Transaction Overview

Integral Diagnostics Limited (ASX:IDX) (**Integral**) is pleased to announce that, following the successful completion of mutual confirmatory due diligence, it has entered into a merger implementation deed (**Merger Implementation Deed**) in relation to the previously announced merger with Capitol Health Limited (ASX:CAJ) (**Capitol**) by way of scheme of arrangement (the **Merger**).

Consistent with the Merger Process Deed announced on 17 June 2024, Capitol shareholders will receive 0.12849 Integral shares per Capitol share (**Merger Ratio**). Following the Merger, Integral shareholders will own c. 63%, and Capitol shareholders will own c. 37% of the combined group.³

Based on Integral's closing share price as at 14 June 2024, the last trading day prior to the announcement of the Merger Process Deed, the Merger Ratio implied a value of \$0.3264 per Capitol share and an enterprise value of c. \$413 million for Capitol, representing an EV / FY25F EBITDA multiple of 8.1x (including pro forma anticipated annual pre-tax net cost synergies) and 10.0x (before synergies).⁴

¹ Analysis on a pro forma basis assuming the full impact of the Merger and anticipated annual pre-tax net cost synergies for the full FY25 year

² In the absence of a superior proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Merger is in the best interests of Capitol shareholders

³ Based on 234.0 million Integral shares on issue (on an undiluted basis) and 1,074.4 million Capitol shares on issue (on a fully diluted basis, excluding out-of-the-money or unvested options)

⁴ Refer to footnotes 3-5 of Integral's announcement of the proposed Merger on 17 June 2024

Capitol's Board have unanimously recommended that Capitol shareholders vote in favour of the Merger, in the absence of a superior proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Merger is in the best interests of Capitol shareholders. Subject to these qualifications, each Capitol Director has confirmed that they intend to vote any shares that they hold or control in favour of the Merger.

Dr. Ian Kadish, MD and CEO of Integral, said: "Entering into a Merger Implementation Deed is a significant milestone for both Integral and Capitol. The Merger will bring together Australia's only listed pure-play diagnostic imaging providers to create a stronger, better-capitalised combined company and one of the largest players in ANZ diagnostic imaging. We believe the clinical, strategic and financial benefits of the transaction will be significant for all of our stakeholders, including our combined patients, doctors and shareholders. The combined company will have the financial and clinical scale to play a pivotal role in the ongoing transformation of our industry."

"We look forward to working collaboratively with the Capitol team as we continue to drive our ambition of being the leading diagnostic imaging player in the ANZ region."

Attractive strategic rationale and financial benefits

The completion of mutual confirmatory due diligence has affirmed the significant strategic and financial benefits of the Merger, including:

Significantly enhanced scale

- Combination of two highly complementary footprints into a more geographically diversified portfolio
- Combined group will have a materially greater financial profile, with combined FY23 revenue and EBITDA (on a pro forma basis) of approximately \$651 million and \$93 million respectively⁵
- Nationwide footprint of 155 clinics supported by more than 350⁶ radiologists and c. 3,000 employees

Platform to drive best-in-class clinical outcomes for patients, doctors and referrers

- Deep clinical expertise across a wider network, promoting sub-specialty reporting and peer review opportunities to ensure the highest service quality
- Deploy Integral's advanced AI-enabled clinical technology, driving doctor productivity gains, enhancing detection capabilities and reducing turnaround times for patients whose lives depend on it
- Advanced clinical governance framework and increased training, fellowship and research opportunities for radiologists

Financially attractive opportunity

- Confirmatory due diligence has reaffirmed at least \$10 million of anticipated annual pre-tax net cost synergies, with the majority of synergies to be realised within the first year post completion⁷
- Including the pro forma impact of anticipated annual pre-tax net cost synergies, the Merger is expected to deliver double-digit pro forma EPS accretion to Integral shareholders in FY25¹
- Additional upside from potential administrative and revenue synergies over time including doctor productivity improvements, additional national contracts, cross-referral of specialist radiology services and radiologist staffing benefits

⁵ EBITDA on a pre-AASB 16 basis (excluding synergies)

⁶ Including contractor radiologists

⁷ All pre-tax net cost synergies expected to be achieved by at least the end of year 2 post-completion (on an annualised basis)

Well-positioned for future growth

- Improved ability to invest in costly higher-end imaging modalities, including MRI and PET/CT
- Opportunity to grow teleradiology volumes by offering Integral's leading platform, IDXt, to Capitol radiologists
- Achieved radiologist alignment to drive sustained long-term earnings growth
- Pro forma leverage of c. 2.6x (including the impact of transaction and integration costs, accelerated Capitol JV Liabilities (see below) and pro forma anticipated annual pre-tax net cost synergies)⁸
 - Leverage expected to continue trending downwards, supported by continued underlying earnings growth and cash flows of the combined group
- Strong financial position to pursue further value-accretive investments, including M&A

Transaction, integration and accelerated Capitol JV liability costs

Integral and Capitol expect total post-tax one-off costs of approximately \$45 million in relation to the Merger.

Included in the total one-off costs are transaction costs for both Integral and Capitol, as well as one-off costs required to integrate the two businesses and realise synergies, which are expected to total approximately \$25 million. Total costs are expected to be incurred over the first two years post-implementation, with the majority incurred in the first year.

In addition, due diligence has confirmed that the Merger will accelerate payments under certain of Capitol's joint venture agreements (**JV Liabilities**). The total one-off costs associated with these JV Liabilities is expected to be up to c. \$19.5 million, payable upon completion of the Merger.

To ensure alignment, Integral has put in place long-term incentive arrangements linked to future earnings growth.

Board and management arrangements

The combined group will benefit from a highly experienced Board and senior executive team.

Two independent directors from Capitol will join the Integral Board as non-executive directors following implementation of the Merger.

Dr. Ian Kadish will be Managing Director and CEO of the combined group. Justin Walter, MD and CEO of Capitol, will move into the transitional role of Chief Integration Officer, whereby he will be tasked with leading a cross-functional Project Management Team (with managers from both Integral and Capitol) to drive the successful integration of the two businesses.

⁸ Based on Integral and Capitol median broker consensus pre-AASB 16 net debt as at 30 June 2024 of \$201.6 million and \$62.2 million respectively, Integral and Capitol pre-AASB 16 median broker consensus FY24F EBITDA as at 14 June 2024 of \$73.4 million and \$35.0 million respectively (which includes a \$19.3 million AASB 16 adjustment to Integral's EBITDA based on FY23A impact and \$13.9 million AASB 16 adjustment to Capitol's EBITDA), \$10 million of pro forma anticipated pre-tax net cost synergies and one-off transaction, integration and JV Liabilities of \$45 million. Refer to footnotes 5 and 11 of Integral's announcement of the proposed Merger on 17 June 2024 for further detail on consensus FY24F EBITDA build-up

Merger implementation process, conditions and timetable

The signing of the Merger Implementation Deed has followed four weeks of mutual confirmatory due diligence.

The Merger Implementation Deed outlines the terms and conditions on which both parties can now proceed to implement the Merger via a scheme of arrangement. A copy of the Merger Implementation Deed is attached to this announcement.

The Merger is subject to customary conditions and approvals for a transaction of this nature, including court, regulatory and Capitol shareholder approvals, as well as no material adverse changes or prescribed occurrences.

The obligations of Integral and Capitol regarding the implementation of the Merger, the deal protections and break fees are agreed and set out in the Merger Implementation Deed.

Integral currently expects the Merger to be implemented in the fourth quarter of calendar year 2024, subject to satisfaction of the conditions precedent to the Merger.

Advisers

Integral has retained Barrenjoey Capital Partners and Jefferies Australia as financial advisers and Herbert Smith Freehills as legal adviser in connection with the Merger.

Full-year results and dividend

Integral will release its audited FY24 results to the ASX on 27 August 2024.

Integral intends to pay a final dividend for the financial year ending 30 June 2024 in-line with its ordinary course dividend policy. In accordance with the Merger Implementation Deed, Capitol may determine and pay a fully franked final dividend for the financial year ending 30 June 2024, provided that the dividend per Capitol share is no more than the final dividend per Integral share (as determined by Integral) multiplied by the Merger Ratio, and minus the adjustment amount as determined by Capitol within the parameters agreed by the parties.

- (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 15.3), on termination of this deed, no party shall have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued prior to termination.
- (d) If the Condition Precedent in clause 3.1(d) (Shareholder approval) is not satisfied only because of a failure to obtain the majority required by sub-subparagraph 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within 3 Business Days after the date of the

conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that sub-subparagraph, provided the party has, in good faith, reasonably formed the view that the prospect of the Court exercising its discretion in that way is reasonable. - (a) Capitol and IDX (as the case may be) must promptly advise each other, orally and in writing, of satisfaction of a Condition Precedent or of any material progress towards such satisfaction.

- (c) If, before the time and date specified for satisfaction of a Condition Precedent, an event or occurrence that will prevent that Condition Precedent being satisfied occurs, the party with knowledge of that event must give the other party written notice of that event or occurrence as soon as possible.
- (d) Capitol and IDX (as the case may be) must promptly advise each other, orally and in writing, of any fact, matter, change, event or circumstance causing, or which, so far as can reasonably be foreseen, would cause:

In respect of these Continuing Financing Arrangements, the parties agree that Capitol and IDX will, each acting reasonably, agree a proposed course of action:
- (1) to obtain any consents or waivers required in accordance with the terms of any identified change of control requirements and then jointly initiate contact with the relevant counterparties and request that they provide any consents or waivers required to allow the Continuing Financing Arrangements to remain in place following the Implementation Date; and
 - (2) with respect to the provision of any encumbrance or other credit support required by a provider of a Continuing Financing Arrangement

12.4 Fiduciary exception

- (a) Clause 12.3 does not prohibit any action or inaction by Capitol or any of its Related Persons in relation to any actual, proposed or potential Competing Proposal, where the Capitol Board, acting in good faith, determines:

- (1) after consultation with its financial and legal advisers, that the actual, proposed or potential Competing Proposal is, or could reasonably be considered to become, a Superior Proposal; and
 - (2) after receiving written advice from its legal adviser, that failure to take or not to take such action would be reasonably likely to breach the fiduciary or statutory duties of the Capitol Board,
- provided that the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 12.2.
- (b) Clause 12.3 does not prohibit any action or inaction by IDX or any of its Related Persons in relation to any actual, proposed or potential Competing Proposal, where the IDX Board, acting in good faith, determines after receiving written advice from its legal adviser, that failure to take or not to take such action would be reasonably likely to breach the fiduciary or statutory duties of the IDX Board, provided that the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 12.2.

12.5 Notification of approaches

- (a) During the Exclusivity Period, Capitol must as soon as reasonably possible notify IDX in writing if it, or any of its Related Persons, becomes aware of any:

- whether direct or indirect, solicited or unsolicited, and in writing or otherwise.
- (b) A notification given under clause 12.5(a) must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all material terms and conditions of the actual, proposed or potential Competing Proposal.

- (4) Capitol has provided IDX with all terms and conditions of the actual, proposed or potential Competing Proposal, including price and the identity of the Third Party making the actual, proposed or potential Competing Proposal, to the extent known by Capitol;
- (5) Capitol has given IDX at least 5 Business Days after the date of the provision of the information referred to in clause 12.6(a)(4) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal; and

either:

- (A) IDX has not announced or otherwise formally proposed to Capitol in writing a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**IDX Counterproposal**) by the expiry of the 5 Business Day period referred to in clause 12.6(a)(5) above; or
 - (B) IDX has announced or formally proposed an IDX Counterproposal within the 5 Business Day period referred to in clause 12.6(a)(5) above and the Capitol Board has, following consideration of the IDX Counterproposal, determined that the IDX Counterproposal is not an IDX Superior Proposal.
- (b) If IDX proposes to Capitol, or announces, an IDX Counterproposal by the expiry of the 5 Business Day period in clause 12.6(a)(5) above, Capitol must procure that the Capitol Board considers the IDX Counterproposal and if the Capitol Board, acting reasonably and in good faith, determines that the IDX Counterproposal would provide an equivalent or superior outcome for Capitol Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the IDX Counterproposal and the Competing Proposal (**IDX Superior Proposal**), then Capitol and IDX must use their reasonable endeavours to agree the amendments to this deed that are reasonably necessary to reflect the IDX Superior Proposal and to implement the IDX Superior Proposal, in each case as soon as reasonably practicable, and Capitol must procure that each of the Capitol Board Members continues to recommend the Transaction (as modified by the IDX Superior Proposal) to Capitol Shareholders.
- (c) Despite any other provision in this deed, a statement by Capitol, the Capitol Board or a Capitol Board Member to the effect that:

 - (2) Capitol Shareholders should take no action pending completion of the process set out in this clause 12.6,

does not of itself:

- (5) give rise to an obligation to pay the Capitol Break Fee under clause 13.2; or
- (6) give rise to a termination right under clause 15.1.

- (b) Capitol will not, and will procure that none of its Related Persons provide any information to a Third Party in relation to an actual, proposed or potential Competing Proposal, unless:
 - (1) permitted by clause 12.4; and
 - (2) that Third Party has entered into a confidentiality agreement with Capitol on customary terms and which is no more favourable to the Third Party than the Confidentiality Agreement (excluding the Competition Protocols).
- (c) Notwithstanding anything to the contrary in this deed, Capitol:
 - (1) must not, and must procure that its Subsidiaries do not, modify, amend or terminate, or waive, release, or assign any standstill provisions or similar agreements with any Third Party; and
 - (2) must enforce, and must procure that its Subsidiaries enforce, to the fullest extent permitted under applicable law, the provisions of any such standstill provisions or similar agreements.

12.8 Compliance with law

- (a) If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 12 or any part of it:
 - (1) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Capitol Board;
 - (2) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
 - (3) was, or is, or would be, unlawful for any other reason,then, to that extent (and only to that extent) Capitol or IDX will not be obliged to comply with that provision of clause 12.

13.2 Break Fee triggers

Subject to clauses 13.5, 13.6, 13.7 and 13.8, Capitol must pay the Break Fee to IDX, without set-off or withholding, if:

 - (1) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Capitol Shareholders (other than where the conclusion is due wholly or partly to the existence of a Competing Proposal); or
 - (2) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Scheme occurs because of a requirement or request by a court or a Government Agency that one or more Capitol Board Members abstain or withdraw from making a recommendation that Capitol Shareholders vote in favour of the Scheme after the date of this deed; or

- (a) IDX may cancel a cheque issued under this clause 5 if the cheque:
 - (1) is returned to Capitol or IDX; or
 - (2) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Capitol or IDX (or the Capitol Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), IDX must reissue a cheque that was previously cancelled under this clause 5.5.
- (c) The *Unclaimed Money Act* 2008 (Vic) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of that Act), but any interest or other benefit accrued from the unclaimed Scheme Consideration will be for the benefit of IDX.

5.6 Orders of a court or Government Agency

If written notice is given to Capitol (or the Capitol Registry) or IDX (or the IDX Registry) of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by IDX in accordance with this clause 5, then IDX shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents IDX from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, IDX shall be entitled to (as applicable):
 - (1) in the case of an Ineligible Foreign Shareholder or other shareholder referred to in clause 5.3, retain an amount, in Australian dollars, equal to the relevant shareholder's share of the Proceeds; or
 - (2) not to issue, or to issue to a trustee or nominee, such number of New IDX Shares as that Scheme Shareholder would otherwise be entitled to under clause 5.1,

until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by law.

5.7 Status of New IDX Shares

Subject to this Scheme becoming Effective, IDX must:

- (a) issue the New IDX Shares required to be issued by it under this Scheme on terms such that each such New IDX Share will rank equally in all respects with each existing IDX Share;
- (b) ensure that each such New IDX Share is duly and validly issued in accordance with all applicable laws and IDX's constitution, fully paid and free from any mortgage, charge, lien, encumbrance or other security interest (except for any lien arising under IDX's constitution); and
- (c) use its reasonable endeavours to ensure that the New IDX Shares issued as Scheme Consideration will be listed for quotation on the official list of ASX with effect from the first Business Day after the date this Scheme becomes Effective (or such later date as ASX may require), initially on a deferred settlement basis and, with effect from the first Business Day after the Implementation Date, on an ordinary (T+2) settlement basis.

6 Dealings in Capitol Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Capitol Shares or other alterations to the Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant Capitol Shares before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received before the Scheme Record Date at the place where the Share Register is kept,

and Capitol must not accept for registration, nor recognise for any purpose (except a transfer to IDX pursuant to this Scheme and any subsequent transfer by IDX or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

6.2 Register

- (a) Capitol must register registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 6.1(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 6.2(a) requires Capitol to register a transfer that would result in a Capitol Shareholder holding a parcel of Capitol Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or otherwise deal with, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them on or after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Capitol shall be entitled to disregard any such disposal or dealing.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Capitol must maintain the Share Register in accordance with the provisions of this clause 6.2 until the Scheme Consideration has been provided to the

Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.

- (d) All statements of holding for Capitol Shares will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Capitol Shares relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day as from the Scheme Record Date, Capitol will ensure that details of the names, Registered Addresses and holdings of Capitol Shares for each Scheme Shareholder as shown in the Share Register are available to IDX in the form IDX reasonably requires.

7 Quotation of Capitol Shares

- (a) Capitol must apply to ASX to suspend trading on the ASX in Capitol Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by IDX, Capitol must apply:
 - (1) for termination of the official quotation of Capitol Shares on the ASX; and
 - (2) to have itself removed from the official list of the ASX.

8 General Scheme provisions

8.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Capitol may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which IDX has consented; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Capitol has consented to.

8.2 Scheme Shareholders' agreements and warranties

- (a) Each Scheme Shareholder:
 - (1) agrees to the transfer of their Capitol Shares together with all rights and entitlements attaching to those Capitol Shares in accordance with this Scheme;
 - (2) agrees to the variation, cancellation or modification (if any) of the rights attached to their Capitol Shares constituted by or resulting from this Scheme;
 - (3) agrees to, on the direction of Capitol, destroy any holding statements or share certificates relating to their Capitol Shares;

- (4) that is issued IDX Shares agrees to become a member of IDX and to be bound by the terms of the constitution of IDX;
 - (5) who holds their Capitol Shares in a CHESS Holding agrees to the conversion of those Capitol Shares to an Issuer Sponsored Holding and irrevocably authorises Capitol to do anything necessary or expedient (whether required by the Settlement Rules or otherwise) to effect or facilitate such conversion; and
 - (6) acknowledges and agrees that this Scheme binds Capitol and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting).
- (b) Each Scheme Shareholder is taken to have warranted to Capitol and IDX on the Implementation Date, and appointed and authorised Capitol as its attorney and agent to warrant to IDX on the Implementation Date, that:
- (1) all their Capitol Shares (including any rights and entitlements attaching to those shares) will, at the time of transfer of them to IDX, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind;
 - (2) they have full power and capacity to sell and transfer their Capitol Shares to IDX together with any rights and entitlements attaching to those shares; and
 - (3) they have no existing right to be issued any Capitol Shares, or any options, performance rights, securities or other instruments exercisable, or convertible, into Capitol Shares.
- (c) Capitol undertakes that it will provide such warranty in clause 8.2(b) to IDX as agent and attorney of each Scheme Shareholder.

8.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to IDX will, at the time of transfer of them to IDX vest in IDX free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5.1(a), IDX will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Capitol of IDX in the Share Register as the holder of the Scheme Shares.

8.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5.1(a), and until Capitol registers IDX as the holder of all Scheme Shares in the Share Register, each Scheme Shareholder:

- (a) is deemed to have irrevocably appointed IDX as attorney and agent (and directed IDX in each such capacity) to appoint any director, officer, secretary or agent nominated by IDX as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 8.4(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as IDX reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 8.4(a), IDX and any director, officer, secretary or agent nominated by IDX under clause 8.4(a) may act in the best interests of IDX as the intended registered holder of the Scheme Shares.

8.5 Authority given to Capitol

Each Scheme Shareholder, without the need for any further act:

- (a) on the Effective Date, irrevocably appoints Capitol and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against IDX, and Capitol undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against IDX on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) on the Implementation Date, irrevocably appoints Capitol and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation):
 - (1) executing the Scheme Transfer; and
 - (2) executing and delivering any deed or document required by IDX, that causes each Scheme Shareholder to become a shareholder of IDX and to be bound by the constitution of IDX,

and Capitol accepts each such appointment. Capitol as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 8.5 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

8.6 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Capitol that are binding or deemed binding between the Scheme Shareholder and Capitol relating to Capitol or Capitol Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Capitol Shares; and
- (c) notices or other communications from Capitol (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by IDX in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to IDX and to be a binding instruction, notification or election to, and accepted by, IDX in respect of the New IDX Shares issued to that Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to IDX at its registry.

8.7 Binding effect of Scheme

This Scheme binds Capitol and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Capitol.

9 General

9.1 Stamp duty

IDX will:

- (a) pay all stamp duty and any related fines and penalties in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under this Scheme and the Deed Poll; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with clause 9.1(a).

9.2 Consent

Each of the Scheme Shareholders consents to Capitol doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Capitol or otherwise.

9.3 Notices

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Capitol, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Capitol's registered office or at the office of the Capitol Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Capitol Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

9.4 Governing law

- (a) This Scheme is governed by the laws in force in Victoria.
- (b) The parties irrevocably submit to the non-exclusive jurisdiction of courts exercising jurisdiction in Victoria and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties

irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

9.5 Further action

Capitol must do all things and execute all documents necessary to give full effect to this Scheme and the transactions contemplated by it.

9.6 No liability when acting in good faith

Each Scheme Shareholder agrees that neither Capitol, IDX nor any director, officer, secretary or employee of any of those companies shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.
