Result of Scheme Meeting – Capitol Shareholders vote in favour of Scheme

Capitol Health Limited ACN 117 391 812 (ASX: CAJ) (**Capitol**) provides the following update in relation to the proposed merger with Integral Diagnostics Limited ACN 130 832 816 (ASX: IDX) (**IDX**) by way of a scheme of arrangement (**Scheme**), as first announced to the ASX on 17 June 2024, and the Scheme Booklet in relation to the Scheme released to the ASX on 24 September 2024 (**Scheme Booklet**).

Voting results for the Scheme Meeting

Capitol is pleased to announce that the resolution to approve the Scheme, as set out in the notice of meeting in respect of the Scheme Meeting (annexed to the Scheme Booklet), was approved by the requisite majorities of Capitol Shareholders at the Scheme Meeting held earlier today. In summary:

- 94.86% of Capitol Shareholders present and voting (in person or by proxy, attorney or corporate representative) were in favour of the resolution; and
- 99.92% of the votes cast by Capitol Shareholders were in favour of the resolution.

In accordance with ASX Listing Rule 3.13.2 and section 251AA of the *Corporations Act 2001* (Cth), the outcome of the Scheme Meeting and a summary of the proxies received in respect of the resolution considered at the Scheme Meeting is attached to this announcement.

Next steps

When the conditions precedent to the Scheme are satisfied, including IDX obtaining informal merger clearance from the Australian Competition and Consumer Commission (**ACCC**), Capitol will apply to the Court for approval of the Scheme.

Capitol has a Federal Court of Australia hearing scheduled for 2:15pm (AEDT) on 4 December 2024 (**Second Court Hearing**). Given the ACCC informal merger clearance condition is not expected to have been satisfied by that time, at the scheduled Second Court Hearing, Capitol intends to present the substantive matters relating to the Scheme for the Court's consideration, but will request that the Court adjourn the hearing and delay making formal orders until the ACCC informal merger clearance condition is satisfied. Capitol intends to seek the formal orders promptly after the clearance is received.

Capitol will continue to assist IDX as it works towards obtaining informal merger clearance from the ACCC. Capitol will announce to the ASX any material developments in respect of the informal merger clearance, and in due course, the timetable for implementation of the Scheme.

If the Court approves the Scheme, a copy of the Court orders will be lodged with ASIC, following which the Scheme will become legally effective, and Capitol shares will be suspended from trading on the ASX.

Subject to all conditions being satisfied, it is expected that the Scheme will be implemented on approximately the 7th business day following the date on which the Scheme becomes effective.

If Capitol Shareholders have any questions in relation to the Scheme, they are encouraged to contact the Company at +61 3 9348 333, Monday to Friday (excluding public holidays), between 8.30am and 5.00pm (AEDT).

If Capitol Shareholders have any questions in relation to their shareholding, they are encouraged to contact Capitol's Share Registry, Computershare, on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia), Monday to Friday (excluding public holidays), between 8.30am and 5.00pm (AEDT).

Unless otherwise indicated, capitalised terms have the meaning given to them in the Scheme Booklet dated 24 September 2024.
