Singtel signs 2-year contract extension for enterprise Knowledge Management solution, KnowledgeIQ

Knosys Limited (ASX: KNO), ("Knosys" or the "Company"), is pleased to announce that Singtel has signed a two (2) year contract extension for the continued use of Knosys' market leading knowledge management platform KnowledgeIQ.

The value of the contract over the two year period is expected to be $750,000. In addition, Singtel will upgrade to the latest release of KnowledgeIQ over the next 12 months to benefit from the new product features and capabilities.

Knosys Managing Director, John Thompson said, "Over the past few years, Knosys has demonstrated that it has a robust business model in the enterprise Knowledge Management (KM) sector, particularly with customers such as Singtel. We look forward to announcing further multi year extensions during the year as we build our knowledge management revenue backlog out until 2027. We now focus primarily on enterprise and government opportunities for our KM solution."

ABOUT KNOSYS

Knosys is a leading SaaS provider headquartered in Melbourne, with operations internationally, providing specialist expertise in helping businesses manage information and knowledge. We enable organisations to make sense of information and use it to connect, collaborate and drive strong business outcomes for customers, employees and stakeholders. Our focus is on developing solutions that enable businesses to make the most of information and knowledge assets that sit within their organisation. This currently includes knowledge management, intranet and library management solutions.
