7. Voting Exclusion Statement:

The Corporations Act and the Listing Rules require that certain persons must not vote, and that the Company must disregard any votes cast by or on behalf of certain persons, on the resolutions to be considered at the Meeting. These voting exclusions are described below.

In accordance with sections 250BD and 250R of the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by or on behalf of a member of the Key Management Personnel details of whose remuneration are included in the Remuneration Report, or a Closely Related Party of such a member of the Key Management Personnel.

A vote may be cast as proxy by such person if the vote is not cast on behalf of a person who is excluded from voting on this Resolution, and:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or

- (b) the voter is the Chair and the appointment of the Chair as proxy does not specify the way the proxy is to vote on this Resolution, but expressly authorises the Chair to exercise the proxy even if this Resolution is connected with the remuneration of a member of the Key Management Personnel.

Resolutions 2, 3 and 6

There are no voting exclusions for Resolutions 2, 3 and 6.

Resolution 5

If at the time of the Meeting, the Company is proposing to make an issue of Equity Securities under rule 7.1A.2, the Company will disregard any votes cast in favour of Resolution 5 by or on behalf of any persons who are expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a Shareholder), or any associate of those persons.

The above voting exclusions do not apply to a vote cast in favour of the relevant Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or

 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement on this resolution is not required by Listing Rule 7.3A.7

8. Enquiries

Shareholders are invited to contact the Company Secretary, Justin Mouchacca on (03) 8360 3321 if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2024 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 8360 3321, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website www.altairminerals.com.au or via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act 2001 requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that the In accordance with Division 9 of Part 2G.2 of the Corporations Act 2001, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "**Spill Resolution**") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a Spill Resolution will not under any circumstances be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Given the material personal interests of all Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

Resolution 2: Election of Mr Jamie Larmont as a Director of the Company

The Company's Constitution provides that any Director appointed in addition to the existing Directors will hold office until the next following annual general meeting and is then eligible for re-election.

ASX Listing Rule 14.4 also provides that each additional director appointed during the year is to hold office until the next annual general meeting and is then eligible for election as a Director of the Company.

Jamie Larmont was appointed as an additional Director of the Company on 21 March 2024 and has since served as a Director of the Company.

Under this Resolution, Jamie Larmont seeks election as a Director of the Company at this AGM.

Jamie Larmont is a seasoned mining professional and corporate strategy expert, boasting extensive experience in operational and project management while working for BHP and RIO for over a decade.

With a Bachelor of Engineering and a decade of hands-on experience, alongside his consultative work, Jamie brings a profound understanding of operational strategy, project value analysis, and corporate communication to his roles. Mr. Larmont's work in the mining industry has consistently demonstrated a robust commitment to generating business value and astute leadership qualities with the ability to manage large operational teams.

Board Recommendation

The Board (with Mr Larmont abstaining) recommends that shareholders vote in favour of the election of Mr Larmont. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Larmont's election.

Resolution 3: Re-election of Mr Mordechai Benedikt as a Director of the Company

Background

The Company's Constitution and ASX Listing Rule 14.4 provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mordechai Benedikt was appointed a Director of the Company on 15 May 2021 and was last re-elected as a Director at the 2021 AGM. Under this Resolution, Mordechai Benedikt has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Mr Benedikt is an experienced businessman with an extensive background in food imports for over 12 years. He is very active in export trade from Australia to Asia, building a vast network overseas. More recently Mr Benedikt has been actively involved in commercial property and substantial investments in the public sector.

Board Recommendation

The Board (with Mr Benedikt abstaining) recommends that shareholders vote in favour of the re-election of Mr Benedikt. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Benedikt's re-election.

Resolution 4: Renewal of Proportional Takeover Provisions in Constitution

Background

Clause 35 of the Constitution contains provisions dealing with member approval requirements if there was to be any proportional takeover bids for the Company's securities ("**Proportional Bid Provisions**").

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

The Corporations Act allows a company to provide in its constitution that if a proportional takeover bid is made, shareholders must vote on whether to accept or reject the proportional takeover bid and that decision will be binding on all shareholders. This provision allows shareholders to decide collectively whether a proportional takeover bid is acceptable in principle.

Pursuant to the Proportional Bid Provisions, as well as section 648G(1) of the Corporations Act, the Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by a special resolution of the members. The Board believes it is appropriate that the Proportional Bid Provisions of the Constitution be renewed.

An electronic copy of the Constitution can be sent via email to any shareholder upon request made to Justin Mouchacca, the Company Secretary, by email to justin@jmc corp.com.au.

The Resolution to renew the Proportional Bid Provisions is proposed as a special resolution. Accordingly, to be passed, at least 75% of the votes validly cast on the Resolution by Shareholders eligible to vote of the Resolution by number of shares must be in favour of the Resolution.

If Resolution 4 is passed, Shareholders holding at least 10% of the Company's issued ordinary shares may, within 21 days after the Meeting, apply to a court to have the purported renewal of the Proportional Bid Provisions set aside. The court may make an order setting aside the purported renewal of the Proportional Bid Provisions if it is satisfied that it is appropriate in the circumstances to do so.

In seeking the members' approval for the renewal of the Proportional Bid Provisions, the Corporations Act requires the below information to be provided to members.

Effect of the Proportional Bid Provisions proposed to be renewed

The Proportional Bid Provisions provide that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid unless and until after the proposed transfer has been approved by the members at a general meeting of the Company ("**Approving Resolution**"). The person making the offer for the securities ("**Offeror**") (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than 50% of members who are entitled to vote at that meeting.

The Proportional Bid Provisions also provide that if an Approving Resolution is not voted upon at the end of the day before the relevant day in relation to the off-market bid under which offers have been made, the Approving Resolution is deemed approved and, if the Approving Resolution is rejected, all unaccepted offers under the proportional takeover bid are deemed withdrawn and the Offeror must rescind each contract created as a result of the acceptance of an offer under that proportional takeover bid.

If Shareholders pass this Resolution 4, then the Proportional Bid Provisions as described above will continue to have effect for a period of three years from the date of the Meeting. If the Resolution is approved or deemed to have been approved, a transfer of Shares under the proportional takeover bid may be registered provided it complies with the other provisions of the Corporations Act and the Constitution. If the Resolution is rejected, the registration of any transfer of Shares resulting from the proportional takeover bid is prohibited and the proportional takeover bid is deemed by the Corporations Act to have been withdrawn.

Reasons for the Resolution

Section 648G(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 35 cease to apply at the end of 3 years from their adoption (or their last renewal).

The Proportional Bid Provisions were last renewed more than 3 years ago and are therefore required to be renewed.

Section 648G(4) enables the members to approve a renewal of Proportional Bid Provisions.

The Directors believe that the members should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the members having the opportunity to dispose of **all** of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). To preserve this choice, the Proportional Bid Provisions need to be renewed.

If the Proportional Bid Provisions are renewed and any proportional takeover bid (if any) is subsequently approved by members, each member will still have the right to make a separate decision whether that member wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of the Notice, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company.

Advantages and disadvantages of the Proportional Bid Provisions for Directors and members since last renewed

As there have been no takeover bids made for any of the Shares in the Company since the initial adoption of the Proportional Bid Provisions, there has been no application of the Proportional Bid Provisions with respect to the Company as at the date of the Notice. It may be considered that the potential advantages and disadvantages described below have applied for the period since adoption of Clause 35 as part of the Constitution.

Potential advantages and disadvantages of the proposed Resolution for Directors and members

The potential advantages and disadvantages of renewing the Proportional Bid Provisions to Directors include:

- (a) If the Directors consider a partial bid should be opposed they will be assisted in preventing the Offeror from securing control of the Company as the Offeror requires a majority of votes to be cast in its favour by the independent shareholders before the bid can succeed.
- (b) With the Proportional Bid Provisions in place, the Directors must call a meeting to seek the members' view if any partial takeover offer is made, even if the Directors believe the offer should be accepted.

- (c) Under the Proportional Bid Provisions, the most effective view on a partial bid is the view expressed by the vote of the shareholders themselves, at the meeting.
- (d) The Proportional Bid Provisions may make it easier for Directors to discharge their fiduciary and statutory duties as Directors in the event of a partial takeover bid.
- (e) The Directors remain free to make a recommendation on whether a proportional takeover bid should be accepted.

The potential advantages of the renewal of the Proportional Bid Provisions for members include:

- (a) All members have an opportunity to study a proportional takeover bid, if made, and to attend or be represented by proxy at a meeting called specifically to vote on the proposal. A majority of shares voted at the meeting, excluding the shares of the Offeror and its associates, will be required for the applicable Resolution to be passed, following which members will be able to decide whether to accept the bid that may result in a change of the control of the Company.
- (b) Members are able to prevent a proportional takeover bid proceeding if they believe that control of the Company should not be permitted to pass under the bid and, accordingly, the terms of any future proportional takeover bid is likely to be structured in a manner that is attractive to a majority of members.
- (c) The Proportional Bid Provisions enable shareholders to act together to avoid the coercion of members that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept due to concerns that a significant number of shareholders may accept.
- (d) Members are protected against being coerced into accepting a partial bid at a high premium where the Offeror indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price, putting members under pressure to accept the initial bid to maximise returns.
- (e) If a partial bid is made, the Proportional Bid Provisions may make it more probable that an Offeror will set its offer price at a level that is attractive to members.
- (f) members, as a group, may more effectively advise, contribute to or guide the Directors' response to a partial bid.
- (g) The Proportional Bid Provisions may increase the likelihood that any takeover offer will be a full bid for the whole shareholding of each member, so that member will have the opportunity to dispose of all of their shares rather than only a portion.

The potential disadvantages to members of renewing the Proportional Bid Provisions include:

- (a) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for members to sell a portion of their holdings.
- (b) The continued existence of the Proportional Bid Provisions might adversely affect the market value of the Company's shares by making a partial offer less likely, thus reducing any takeover speculation element in the share price.
- (c) An individual member that wishes to accept the partial offer will be unable to sell to the offeror unless a majority of members vote in favour of the partial takeover bid.
- (d) If a partial takeover bid is made, the Company will incur the costs of calling a shareholders meeting.

Board Recommendation

Balancing the above advantages and disadvantages, the Directors are of the view that the advantages of renewing the Proportional Bid Provisions outweigh any disadvantages and unanimously recommend the renewal of the Proportional Bid Provisions.

Resolution 5: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The Company obtained shareholder approval for the 10% Placement Facility at its 2023 Annual General Meeting on 24 November 2023.

If shareholders approve Resolution 5 then the Company will be able to issue Equity Securities under the 10% Placement Facility for the 10% Placement Period (defined below). If shareholders do not approve Resolution 5 then the Company will not be able to issue Equity Securities under the 10% Placement Facility for which approval is sought at the Meeting.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to enhance the value of its assets and new investments. Should the Company utilise the 10% Placement Facility, it anticipates using the funds to either accelerate the work on its current projects, acquire new assets, or to meet additional working capital requirements.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has one class of quoted securities on issue, being Fully Paid Ordinary Shares (ALR).

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;

- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of any other fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.4;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Nature and Consideration for issue and Minimum Issue Price*

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the relevant Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained;
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 22 November 2024, and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 22 November 2025 if shareholders approve resolution 5;
 - (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the relevant Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 (for cash consideration only) may be used by the Company include:
- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s) (provided the Equity Securities are issued for cash); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at close of trade on 16 October 2024 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

| Variable 'A' in Listing Rule 7.1A.2 | | Issue Price | | |
|--|--------------------------------|--|-----------------------------------|---|
| | | \$0.002 50% decrease in Current Share Price | \$0.004 Current Share Price | \$0.008 100% increase in Current Share Price |
| Current Variable A 4,296,577,517 Shares | 10% Voting Dilution | 429,657,752 Shares | | |
| | Funds raised | \$859,316 | \$1,718,631 | \$3,437,262 |
| 50% increase in current Variable A 6,444,866,276 Shares | 10% Voting Dilution | 644,486,628 Shares | | |
| | Funds raised | \$1,288,973 | \$2,577,947 | \$5,155,893 |
| 100% increase in current Variable A 8,593,155,034 Shares | 10% Voting Dilution | 859,315,503 Shares | | |
| | Funds raised | \$1,718,631 | \$3,437,262 | \$6,874,524 |

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - No Options are exercised into Shares before the date of the issue of the Equity Securities.
 - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - The Current Share Price is \$0.004 (0.4 cents), being the closing price of the Shares on ASX on 16 October 2024.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments (provided that the Equity Securities are issued for cash consideration).

Equity Issues over the Last 12 Months – Listing Rule 7.3A.6

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

The Company has previously obtained shareholder approval under ASX Listing Rule 7.1A at its 2023 AGM.

During the 12-month period preceding the proposed date of the Meeting, being on and from 22 November 2023, the Company did not issue any Equity Securities (ordinary shares) under the Company's 10% Placement Facility under ASX Listing Rule 7.1A.

At the date of that Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of any Equity Securities. Accordingly, no existing shareholder's votes will be excluded and there is no voting exclusion for Resolution 5 in the Notice.

Board Recommendation

The Board believes that Resolution 3 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.
