Unless otherwise indicated, capitalised terms used in this announcement have the meaning given to them in the scheme booklet in relation to the Scheme dated 25 June 2024.

Final outcome of Election Results

As the Scheme Record Date (being 7:00pm (AEST) on 8 August 2024) has now passed, QANTM today provides the final outcome of Elections made by QANTM Shareholders for Mixed Consideration, set out in the table below.

Number of QANTM Shares under the Scheme	143,528,254

Proportion of QANTM Shares in respect of which valid Elections to receive the Mixed Consideration have been made	19.91%

No Scaleback Arrangements will apply

Based on the final outcome of the Election results and the number of HoldCo Shares to be issued to Equity Incentive Holders, the total number of HoldCo Shares to be issued to QANTM Shareholders and Equity Incentive Holders on implementation of the Scheme will be less than the Maximum Scrip Threshold, being 24% of the total issued capital of HoldCo as at the Implementation Date (currently expected to be Monday, 19 August 2024). Therefore, QANTM Shareholders who made valid Elections for Mixed Consideration will **not** be subject to the Scaleback Arrangements.
