¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

2024 Corporate Governance Statement

The Board of ReadCloud Limited (the **Company** or **Group**) is responsible for the overall corporate governance of the Group. The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which ReadCloud Limited has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website www.readcloud.com, including the 2024 Annual Report.

This Statement is current as at 20 November 2024 and has been approved by the Board of Directors of ReadCloud Limited.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 - Role of the Board and Management

The role of the Board is to approve the strategic direction of the Group, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Group's affairs. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees, customers, suppliers and the wider community.

The Board has a formal Board Charter which is available on our website at <https://readcloud.com/investors/> that clearly sets out those matters expressly reserved for the Board's determination and those matters delegated to management.

The Board delegates responsibility for the day-to-day management of the Company and its businesses to the Chief Executive Officer (**CEO**). The CEO is supported by the senior executive team and delegates authority to appropriate senior executives for specific activities and transactions via a formal 'delegation of authority'. The Board maintains ultimate responsibility for strategy, control and risk profile of the Group.

Recommendation 1.2: Appointment of Directors

The Nomination Committee facilitates the selection and appointment of Directors. Before the Board appoints a new Director or puts forward a candidate for election, the Nomination Committee will ensure that appropriate background checks are undertaken. We provide our shareholders with all material information in our possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2024 Annual Report.

Recommendation 1.3: Appointment Terms

Upon appointment, each Director receives a letter of appointment which sets out the formal terms of their appointment. Directors also receive a deed of indemnity, insurance and access.

Each senior executive has a written contract with the Company, setting out the terms of his or her appointment, including remuneration entitlements and performance requirements.

Recommendation 1.4: Company Secretary

The Board is supported by its Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and senior executives across the Group. The Board and individual Directors have access to its Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding our Company Secretary, including experience and qualifications, is set out in the Directors' Report in our 2024 Annual Report.

Recommendation 1.5: Diversity Policy

The workforce of the Company comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy which can be viewed at <https://readcloud.com/investors/>. The Company's policy has meritocracy as a guiding principle and seeks to align the Company's management systems with its commitment to continue to develop a culture that values and achieves diversity in its workforce and on its Board.

The Board and management considers building a diverse and inclusive workforce as paramount to gaining the best insight into the needs of our customers and stakeholders. A diversity of perspectives and backgrounds also strengthens creativity and innovation in teams. Particular focus is paid to achieving a balance of men and women in senior management positions across the Group.

The proportion of women on the Board, in senior executive positions and women across the entire organisation as at 30 September 2024 was as follows:

- Women on the Board – 0.0%
- Women in senior executive positions – 58.3%
- Women across the entire organisation – 75.4%

The Company has not developed measurable objectives at this time. However, the Company is committed to cultivating an inclusive workplace of fairness and equality which fosters the unique skills and talents of a diverse range of people and to encourage diversity in skill set, experience, qualifications and age of our workforce. With a diverse mix of professionals, we will continue to encourage diversity in the hiring of candidates.

Recommendation 1.6: Board and Committee Performance Assessment

The Board is committed to formally evaluating its performance, the performance of its committees and individual Directors, as well as the governance processes supporting the Board. The Board does this through an annual assessment process.

The review process involves:

- completion of a questionnaire/survey by each Director, facilitated by the Company Secretary;
- the preparation and provision of a report to each Director with feedback on the performance of the Board based on the survey results; and
- The Board meeting to discuss any areas and actions for improvement.

An internal Board assessment took place in August 2024. An analysis of the data collected indicated that the Board is functioning effectively against the majority of its criteria. It was also noted that there were some opportunities identified to improve Board effectiveness.
