EXPLANATORY MEMORANDUM TO NOTICE OF EXTRAORDINARY GENERAL MEETING

Election of Directors

Resolutions 1A and 1B Election of Directors	
Explanation	Under clauses 13.1(c) and 13.1(d) of the Constitution, the Directors may at any time appoint any person to hold office as Director, whether to fill a casual vacancy or otherwise, until the next annual general meeting. The director is eligible for election at the next annual general meeting. Rather than delaying election until the next annual general meeting, the Company seeks Shareholder approval to elect Mr Jeffrey Yeh and Mr Andrew Vidler as directors at this Meeting. Mr Jeffrey Yeh was appointed as Director on 15 January 2024. Mr Andrew Vidler was appointed as Director on 15 January 2024. If Resolutions 1A and 1B are approved, the appointment of each of Mr Jeffrey Yeh and Mr Andrew Vidler as directors of the Company will not end at the end of the Company's next annual general meeting, and each may hold office until they resign, or are removed in accordance with the Company's constitution or law. If any of Resolutions 1A or 1B are not approved, the director subject of the relevant resolution will not be eligible to hold office beyond the end of the Company's next annual general meeting unless they are elected as a director by Shareholders at that meeting.
About Mr Jeffrey Yeh	Mr Yeh is an experienced all-rounded entrepreneur, with over 21 years' experience in all aspects of pharmaceutical sales, marketing, production, quality assurance, operations, logistics, finance and management. Mr Yeh co-founded Homart Pharmaceuticals (Homart) in 2002, and since then has grown Homart into a premier and award-winning manufacturing and brand business with over 200 employees and an international presence. Homart, and its related entities, had an 18.3% shareholding in the Company on the date of Mr Yeh's appointment. Mr Yeh currently has no other ASX director roles.
About Mr Andrew Vidler	Mr Vidler has comprehensive experience across retail, consumer health products and retail pharmacy. Andrew's 30 years' experience includes approximately 20 years with the EBOS Group (formerly FH Faulding, Mayne Group and Symbion) where, across several roles, he led the Terry White Chemists and Chemmart pharmacy brands and the Endeavour Consumer Health products business. Mr Vidler is currently Pacific Smiles Group's (PSQ:ASX) Managing Director and Chief Executive Officer. Aside from this role, Mr Vidler has no other ASX director roles. For the last four years Mr Vidler worked for API Limited (now Wesfarmers Health) where he was responsible for the Priceline retail and Priceline pharmacy businesses. Mr Vidler has a track record of building strong team cultures while ensuring they stay focused on the marketplace and building customers with an active preference for the products, brands and retailers he oversees.
Board Recommendation	The Directors recommend that Shareholders vote in favour of the Resolutions 1A and 1B.

Chairman's available proxies	The Chairman of the Meeting intends to vote all available proxies in favour of these resolutions.
-------------------------------------	---

Ratification of previous issue of securities

Resolutions 2A, 2B and 2C Ratification of previous issue of securities	
Explanation of Listing Rules	The Company seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the previous issues of Equity Securities made by the Company since the last annual general meeting on 14 December 2023 using the Company's placement capacity under Listing Rules 7.1 and 7.1A. Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period (15% Placement Capacity). In the Company's circumstances, the Shareholders gave their approval at the Company's annual general meeting on 14 December 2023 to allow the Company to issue an additional 10% of the fully paid ordinary securities it had on issue at the start of that period (10% Placement Capacity). The issues of Equity Securities which are the subject of Resolutions 2A,2B and 2C do not fit within any of these exceptions and, as have not yet been approved by the Company's Shareholders, take up part of the 15% Placement Capacity and 10% Placement Capacity, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the relevant issue dates. Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule. The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolutions 2A,2B and 2C seek Shareholder approval to the relevant issues of Equity Securities by the Company under and for the purposes of Listing Rule 7.4. If Resolutions 2A,2B and 2C are passed, the issue of Equity Securities which are the subject of these resolutions will be excluded in calculating the Company's 15% Placement Capacity and additional 10% Placement Capacity in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the relevant issue dates. If any or all of Resolutions 2A,2B and 2C are not passed, the relevant issue of Equity Securities will be included in calculating the Company's 15% Placement Capacity and 10% Placement Capacity in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the relevant issue dates.

Resolution 2A Ratification of issue of Shares (Pearl)													
Background for Resolution 2A	On 18 December 2023, the Company announced that it had entered into a binding commitment with Pearl to raise approximately A\$3.5 million under the Placement, with A\$1.5 million to be placed on 15 December 2023, and a further \$2 million to be placed in February 2024 (which was the intention at the time). On 1 March 2024, the Company announced that it has entered into a binding commitment with Pearl to increase the second tranche of its investment from A\$2 million to A\$3 million. The second tranche of the Placement was issued to Pearl as follows: 63,571,428 Shares were issued on 14 March 2024 (March Issue); and 39,284,285 Shares were issued on 1 May 2024 (May Issue). An additional 34,285,238 Attaching Options are yet to be issued under the second tranche of the Placement. These Attaching Options are the subject of Resolution 4 of this Meeting. Of the 63,571,428 Shares issued in the March Issue, 10,446,160 were issued with Shareholder approval which was obtained at the Company's last annual general meeting held on 14 December 2024. The remaining 53,125,268 Shares were issued using the Company's additional 10% Placement Capacity. All 39,284,285 Shares issued in the May Issue were issued using the Company's additional 10% Placement Capacity. Accordingly, under Listing Rule 7.4, the Company seeks approval from the Shareholders to ratify the Shares issued in the March Issue and the May Issue which were issued using the Company's 10% Placement Capacity, so that the Shares will be treated as having been issued with Shareholder approval and no longer take up the Company's 10% Placement Capacity.

In connection with the LSE Admission, the Company conducted a private placement of 86,892,863 Shares to sophisticated, institutional and professional investors located in Australia and the UK to raise A\$2,433,000.16, at an issue price of A\$0.028. The purpose of the raising was to fund the LSE Admission, and bolster the Company's share register with investment from the UK, which may assist the Company in gaining traction in the UK market and further accelerate its overall growth. Consolidation of Share Capital

Resolution 3 Consolidation of Share Capital	
Explanation	The Company proposes to consolidate its share capital through the conversion of every fifty Shares into one Share (Consolidation). Under section 254H of the Corporations Act, a company may consolidate its shares if the consolidation is approved by an ordinary resolution of shareholders at a general meeting.
Background	The Company currently has 1,401,882,652 Shares on issue due to historical equity-based capital raisings and corporate transactions. The Consolidation will reduce the number of shares on issue to create a more efficient share capital structure, present a more attractive share price to a wider range of investors and reduce any administrative inconvenience associated with having a large number of shares on issue. The Consolidation is particularly significant in the context of the Company's proposed LSE Admission and the facilitation of the Shares trading on the LSE. The Consolidation will not result in any change to the substantive rights and obligations of Shareholders. The Company's balance sheet and tax position will also remain unaltered as a result of the Consolidation. In accordance with ASX Listing Rule 7.20, the Company provides the following information: - the number of Shares will be reduced on the basis that every fifty Shares held by a Shareholder will be consolidated into one Share; - where a fractional entitlement occurs (i.e. where a Shareholder's holding of Shares is not evenly divisible by 50), the fraction will be rounded up to the nearest whole number of Shares; - the performance rights on issue in the Company will be cancelled prior to the Consolidation; and - the other convertible securities on issue in the Company will be proportionally adjusted in connection with the Consolidation in order to preserve the

economic position of the convertible securities as closely as possible with their pre-Consolidation position.

If the proposed Consolidation is approved by Shareholders, the number of the Company's Shares on issue will be reduced from approximately 1.40 billion to approximately 28 million.

As the Consolidation applies equally to all of the Company's shareholders, individual shareholdings will be reduced in the same ratio as the total number of the Company's Shares (subject only to the rounding of fractions). It follows that the Consolidation will have no material effect on the percentage interest of each individual Shareholder in the Company.

Therefore, if a Shareholder currently has 50,000,000 Shares, if the Consolidation is approved and implemented, that Shareholder will have 1,000,000 Shares following the Consolidation, still representing the same percentage the Shareholder held of the Company's issued capital as prior to the Consolidation. Similarly, the aggregate value of each Shareholder's holding (and the Company's market capitalisation) should not materially change in any material respect – other than minor changes as a result of rounding – as a result of the Consolidation alone (and assuming no other market movement or impacts occur). The price per Share should logically increase in proportion to reflect the reduced number of Shares on issue. However, as this is a market issue no definite prediction or forecast can be made.

If the Company reasonably believes that a Shareholder has been a party to the division of a shareholding in an attempt to obtain an advantage from the treatment of fractions, the Company may take appropriate action, having regard as appropriate to the terms of the Company's Constitution and the Listing Rules. In particular, the Company reserves the right to disregard the division of a Shareholder's shareholding for the purposes of dealing with fractions so as to round up any fraction to the nearest whole number of shares that would have been received but for the division.

Shareholders are encouraged to seek and rely only on their own professional advice in relation to their tax position. Neither the Company nor any of its officers, employees or advisors assumes any liability or responsibility for advising Shareholders about the tax consequences for them from the proposed Consolidation.

The Consolidation will occur through the conversion of every fifty Shares into one Share. Insofar as the Board is aware, no capital gains tax event is expected to occur as a result of the Consolidation and therefore there should be no taxation implications arising for the Company's Shareholders. However, it is emphasised that Shareholders must obtain their own advice on this regard.

If approved by Shareholders, the proposed Consolidation will take effect on 30 September 2024, being the date set out in Resolution 3. The following is an indicative timetable (subject to change) of the key events:

Approval of issue of Attaching Options to Pearl

Resolution 4 Approval of the Issue of Attaching Options to Pearl	
Explanation and Background	On 18 December 2023 announced that it had entered into a binding commitment with Pearl to raise approximately \$3.5 million under the Placement, with \$1.5 million to be placed on 15 December 2023, and a further \$2 million to be placed in February 2024 (which was the intention at the time). On 1 March 2024, the Company announced that it has entered into a binding commitment with Pearl to increase the second tranche of its investment from \$2 million to \$3 million. The second tranche of the Placement was issued to Pearl under the March Issue and the May Issue which are the subject of Resolution 2A. Under the terms of the Placement, the Company is required to issue a further 34,285,238 Attaching Options to Pearl (Option Issue). Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to the 15% Placement Capacity. In the Company's circumstances, it has access to the additional 10% Placement Capacity pursuant to Shareholder approval given at the Company's last annual general meeting on held 14 December 2023. The Option Issue does not fall within any of these exceptions and exceeds the 15% Placement Capacity and the additional 10% Placement Capacity. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1. Resolution 4 seeks the required Shareholder approval to the Option Issue under and for the purposes of Listing Rule 7.1. If Resolution 4 is passed, the Company will be able to proceed with the Option Issue. In addition, the Option Issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1. If Resolution 4 is not passed, the Company will not be able to proceed with the Option Issue until it has sufficient placement capacity.

Specific Information for Resolution 4	In accordance with Listing Rule 7.3, which contains requirements as to the contents of a notice sent to Shareholders for the purposes of Listing Rule 7.1, the following information is provided to Shareholders: Names of recipients Pearl Funds Management Pty Ltd Number and class of securities issued / agreed to be issued 34,285,238 Attaching Options Material terms of Attaching Options The Attaching Options: • have an exercise price of A\$0.05; • have an expiry date of 30 June 2025; • vest immediately upon their issue; • are each exercisable into 1 Share, which will rank pari passu with the then issued Shares in the Company; • contain no rights to participate in voting or dividends; and • are transferrable subject to any restrictions at law. Shares issued on exercise of the Attaching Options may be issued by the Company without seeking further approval of Shareholders, subject to any restrictions at law. Date on which the securities were or will be issued The Option Issue will occur as soon as reasonably practicable after the date of this Meeting if Resolution 4 is passed. In any event, if Resolution 4 is passed, the Option Issue will not occur later than 6 October 2024 (i.e. before the date that the Consolidation approved pursuant to Resolution 3 becomes effective). Issue price Nil The purpose of the issue and the intended use of funds The purpose of the Option Issue is to satisfy the Company's obligations under the Placement to issue 1 Attaching Option for every 3 Shares subscribed for under the Placement. The Company is not receiving any funds under the Option Issue. Voting exclusion statement A voting exclusion statement applies to this item of business, as set out in the Notice.
Board Recommendation	The Directors recommend that shareholders vote in favour of Resolution 4.

Approval of issue of LSE Listing Shares

Resolution 5 Approval of the issue of LSE Listing Shares	
Explanation	In connection with the LSE Admission, the Company intends to undertake a placement of: (i) up to 13,600,000 Shares if Resolution 3 is passed; and (ii) up to 680,000,000 Shares if Resolution 3 is not passed, to the Depository, or sophisticated or professional investors, contemporaneously with the LSE Admission (LSE Listing Issue). Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to the 15% Placement Capacity. In the Company's circumstances, it has access to the additional 10% Placement Capacity pursuant to Shareholder approval given at the Company's last annual general meeting on 14 December 2023. The LSE Listing Issue does not fall within any of these exceptions and exceeds the 15% Placement Capacity and the additional 10% Placement Capacity. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1. Resolution 5 seeks the required Shareholder approval to the LSE Listing Issue under and for the purposes of Listing Rule 7.1. If Resolution 5 is passed, the Company will be able to proceed with the LSE Listing Issue and proceed with the LSE Admission. In addition, the LSE Listing Issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1. If Resolution 5 is not passed, the Company will not be able to proceed with the LSE Listing Issue and will consequently abandon the LSE Admission.
Background	The Company is pursuing its application for the LSE Admission. To raise further funds for the Company, and to introduce additional investors in the Company, the Company intends to conduct the LSE Listing Issue contemporaneously with the LSE Admission. In the UK, CREST (which is the UK equivalent of CHESS) is a paperless settlement system which allows securities to be transferred from one CREST account to another without share certificates or written instruments of transfer. Shares in an Australian company cannot be traded on the LSE through CREST and consequently to allow investors who have participated in the LSE Listing Issue to settle their shares through CREST, the Company has appointed the Depository to hold those Shares on trust. The Depository will issue dematerialised Depository Interests representing the underlying Shares held by investors who have participated in the LSE Listing Issue. The Depository Interests are independent securities constituted under English law and can be settled through CREST. The Depository Interests have the same security code (ISIN) as the underlying Shares and do not require separate admission to the Official List or to the Main Market. Under the trust arrangements, a custodian or nominee of the Depository is the legal holder of the Shares, while the beneficial interest in the Shares remains with the holder of the Depository Interests. The size of the LSE Listing Issue will depend on the level of participation from investors, and the price at which the Shares are to be issued in the LSE Listing Issue.

	The Board considers that the LSE Admission will provide the Company with the best opportunity to: • raise new funds through accessing new equity capital markets and broadening its Shareholder base in jurisdictions where its operations are accelerating; • position the Company as a growth company on a growth platform; and • provide the Company with access to a much larger market. The issue price for Shares subscribed for under the LSE Listing Issue will be determined by the Company in conjunction with its brokers (being Barclay Pearce Capital Management Pty Ltd, Orana Corporate LLP and any other broker appointed in connection with the LSE Listing Issue) in connection with the LSE Admission, but in any event the issue price will not be less than £0.73685 (if Resolution 3 is passed) or £0.014737 (if Resolution 3 is not passed). The Company intends to raise up to £10 million under the LSE Listing Issue. Participants in the LSE Listing Issue are intended to be institutional investors who are also sophisticated or professional investors, primarily located in Australia and the UK.

Amendment of Company Constitution

Resolution 6 Amendment of Company Constitution	
Explanation	In accordance with section 136(2) of the Corporations Act, the Company may modify its constitution by special resolution of its Shareholders. Resolution 6 is a special resolution which will allow the Company to amend its existing Constitution with effect on and from the date of its LSE Admission. The Company proposes to amend its existing Constitution, as outlined below, so that it contains provisions which are suitable for a company whose shares are admitted to trading on the LSE. The resolution the subject of Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote (in person or by proxy) at the meeting must be in favour for the resolution to be passed. If Shareholders vote in favour of this special resolution, the amended constitution will operate with effect from the date of the LSE Admission. If Shareholders vote against this special resolution, the Company's Constitution will remain the same. If the Company's Constitution remains the same, the Constitution will not be suitable for the LSE Admission and the Company will be forced to abandon the LSE Admission.
Background	In order to facilitate the Company's listing on the LSE, the Company proposes to make amendments to the Constitution as follows: • deeming the definition of the 'Listing Rules' to include the LSE Rules for when the Company's Shares are admitted to trading on the LSE; • restricting the carrying out of business or investments in any company or business related to cannabis, other than in accordance with valid licences, approvals and authorisations; and • removing the ability of the Company's Directors to refuse to register a paper-based transfer of Shares if the transfer would create a new holding which is less than a marketable parcel of Shares. The Company seeks Shareholder approval to amend its existing Constitution to incorporate the above changes. The proposed amendments to the Constitution are set out in Annexure A.
Board Recommendation	The Directors recommend that shareholders vote in favour of Resolution 6.
Chairman's available proxies	The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 6.

5.3 Refusing a transfer

Subject to the Act, the Listing Rules and the ASX Settlement Operating Rules, the Directors may in their absolute discretion ask ASX Settlement to apply a holding lock to prevent a transfer under the ASX Settlement Operating Rules, or refuse to register a paper-based transfer, of a Share where:

- (a) the Company has a lien on the Shares the subject of the transfer;
- (b) the Company is served with a court order that restricts the relevant Member's capacity to transfer the Shares;
- (c) registration of the transfer may breach an Australian Law and ASX has agreed in writing to the application of a holding lock (which must not breach an ASX Settlement Operating Rule) or that the Company may refuse to register a transfer;

are the only persons recognised by the Company as having any title to the Member's interest in the Shares.
- (b) The Directors may require evidence of a Member's death as they think fit.
- (c) This clause does not release the estate of a deceased joint holder from any liability in respect of a Share that had been jointly held by the holder with another person or persons.

6.2 Transmission of Shares by operation of Law

- (a) Subject to any applicable Laws, if a person:
 - (i) becomes entitled to a Share in consequence of the death, incapacity or bankruptcy of a Member; and

the person may, by written notice, elect to:

 - (iii) be registered personally as holder of the Share; or
 - (iv) have another person registered as the transferee of the Share.
- (b) All the clauses of this Constitution relating to transfers and registrations are applicable to any transfer as if the death, incapacity or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by that Member.

6.3 Dividends and other rights

Where a Member dies, becomes incapacitated or bankrupt, the Member's legal personal representative or the trustee of the Member's estate (as the case may be) is, on the production of all information as is properly required by the Directors, entitled to the same:

- (a) Dividends, entitlements and other advantages; and

- (h) Members who receive a call must pay the called amount at the time or times and in the manner set out in the notice.
- (i) The non-receipt of a notice of a call, or the accidental omission to give notice of a call, does not invalidate the call.

7.2 Liability of joint holders for calls

The joint holders of a Share are jointly and severally liable to pay all calls in respect of the Share.

7.3 Interest on unpaid amounts

- (a) If an amount called or otherwise payable to the Company in respect of a Share is not paid before or on the day appointed for payment of the amount, the person from whom the amount is due must pay:

have been duly called and is payable on the date payable under the terms of issue.

- (b) If any other sum is not paid when due, all the provisions of this Constitution relating to payment of interest and expenses, forfeiture or otherwise apply as if that sum had become payable by virtue of a call duly made and notified.

7.5 Prepayments of calls

- (a) The Directors may accept from a Member the whole or a part of the amount unpaid on a Share even if that amount has not been called.
- (b) The Directors may authorise payment of interest on the whole or any part of an amount accepted under clause 7.5(a) until the amount becomes payable at a rate, not exceeding the Prescribed Rate, that is agreed between the Directors and the Member paying the sum.
- (c) The Directors may at any time repay the whole or any part of any amount paid in advance and any interest agreed abates from the time of payment.

8. Lien on Shares

8.1 Company has lien

- (b) The Directors may at any time exempt a Share wholly or in part from this clause 8.1.
- (c) The Company's lien (if any) on a Share extends to all Dividends payable and entitlements in respect of the Share. The Company may retain those Dividends or entitlements and may apply them in or towards satisfaction of all amounts due to the Company in respect of that Share.
- (d) No person is entitled to exercise any rights or privileges as a Member until the Member has paid all amounts (including reasonable expenses and interest) for the time being payable in respect of every Share held by the Member.

8.2 Exercise of lien

- (a) Subject to clause 8.2(b), the Company may sell any Shares on which the Company has a lien, in the manner that the Directors think fit.

 - (i) an amount in respect of which the lien exists is payable; and
 - (ii) at least 10 Business Days before the date of the sale, the Company has given to the Member or the person entitled to the Share by reason of the death, mental incapacity or bankruptcy of the Member, a notice in writing demanding payment of the amount.

8.3 Completion of sale

- (a) For the purpose of giving effect to a sale of Shares to enforce a lien, the Directors may authorise a person to do everything necessary to effect a transfer of the Shares in favour of the purchaser.
- (b) The Company must register the purchaser as the holder of the Shares comprised in any transfer, after which the validity of the sale may not be disputed by any person and the purchaser is not concerned with the application of the purchase money.
- (c) The title of the purchaser to the Shares is not affected by any irregularity or invalidity in connection with the sale.
- (d) The purchaser is discharged from liability for any calls which were in default before the purchase of those Shares, unless otherwise expressly agreed.
- (e) The only remedy of any person aggrieved by any sale of a Share under this clause 8 is in damages and against the Company exclusively.

8.4 Application of proceeds of sale

The proceeds of a sale made to enforce a lien must be applied by the Company in the following order:

- (a) firstly, in payment of the costs of enforcement of the lien and of the sale;
- (b) secondly, in satisfaction of the amount in respect of which the lien exists as is then payable to the Company (including expenses and interest); and
- (c) thirdly, the residue (if any) to or at the direction of the person registered as the holder of the Shares immediately prior to the sale, on production of any evidence as to title required by the Directors.

9. Forfeiture and surrender of Shares

9.1 Liability to forfeiture

- (a) If a Member fails to pay a call or instalment of a call when due, the Directors may, at any time afterwards while any part of the call or instalment remains unpaid, serve a notice on the Member requiring payment of so much of the unpaid call or

instalment, together with any accrued interest and all expenses incurred as a result of the non-payment.

- (b) The notice must:
 - (i) specify a day at least 10 Business Days after the date of the notice by which the payment is to be made and a place where the payment is to be made; and
 - (ii) state that the Shares in respect of which the call was made are liable to be forfeited if payment is not made by the time specified.

9.2 Surrender of Shares

Subject to the Act and the Listing Rules, the Directors may accept the:

- (a) surrender of any fully paid Share by way of compromise of any question as to the proper registration of the holder or in satisfaction of any payment due to the Company; and
- (b) gratuitous surrender of any fully paid Share.

Any Share so surrendered may be disposed of in the same manner as a forfeited Share.

9.3 Power to forfeit

- (a) Subject to the Act and the Listing Rules, if the requirements of a notice under clause 9.1 are not complied with, any Share in respect of which the notice has been given may, at any time afterwards but before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect.
- (b) Such a forfeiture includes all Dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.

9.4 Notice of forfeiture

- (a) Notice of the resolution approving the forfeiture must be given to the Member in whose name the Share was registered immediately before the forfeiture and an entry of the forfeiture and its date must be made promptly in the register.
- (b) The validity of any forfeiture is not affected in any way by any omission to give the notice or to make the entry in the register in accordance with clause 9.4(a).

9.5 Powers of Directors

- (a) A forfeited Share may be sold or otherwise disposed of as the Directors think fit.
- (b) A forfeiture of a Share may be cancelled on the terms that the Directors think fit at any time before a sale or disposition of the Share.

 - (ii) secondly, in satisfaction of the amount in respect of the Shares as is then payable to the Company (including interest); and

- (iii) thirdly, the residue (if any) to or at the direction of the person registered as the holder of the Shares immediately prior to the sale or to the person's estate, on production of any evidence as to title required by the Directors.

9.6 Consequences of forfeiture

A person whose Shares have been forfeited:

- (a) ceases to be a Member in respect of the forfeited Shares at the time of the Directors' resolution approving the forfeiture;
- (b) has no claims or demands against the Company in respect of those forfeited Shares;
- (c) has no other rights to the forfeited Shares except any rights expressly provided by the Act or this Constitution; and
- (d) remains liable to pay to the Company all amounts that, at the date of forfeiture, were payable by the person to the Company in respect of the Shares including, if the Directors think fit, reasonable expenses of the sale or disposal of the Shares and interest at the Prescribed Rate on the unpaid amounts from the date of forfeiture until the date of payment.

9.7 Evidentiary matters

Without prejudice to clause 9.4, a statement in writing by a Director or a Secretary of the Company to the effect that:

- (a) a Share in the Company has been duly forfeited on a date specified in the statement; or
- (b) a particular amount is payable by a Member or former Member to the Company at a particular date in respect of a call or instalment of a call (including interest),

is, in the absence of manifest error, conclusive evidence of the facts set out in the statement as against all persons claiming to be entitled to the Share and against the Member or former Member who remains liable to the Company under clause 9.6(d).

9.8 Transfers after forfeiture and sale

- (a) The Company may:
 - (i) receive the proceeds of sale or of disposition of a forfeited Share; and

- (c) The title of the transferee to the Share is not affected by any irregularity or invalidity in connection with the forfeiture, sale or disposal of the Share.

9.9 Fixed amounts taken to be calls

The provisions of this Constitution relating to forfeiture apply to non-payment of any sum that becomes payable for a Share at a defined time, as if that sum was payable as a call duly made.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
