Subject to the following paragraphs, Eligible Shareholders may participate in the SPP.

Eligible Shareholders are persons:

Shareholders who hold Shares on behalf of persons who reside outside Australia or New Zealand, are in the United States, or are acting for the account or benefit of a person in the United States, are not

entitled to participate in the SPP on behalf of those persons.

A trustee, nominee or custodian must not participate in the SPP on behalf of, nor distribute this document or any other document relating to the SPP to, any person in the United States.

The New Shares to be issued under this SPP have not been and will not be registered under the U.S. Securities Act, or the securities laws of any state or other jurisdiction of the United States. Accordingly, Shareholders who are located in the United States or are acting for the account or benefit of a person in the United States are not Eligible Shareholders entitled to participate in the SPP.

To the extent that you hold Shares on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that any Application complies with all applicable foreign laws. You must not distribute any documents relating to the SPP to any person in the United States. Consistent with the representations, warranties and acknowledgements contained in the Application Form and section 5 of these SPP Terms and Conditions, you may not submit Applications for any person in the United States or who is acting for the account or benefit of a person in the United States. Failure to comply with these restrictions may result in violations of applicable securities laws.

Shareholders who are joint holders of Shares are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder, and the certification under section 5(e) of these SPP Terms and Conditions by one joint holder will be effective in respect of the other joint holder(s).

If you are a Custodian you may apply for up to New Shares for each Eligible Beneficiary on whose behalf you hold Shares subject to you delivering a Custodian Certificate (defined below) to the Company before 5.00pm (Sydney time) on the Closing Date.

An Eligible Beneficiary is a person:

- (a) on whose behalf a Custodian holds Shares at the Record Date;
- (b) who has a registered address in either Australia or New Zealand; and

- (c) who is not in the United States and is not acting for the account or benefit of a person in the United States.

A *Custodian Certificate* is a certificate addressed to the Company that includes the following information:

- (a) confirmation of either or both of the following:
 - (i) that you hold Shares on behalf of one or more Eligible Beneficiaries (each a participating Eligible Beneficiary) that are not Custodians; or
 - (ii) that another Custodian (Downstream Custodian) holds beneficial interests in Shares on behalf of one or more Eligible Beneficiaries (each a participating Eligible Beneficiary), and you hold the Shares to which those beneficial interests relate on behalf of the Downstream Custodian or another Custodian;
- (b) confirmation that each participating Eligible Beneficiary has subsequently instructed the following persons:

to apply for New Shares on their behalf under the SPP;

- (c) the number of participating Eligible Beneficiaries and their names and addresses;

- (e) in respect of each participating Eligible Beneficiary:
 - (i) where section 2(a)(i) above applies – the dollar amount of New Shares for which they have instructed you to apply on their behalf; or

- (ii) where section 2(a)(ii) above applies – the dollar amount of New Shares for which they have instructed the Downstream Custodian to apply on their behalf;

- (f) confirmation that there are no participating Eligible Beneficiaries in respect of which the total amount for the following exceeds \$30,000:
 - (i) the New Shares applied for by you under the SPP in accordance with the instructions referred to in section 2(e) above; and
 - (ii) any other Shares issued to you in the 12 months before the Application as a result of an instruction given by them to you or the Downstream Custodian to apply for Shares on their behalf under an arrangement similar to the SPP;

- (h) where section 2(a)(ii) above applies – the name and address of each Custodian who holds beneficial interests in Shares held by you in relation to each participating Eligible Beneficiary.

If you hold Shares as a trustee, nominee or custodian for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described above. In this case, the rules that apply to individual or joint Shareholders apply.

Custodians wishing to participate on behalf of a beneficiary or beneficiaries must provide the certifications required by the ASIC Instrument and should contact the Share Registry on 1300 402 422, to request a Custodian Certificate that contains these certifications and other details required to be provided by the Custodian.

The completed Custodian Certificate must be emailed to capitalmarkets@linkmarketservices.com.au so that it is received no later than 5.00pm (Sydney time) on the Closing Date.

3. PARCELS OF NEW SHARES

Eligible Shareholders may apply to purchase a minimum of 321 New Shares, up to a maximum of 19,230 New Shares under the SPP.

The Application Money for each parcel of New Shares applied for is the number of New Shares multiplied by the Issue Price.

For example, the Application Money for the minimum and maximum parcel sizes are:

	<i>Number of New Shares</i>	<i>Application Money</i>
<i>Max</i>	19,230 New Shares	\$30,000
<i>Min</i>	321 New Shares	\$500

If the Company receives an Application for less than 321 New Shares, the Company may reject that Application, in which case Application Monies will be refunded without interest, as soon as practicable following the issue of New Shares.

Ultimately the number of New Shares issued will be determined by dividing the valid amount of Application Monies by the Issue Price (subject to any Scale Back). If this produces a fractional number, the number of New Shares issued will be rounded down to the nearest whole number of New Shares.

MAXIMUM APPLICATION

Eligible Shareholders can only apply for a maximum of 19,230 New Shares under the SPP (unless they are applying as a Custodian).

This limitation applies even if Eligible Shareholders receive more than one Application Form due to multiple holdings (via separate account or designation), or if they hold Shares in more than one capacity.

4. APPLICATION FOR NEW SHARES

Participation in the SPP is optional.

If you are an Eligible Shareholder and wish to participate in the SPP, you must follow the instructions on the Application Form and pay via BPAY® the dollar amount of the parcel of New Shares for which you wish to apply. Cash will not be accepted.

Please ensure you use the BPAY Reference Number on your personalised Application Form. This is required to identify your holding.

If you are an Eligible Shareholders in New Zealand, you will also be able to remit your Application Monies by international electronic funds transfer. You will receive a separate letter with instructions on how to make this payment.

Applications are made by making the above payment. You do not need to return your Application Form.

For your Application to be valid, payment must be made in Australian dollars and must be received by 5.00pm (Sydney time) on the Closing Date. The Company may reject Applications if payment is received after this time.

Be aware that your financial institution may implement early cut off times with regards to electronic payments and take this into consideration when making payment. It is your responsibility to ensure that your payment is received by 5.00pm (Sydney time) on the Closing Date.

- (p) you acknowledge that the market price of Shares may rise or fall between the date of this Booklet and the Issue Date and that the Issue Price you pay for the New Shares under the SPP may exceed the market price of Shares on the Issue Date;
- (q) you acknowledge that there are risks associated with acquiring and holding Shares;
- (r) you acknowledge that the Company may at any time and in its absolute discretion determine that your Application is valid, in accordance with the terms and conditions of the SPP, even if the Application is incomplete, contains errors or is otherwise defective;
- (s) you agree to pay the Issue Price per New Share up to a maximum value equal to your Application Monies;
- (t) you authorise the Company to correct or complete minor errors/details in respect of your Application; and
- (u) you acknowledge that the Company and its officers and agents are not liable for any exercise or non-exercise of their discretions referred to in these SPP Terms and Conditions.

6. ISSUE PRICE OF NEW SHARES

The Issue Price for New Shares under the SPP is \$1.56 per New Share.

The closing price of Shares on 30 October 2024, the last trading day before the SPP was announced, was \$1.66. The Issue Price represents a 6.02% discount to that closing price and a 4.90% discount to the volume weighted average Share price over the 15 days ended on 30 October 2024.

By participating in the SPP, you agree to pay the Issue Price per New Share for the number of New Shares calculated under section 7 of these SPP Terms and Conditions and, if there is a Scale Back, the number of New Shares calculated under section 9.

By making an Application for New Shares, you acknowledge that there is a risk that the market price of Shares may change (i.e. rise or fall) between the date of this Booklet and the Issue Date. *This means that the Issue Price under the SPP may exceed the market price of Shares on the Issue Date.*

No cooling-off regime applies in relation to the Application for or acquisition of New Shares under the SPP.

7. CALCULATION OF NEW SHARES

If your Application is accepted, the Company will divide the valid amount of your Application Monies by the Issue Price in order to determine the number of New Shares which, subject to a Scale Back, will be issued to you.

If the calculation in the above paragraph produces a fractional number, the number of New Shares issued to you will be rounded down to the nearest whole New Share.

New Shares will be issued on the Issue Date (expected to be Monday, 9 December 2024).

Holding statements in respect of the New Shares will be issued on or around Tuesday, 10 December 2024.

8. QUOTATION AND RANKING OF NEW SHARES

New Shares will rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights and entitlements to dividends from the date of issue.

The Company will apply to the ASX for quotation of New Shares.

9. SCALE BACKS

The Company may in its absolute discretion Scale Back your Application, allocating to you a parcel of New Shares with an aggregate Issue Price that is less than the parcel value for which you applied.

The Company may in its absolute discretion determine to apply a Scale Back to the extent and in the manner that it sees fit.

In the event that demand exceeds 30% of the Company's issued capital (being the maximum

amount that can be issued without Shareholder approval under the Listing Rules), Applications will be Scaled Back.

It is the Company's current intention that Scale Backs due to excess demand be made pro rata, based on the number of Shares held by applicants as at the Record Date (with fractional entitlements being rounded down to the nearest whole number of New Shares).

10. REFUNDS

Any difference between the aggregate Issue Price for the New Shares allocated to you and your Application Money will be treated as follows:

- (a) if the difference is less than \$2.00, it will not be refunded and will be donated to charity; and
- (b) if the difference is \$2.00 or more, it will be refunded to you without interest in the same manner as your dividends are paid to you.

Refunds will be paid as soon as possible after New Shares are issued under the SPP.

11. COSTS OF PARTICIPATION

No brokerage, commission or other transaction costs are payable by you in respect of the issue of New Shares under the SPP.

12. DISPUTE RESOLUTION

The Company may settle in any manner it thinks fit, any difficulties, anomalies or disputes that may arise in connection with or by reason of the operation of the SPP and the decision of the Company will be conclusive and binding on all participants and other persons to whom the determination relates. The powers of the Company under these terms and conditions may be exercised by the directors of the Company or any delegate or representative of them.

13. TAXATION

None of the Company, its officers or agents makes any representations or warranties about, and accepts no responsibility for, the liability of Eligible Shareholders to pay income tax in respect of any issue of New Shares.

14. WAIVER, AMENDMENT, SUSPENSION AND WITHDRAWAL

The Company may, at its absolute discretion, waive compliance with any provision of these SPP Terms and Conditions or withdraw, suspend or terminate the SPP at any time.

Subject to applicable laws, the Company may, at its absolute discretion, amend or vary any provision of these SPP Terms and Conditions.

Any such waiver, withdrawal, suspension, termination, amendment or variation will be binding on all Eligible Shareholders even where the Company does not notify you of the event.

In the event that the SPP is withdrawn or terminated, all Application Monies will be refunded in accordance with section 10 of these SPP Terms and Conditions.

15. NO UNDERWRITING

The SPP will not be underwritten.

16. GOVERNING LAW

These SPP Terms and Conditions are governed by the laws in force in New South Wales.

Terms and conditions, and rights and obligations in respect of Shares, are contained in the Company's constitution.

17. PRIVACY POLICY

Chapter 2C of the Corporations Act requires information about you as a Shareholder (including your name, address and details of the Shares you hold) to be included in the public register of the entity in which you hold Shares. This information must continue to be included in the public register if you cease to be a Shareholder. The *Privacy Amendment (Private Sector) Act 2000* (Cth) does not alter these statutory obligations.

The Company and the Share Registry may collect personal information to process your Application and implement the SPP, and to administer your shareholding.

The personal information contained on the Company's Share Register is also used to facilitate payments and corporate communications (including financial results,

annual reports and other information to be communicated to Shareholders) and to ensure compliance with legal and regulatory requirements, including Australian taxation laws and the Corporations Act.

The personal information the Company collects may include your name, address, other contact details, bank account details and details of your shareholdings.

Shareholders who are individuals and the other individuals in respect of whom personal information is collected, as outlined above, have certain rights to access, correct or update the personal information held about them, subject to some exceptions allowed by law.

Such individuals should contact the Share Registry by emailing registrars@linkmarketservices.com.au in the first instance if they wish to request access to that personal information. Reasons will be given if access is denied.

Your personal information may be disclosed to joint investors, to securities brokers, to third party service providers (including print and mail service providers, technology providers, and professional advisers), to related entities of the Company and each of their agents and contractors, and to the ASX and other regulatory authorities, and in any case where disclosure is required or allowed by law (which may include disclosures to the Australian Taxation Office and other government or regulatory bodies or where you have consented to the disclosure).

In some cases, the types of organisations referred to above to whom the Company will disclose your personal information may be located overseas. The main consequence of not providing the personal information outlined in the paragraphs above would be that the Company may be hindered in, or prevented from, processing your Application, and from conducting and implementing the SPP.

The Share Registry's privacy policy is available on its website: www.linkmarketservices.com.au.
