity-style revenues, strengthen Service Stream's secured work in hand profile and support long-term employment opportunities for the local communities."
