DIVERSIFIED OPERATIONS

Findi specialises in bespoke ATM deployment & managed services, and digital payments & banking solutions. Our comprehensive offering caters for large financial institutions, small businesses, and individuals seeking fast & secure cash access and digital transactions...

Findi's traditional ATM Solutions division has market leading efficiency, catering to Indian's current preference for cash transactions. This provides substantial cash flow to fund FindiPay's digital platform development.

The WLA strategy aims to leverage the National Mission for Financial Inclusion (NRFI) objective, de-risking the business model and creating valuable cross-selling opportunities for FindiPay.

Through its comprehensive offerings, FindiPay is well-placed to play a pivotal role in India's transition into digital banking over the next 5-10 years, further driving financial inclusivity and reshaping the financial landscape.

ATM SOLUTIONS (ATMs)

Operates in a deep & robust market in India:

- population surpassed 1.4 billion in 2023, with 23% of adults currently 'unbanked'; and
- a strong preference for cash transactions.

The business unit offers:

- ATM deployment & management to large financial institutions; and
- back-end services to WLA providers.

ATMS generates positive cash flows:

- strategic growth initiatives fully funded;
- fuel growth of FindiPay, our digital payments & banking solutions business.

FINDIPAY

Fast growing digital payments & banking solutions:

- supporting India's transition towards financial inclusivity; and
- capitalising on the growth and shift towards digital payments over the next five years.

We offer a range of innovative technology-driven solutions designed to:

- facilitate fast & secure digital transactions; and
- re-define the way people in India view the financial services sector.

FindiPay is projected to experience rapid top-line growth as a result of our strategic growth initiatives, merchant acquisition strategy and robust market dynamics.

INVESTMENT THEMES

Findi possesses several compelling investment fundamentals that can be leveraged to drive sustainable & cash flow accretive earnings. Key drivers include growing our ATM portfolio, as well as strategic expansion & innovation within the White Label ATM, digital payments & banking markets...

ROBUST MARKET OPPORTUNITIES

We support payment services for one of the world's largest developing markets where cash continues to represent a significant proportion of transactions. As the country increases its use of digital banking it still retains a strong preference for cash.

DIVERSIFIED OPERATIONS

Findi specialises in the provision of bespoke ATM deployment & manages services as well as digital payments & banking solutions servicing large financial institutions, small businesses and individuals.

CLEARLY DEFINED GROWTH STRATEGY

A dynamic growth strategy seeks to build our ATM portfolio, expand FindiPay offerings, and leverage our WLA strategy to create valuable cross-selling opportunities whilst continuing to assess acquisition opportunities.

SIGNIFICANT PIPELINE OF OPPORTUNITIES

We currently have a contract pipeline totalling 7.4k ATMs, with ~4k organic deployment of ATMs expected during FY25.

We expect our pipeline to expand amidst the ongoing consolidation within the ATM market.

SCALE AND LEADING POSITION

Strategically positioned across 30+ States and Union Territories in Pan India and supported by over 500 employees servicing over 49,000 locations, including ~21,000 ATMs.

EXPANDING CUSTOMER BASE

With 350m unbanked adults and 1bn+ transactions processed in FY23, our objective is to attract >7m daily customers and deliver substantial growth in transaction volume by FY25, as we support customers' transition into the banking system.

EXPERIENCED MANAGEMENT TEAM

Findi is led by a seasoned executive team in India supported by an active Board of Directors who together have delivered strong growth since the transaction settlement in January 2022.

MEDIUM-TERM RE-RATE OPPORTUNITY

Listed comparable companies on the ASX, BSE & NSEI trade at an average EBITDA multiple of 28.1x.

A medium-term re-rate opportunity is evident as Findi currently trades at an EBITDA multiple of 4.0x.

FREE CASH FLOW to EQUITY

FREE CASH FLOW HIGHLIGHTS

- Findi achieved FCFE of \$22.2M in FY24, following \$6.6M of capital expenditure to complete the CBI ATM roll-out.
- Findi's strong financial position will enable the company to pursue its key FY25 strategic group initiatives, including acquisitions, WLA rollout and expansion of its FindiPay footprint.
- Findi is well positioned to further contemplate earnings-accretive acquisition opportunities as a consolidator in the ATM space and to ramp its FindiPay business.

ATM SOLUTIONS

Findi's WLA strategy aims to create valuable cross-selling opportunities by packaging and co-locating its ATM solution and FindiPay services

BROWN LABEL ATM (BLA) OPERATIONS

- 10-year agreement with SBI to generate up to \$620M revenue, through the deployment +4,200 ATMs.
- 5-year agreement with CBI to rollout 2,550 ATMs to December 2027, with an option to add a further 625 under contract.
- India is predominantly a cash-based economy with an unbanked population of +350M (~25% of total population).
- BLA's remain a large and enduring market opportunity for growth and acquisitions, due to Findi's comparative low cost base, making it a natural consolidator.

WHITE LABEL ATM (WLA) OPERATIONS

- TSI India granted in principle authorisation to establish, own and operate WLA's by the Reserve Bank of India (**RBI**).
- The WLA licence allows Findi to franchise ATMs to merchants, enhancing their value proposition by bundling ATMs and FindiPay services.
- ~4,000 more WLA's will join the network via redeployed Findi-branded ATMs from the SBI contract, requiring minimal additional capital expenditure.
- Findi is well advanced in further earnings-accretive inorganic growth opportunities, driving continued consolidation in ATM solutions.

INDIAN INTERCHANGE RATE

- Anticipated Indian interchange rate increase in FY25 from 17 Rupees, expected to directly positively impact bottom line.

(1) License granted subject to successful SAR governance audit within six months from date of authorisation

DIGITAL GROWTH SEGMENT

FindiPay's merchant acquisition strategy is progressing strongly, surpassing 28,111 merchants in FY24, and targeting 60,000 by the end of FY25. The issuance of the new WLA licence will further expand FindiPay's reach, by offering co-located ATMs as part of a financial services hub to the underbanked of India...

'Circular' ecosystem between cash & digital economies

B2C market offering will transform Findi into a **full-service finance hub**

FINDIPAY

FindiPay provides merchants with a retail financial hub and digital pipeline integrating payment services

DIGITAL BANKING SOLUTIONS

- FindiPay integrates retail outlets into its network, incorporating their merchant offering into its digital payments platform to facilitate transactions.
- Merchants partnering with Findi's WLA's will foster a financial ecosystem by:
 - **creating a 'circular' ecosystem**, connecting the cash economy (via ATMs) and digital economy (via FindiPay) across India; *and*
 - **developing Findi's B2C market strategy**, by capturing WLA customers.

B2C SOLUTIONS

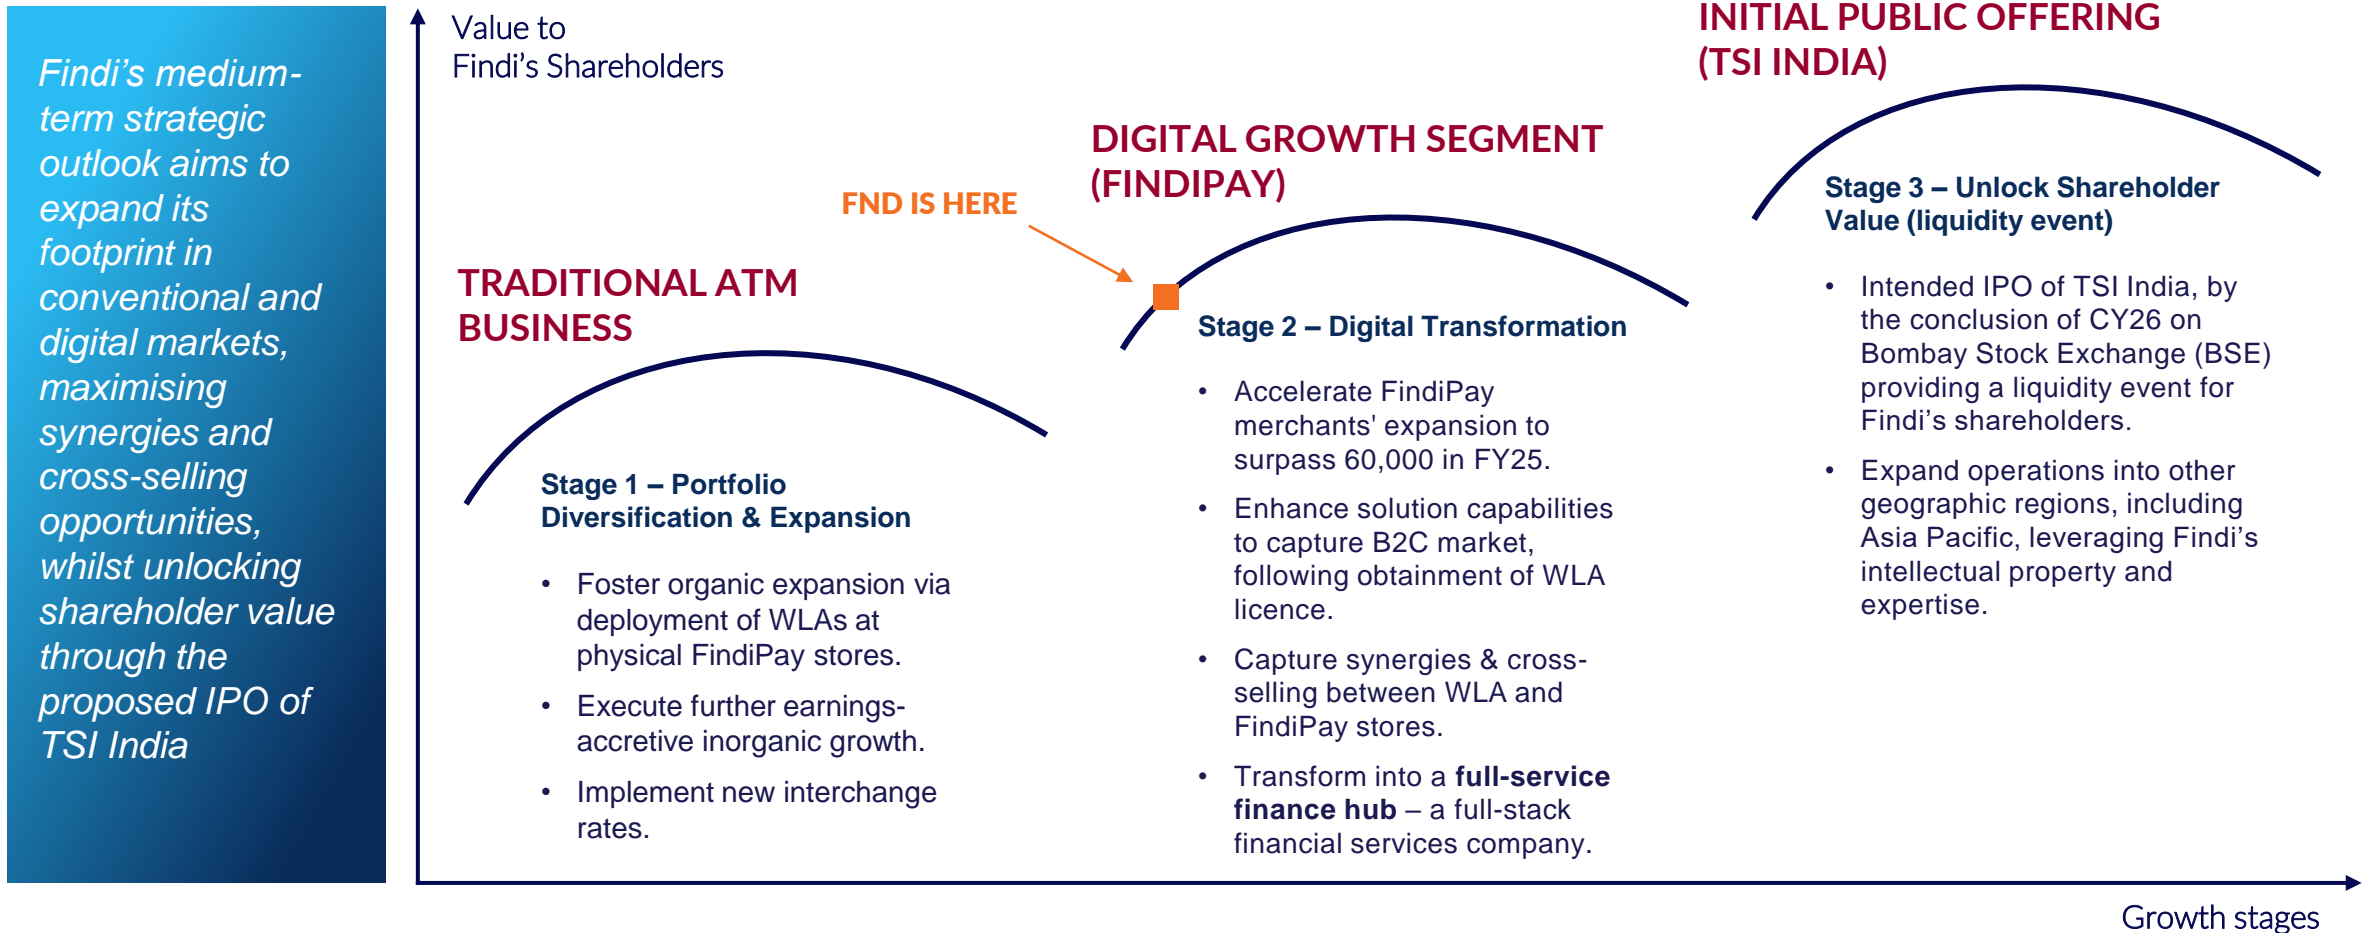

- Findi aims to transform into a full-service finance hub – a full-stack financial services company, integrating the facilitation of physical cash movements via ATMs and digital payments via FindiPay. Offerings include:
 - money transfers, account openings, bill payments, wealth management, pensions, insurance, lending, loan applications, government and FX services.
- As Findi's ecosystem grows, it will become a complete B2C financial services provider, prioritising faster and more efficient payment solutions.
- This transition to consumer-oriented technology diverges from a solely merchant-centric approach.

DIGITAL PAYMENTS GROWTH

- The growing adoption of digital payments by India's digitally literate youth, paired with the large number of under/unbanked Indian population, creates significant opportunities for digital service providers.
- Government / RBI policies promoting digital payments and fintech innovations are driving demand for faster payment methods.

STRATEGIC HORIZON

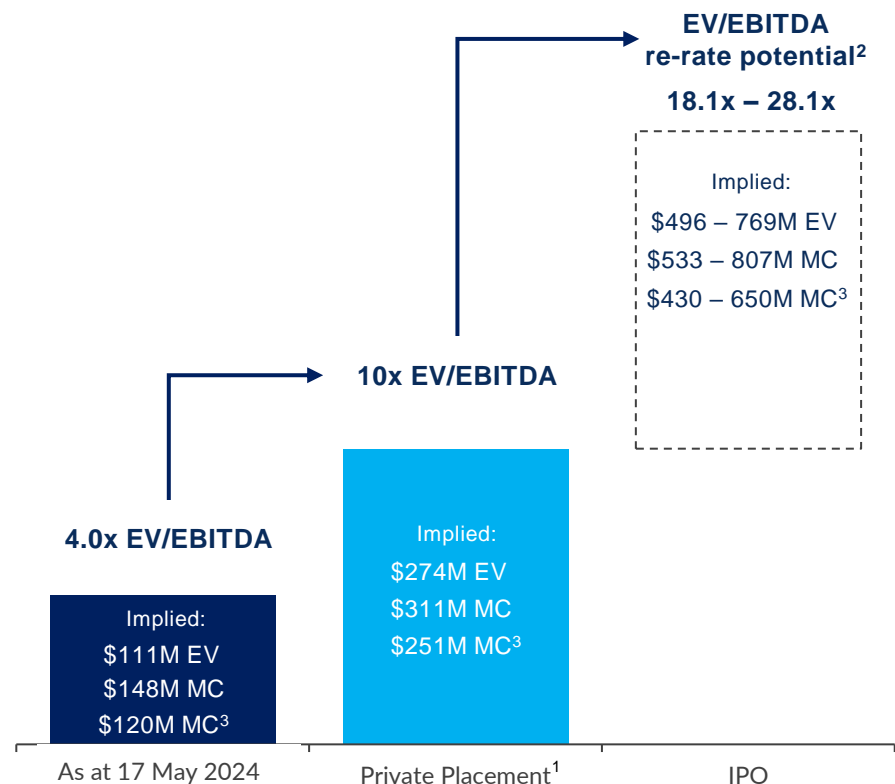

Findi is positioned to bolster the evolving digital banking, payments and financial services landscape in India through its WLA strategy and flagship platform, FindiPay. This digitalisation drive aims to capture a greater proportion of the financial services ecosystem, supporting sustained and sustainable growth while unlocking shareholder value through the proposed TSI India IPO...

UNLOCKING VALUE AND LIQUIDITY VIA POTENTIAL IPO

The proposed listing of Findi subsidiary, TSI India on Bombay Stock Exchange (BSE) will provide a liquidity event for Findi's shareholders through a compulsory sell-down as part of the IPO process...

IMPLIED MARKET CAPITALISATION & UPSIDE POTENTIAL

TSI INDIA IPO / LIQUIDITY EVENT

- TSI India's intended IPO on the BSE provides liquidity for Findi shareholders.
- Indian IPOs must allocate a minimum 35% of the issue for RRI⁴, requiring a sell-down.
- Australian investors can continue to diversify portfolios and access the growing Indian fintech market via listed investments.

SIGNIFICANT FURTHER RE-RATE POSSIBLE

- Findi experienced a partial re-rating and transitioning further, following recent share price appreciation.
- Findi trades at a trailing EBITDA multiple of 4.0x, a deep discount to the average multiple of 28.1x for comparable companies.

TSI India intended IPO by the end of CY26
