### About Bio-Gene Technology Ltd

---

Bio-Gene is an Australian agtech development company enabling the next generation of novel insecticides to address the global problems of insecticide resistance and toxicity. Its unique technology is based on a naturally occurring class of chemicals proven to overcome resistance to control pests with minimal impact on human health and the environment.

Bio-Gene's technology provides multiple potential new solutions for insecticide manufacturers in applications across crop protection, grain storage, public health and consumer products. Bio-Gene's is developing and commercialising a broad portfolio of targeted insect control and pest management solutions.

**Flavocide®** and **Qcide®** are trademarks of Bio-Gene Technology Limited.
