- > HPI's portfolio is unique, difficult to replicate and has long term strategic value:
  - Only pure-play pub portfolio listed on the ASX
  - Meaningful scale with secure, growing rental revenue and attractive lease terms
  - Operating business<sup>1</sup> reverts to landlord at lease expiry, providing protection and strategic value upside
- Disciplined, aligned and active internal management structure has added value:
  - Investment in existing portfolio and acquisitions
  - Long-term, attractively priced fixed rate USPP debt and interest rate swaps
  - Productive partnership with AVC<sup>2</sup> provides growth optionality

- Pubs remain an attractive and enduring asset class amid broader sector volatility and disruption
  - Comparatively low capitalisation rate volatility
  - Highly sought after assets
  - Significant barriers to entry for new venues
- > HPI portfolio has strong investment fundamentals:
  - 9.1 year WALE (hotels 9.5 years) with an average option period of an additional 19.3 years (hotels 20.0 years) (effective ~30 year WALE)
  - 66%<sup>4</sup> of debt is fixed with rolling debt maturities out to August 2033
- > Strong tenant covenants across the portfolio:
  - 38 properties leased to QVC<sup>3</sup>, 15 properties leased to AVC<sup>2</sup> and 6 properties leased to other experienced operators

<sup>&</sup>lt;sup>1</sup> Under the majority of leases, liquor and gaming licenses revert to the landlord

<sup>&</sup>lt;sup>2</sup> Australian Venue Company

<sup>&</sup>lt;sup>3.</sup> Queensland Venue Company (QVC). QVC is a joint venture between Coles Limited and Australian Venue Company

<sup>&</sup>lt;sup>4</sup> An additional \$100 million of interest rate swaps were executed in July 2024, resulting in the fixing of ~90% of drawn debt when the deal commences in August 2024
