About Close the Loop

With locations across the United States, Australia, South Africa and Europe, Close the Loop collects and refurbishes products such as laptops, printers, teleconferencing equipment and gaming devices; and provides sustainable packaging, which allow for greater recoverability and recyclability. The Company's overall goal is 'Zero Waste to Landfill'. From recovering a wide range of electronic products, through to print consumables, cosmetics, plastics, paper and cartons, and reusing of toner and post-consumer soft plastics for an asphalt additive, the Company is a global leader in the fast-growing circular economy with a focus on global expansion and sustainability.
