Dear Madam,

**Request for trading halt – Quantum Graphite Limited (ASX:QGL)**

As foreshadowed in the Quantum Graphite Limited's (ASX: QGL) (the Company) announcement on 4 July 2024 regarding the applications for Letters of Interest to the US EXIM Bank, the Company has received correspondence in connection with the applications.

In light of the scope of the matters covered in the correspondence the Board will carefully consider its response and expects to inform the market as soon as the Company has concluded its deliberations. This is an important development in the funding of the Company's project and the broader development of a comprehensive Western Hemisphere flake graphite supply chain.

In accordance with ASX Listing Rule 17.1, the Company requests that its securities be placed into an immediate trading halt pending an announcement in relation to the correspondence. The announcement is expected to be released prior to market open on Thursday, 18 July 2024, and the trading halt should then be able to be lifted.

The Company is not aware of any reason why the trading halt should not be granted.

The Company consents to this letter being released to the market.

Yours Faithfully

Rochelle Pattison  
Company Secretary
