All financial data in this report is recorded in Australian dollars (AU\$)

RESULTS FOR FY24

Net cash from operating activities during FY24 was up from \$8.4 million in FY23. This increase was driven primarily by improved working capital management.

Net debt reduced from \$15.5 million in FY23, reflecting strong cash flow, a more efficient facility structure with HSBC, disciplined cash management, and effective working capital reductions, even with ongoing ERP investments.

Net Cash from Operating Activities

\$26.7 million

FY23: 8.4m

Net Debt

\$0.7 million

FY23: 15.5m

REGIONAL OVERVIEW

AMERICAS

- Revenue FY24: \$85.4 million, a 7% decline vs FY23

\$ million	FY24	FY23	% vs FY23
Revenue	14.7	13.4	10
EBITDA	3.4	3.9	(12)

COMPANY STRATEGY

COMPANY STRATEGY

GALE Pacific is focused on developing meaningful innovation that improves the lives of our customers and consumers, alongside our ongoing commitment to providing a sustainable product solution.

Our strategy is anchored on two core principles:

Innovation

Product Process

Sustainability

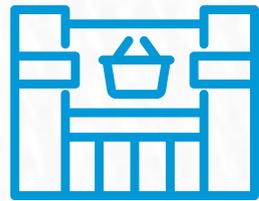

Environment Earnings

**FY25
STRATEGY
FOCUS
AREAS**

DRIVE PROFITABLE GROWTH IN THE AMERICAS

Extend Omni-Channel Retail Presence & Consumer Reach

HeatShield® expansion through new applications across retailers; DIY entry into new customers & categories

Extend retail & commercial presence deeper into Latin America

Launch new global company websites to connect directly with consumers & end-users; create DTC channel

Expand Commercial Segment

Leverage HeatShield® in leading commercial fabrics

Penetrate agriculture market with coated and horticulture fabrics

Leverage Australian market insights to replicate in the U.S.

Innovate to Diversify & Expand

Consumer-led innovation resulting in new fabrics to enter new categories

Professional design & consumer-insight-based benefits validated at retailer showcases to seed sell-in

Establish supply chain to service critical markets

SUSTAIN OUR MARKET LEADERSHIP POSITION IN AUSTRALIA AND NEW ZEALAND

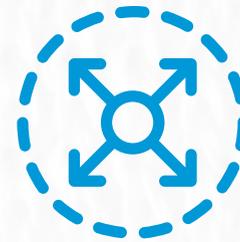

Optimise Margin Performance

Rigorous category
management to improve/
exit lower margin products

Drive efficiency across
all operations

Lower cost of goods – both
manufactured & sourced products

Expand Share in Commercial Segment

Drive new business with
existing products

Increase contract
coating volumes

Win share across grain
fabric & Ecobanner[®]

Protect Our Leading Share at Bunnings

Expand share of new HeatShield[®]
products across core categories

Leverage and build Coolaroo
brand & innovation to drive
consumer conversion

Maximise inventory availability
to drive sell-through

INVEST TO GROW IN DEVELOPING MARKETS

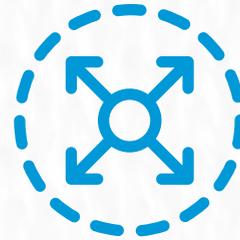

Enter New Markets

Identify markets where our value proposition can win

Lead with meaningful & differentiated innovation

Leverage existing hub in Dubai to build from

Build Coolaroo Consumer Share in Existing Markets

Leverage capability, credibility, and differentiated innovation from US + ANZ markets

Penetrate e-commerce channels

Develop strategic distribution partnerships

Drive Growth in The Middle East

Win share through Saudi Arabia project conversion

Launch HeatShield® commercial fabrics & gain specification

Penetrate adjacent commercial categories across UAE

OPTIMISE GLOBAL OPERATING FOOTPRINT

Global Customer Contact Centre

Implement global “follow-the-sun” operating model to service more customers

Leverage common CRM platform to improve customer intimacy

Leverage data to drive superior customer service

Manufacturing & Operational Excellence

Enhance production planning to maximise capacity efficiency

Benchmark manufactured items to ensure lowest possible cost

Implement quality improvement initiatives to reduce waste

Future Operating Model

Define appropriate US distribution model to service growth

Develop consolidated China distribution hub to lower lead times

Secure new manufacturing partnerships to complement existing capability
