## AMA Group announces successful placement and institutional entitlement offer

AMA Group Limited (ASX:AMA) (“**AMA Group**”, the “**Group**”) is pleased to announce the successful results of its fully underwritten institutional placement (“**Placement**”) and accelerated institutional component (“**Institutional Entitlement Offer**”) of its fully underwritten 1 for 0.82 pro rata accelerated renounceable entitlement offer of new fully paid ordinary shares (“**New Shares**”) in AMA Group (“**Entitlement Offer**”) announced on 18 July 2024 (the Placement and the Entitlement Offer collectively, the “**Equity Raising**”).

Funds raised under the Equity Raising will be used to repay \$50.0 million of existing senior bank debt with an additional \$50.0 million to be held in a locked account to settle expected redemptions on the convertible note put option (expected in March 2025). The remaining net proceeds will be put towards future debt amortisation payments (\$5.0 million in each of June 2025 and September 2025), repayment of accrued PIK interest on senior debt (\$3.8 million), transaction costs, future working capital, and growth requirements.

All New Shares offered under the Equity Raising will be issued at a price of A\$0.042 per New Shares (“**Offer Price**”), which represents a:

- 19.2% discount to last traded price of A\$0.052 on Thursday, 17 July 2024;
- 17.7% discount to the 10-day VWAP of A\$0.051; and
- 8.3% discount to the theoretical ex-rights price (TERP) of A\$0.0458 per AMA Group share.<sup>1</sup>

Canaccord Genuity, Bell Potter and Morgans Corporate Limited (together, the “**Underwriters**”) are acting as joint lead managers, joint underwriters and joint bookrunners to the Equity Raising. Gilbert + Tobin is acting as Legal Counsel to the Equity Raising.

## PLACEMENT

The Placement received strong support from both existing and new eligible shareholders and included domestic investors and offshore investors, raising a total of approximately \$32.5 million at the Offer Price

The Placement will be conducted concurrently with the Institutional Entitlement Offer (as described below) in reliance on part of the Group’s ASX Listing Rule 7.1 (upsized by an ASX “super size” waiver) and Listing Rule 7.1A placement capacity.

New Shares issued under the Placement will not be eligible to participate in the Entitlement Offer.

---

<sup>1</sup> The TERP is the theoretical price at which AMA Group shares should trade immediately after the ex-date for the Entitlement Offer assuming 100% take-up of the Entitlement Offer. The TERP is a theoretical calculation only and the actual price at which New Shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may not be equal to the TERP. The TERP includes the New Shares issued under the Placement.

## INSTITUTIONAL ENTITLEMENT OFFER AND INSTITUTIONAL BOOKBUILD

The Institutional Entitlement Offer raised gross proceeds of approximately \$51.4 million with approximately \$39.3 million of entitlements taken up by eligible institutional shareholders. Approximately \$12.1 million of entitlements were not taken up under the Institutional Entitlement Offer. Entitlements not taken up under the Institutional Offer contributed into the institutional shortfall bookbuild that was conducted on Friday, 19 July ("**Institutional Bookbuild**"). The Institutional Entitlement Offer had take-up by AMA Group directors, Brian Austin and Raymond Smith-Roberts.

The Institutional Bookbuild was well supported, with all New Shares attributable to unexercised institutional entitlements allocated, and a clearing price of \$0.042 per share achieved.

The clearing price of the Institutional Bookbuild was the same as the Offer Price of the Entitlement Offer. Eligible institutional shareholders who elected not to take up their entitlements and whose New Shares were sold in the Institutional Bookbuild will not receive any consideration for the entitlements not taken up by them. AMA Group shares are expected to resume trading on ASX from market open today (Monday, 22 July 2024).

## RETAIL ENTITLEMENT OFFER

The retail component of the Entitlement Offer ("**Retail Entitlement Offer**") is expected to raise a further approximately \$41.0 million.

Eligible retail shareholders in Australia and New Zealand will be invited to participate in the Retail Entitlement Offer at the same Offer Price and offer ratio as the Institutional Entitlement Offer. The Retail Entitlement Offer will open on Thursday, 25 July 2024 and close at 5:00pm (Sydney time) on Tuesday, 6 August 2024.

Eligible retail shareholders can choose to take up all, part or none of their entitlements. Retail entitlements cannot be traded on ASX or transferred.

Further details about the Retail Entitlement Offer will be set out in the Retail Entitlement Offer information booklet ("**Retail Offer Booklet**"), which AMA Group expects to lodge with ASX and dispatch to eligible retail shareholders on Thursday, 25 July 2024. The Retail Offer Booklet will also enclose personalised entitlement and acceptance forms.

The Retail Entitlement Offer is renounceable, and New Shares not taken up by eligible retail shareholders and New Shares that would have been offered to ineligible retail shareholders had they been entitled to participate in the Entitlement Offer, will be sold through a bookbuild process to certain institutional investors to be conducted at the close of the Retail Entitlement Offer ("**Retail Shortfall Bookbuild**"). It is expected that the Retail Shortfall Bookbuild will be conducted on Friday, 9 August 2024. If the amount per New Share realised in the Shortfall Bookbuild exceeds the Offer Price, the excess will be paid (net of expenses and any applicable withholding tax) on a pro-rata basis to ineligible retail shareholders and eligible retail shareholders with respect to any entitlements they did not accept under the Retail Entitlement Offer.
