

## ASX announcement

### Genetic Technologies completes sale of geneType™ business and assets

**Melbourne Australia, 24 December, 2024:** Genetic Technologies Limited (Administrators Appointed) (ASX:GTG) (“Genetic Technologies” or the “Company”) advise that the sale of the Company’s geneType™ business and assets to Rhythm Biosciences Limited (“RHY”) completed on 23 December 2024 as anticipated and outlined in RHY’s announcement dated 23 December, 2024.

The transaction completed following satisfaction of conditions precedent, including the release of securities from the Genetype assets being acquired and transferring employees accepting their offers of employment. Post-completion, RHY and the Administrators will be working together to ensure a smooth transition of the Genetype business, including a period of Transitional Support Services.

- END -

Authorised for release by the Administrators.

#### About EasyDNA

EasyDNA is an online provider of genetic testing services established in 2007 and developed into an online network of over 70 websites in over 42 countries. EasyDNA's network of online retail sales platforms offers fast and affordable home DNA testing that is reliable and confidential. They also offer a number of lifestyle and health and wellbeing tests, and animal testing relating to allergies and tolerances. EasyDNA is a pioneering provider of genetic testing services, dedicated to delivering accurate and confidential results to individuals and organizations worldwide.

## **Forward Looking Statements**

This announcement may contain forward-looking statements about the Company's expectations, beliefs or intentions regarding, among other things, statements regarding the expected use of proceeds. In addition, from time to time, the Company or its representatives have made or may make forward-looking statements, orally or in writing. Forward-looking statements can be identified by the use of forward-looking words such as "believe," "expect," "intend," "plan," "may," "should" or "anticipate" or their negatives or other variations of these words or other comparable words or by the fact that these statements do not relate strictly to historical or current matters. These forward-looking statements may be included in, but are not limited to, various filings made by the Company with the U.S. Securities and Exchange Commission, press releases or oral statements made by or with the approval of one of the Company's authorized executive officers. Forward-looking statements relate to anticipated or expected events, activities, trends or results as of the date they are made. As forward-looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties that could cause the Company's actual results to differ materially from any future results expressed or implied by the forward-looking statements. Many factors could cause the Company's actual activities or results to differ materially from the activities and results anticipated in such forward-looking statements as detailed in the Company's filings with the Securities and Exchange Commission and in its periodic filings with the ASX in Australia and the risks and risk factors included therein. In addition, the Company operates in an industry sector where securities values are highly volatile and may be influenced by economic and other factors beyond its control. The Company does not undertake any obligation to publicly update these forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
