Extension of Voluntary Suspension

Field Solutions Holdings Limited (ASX: FSG) (**Company**) today announced that it is further extending the voluntary suspension of its securities until the commencement of trade on Wednesday 22 January 2025 or such earlier time as the Company makes an announcement to update the market.

Field Solutions originally made the request, which was granted, for a voluntary suspension of its securities to Monday, 23 December 2024 and subsequently sought an extension to Wednesday, 8 January 2025.

The reason for the voluntary suspension is that the Company is still diligently pursuing the negotiation of its capital raising arrangements referred to in its original request for a voluntary suspension dated 17 December 2024. The Company has had continued challenges in finalising arrangements for its capital raising over the Christmas holiday period. The Company expects that those arrangements are expected to be announced by commencement of normal trading on Wednesday, 22 January 2025.

This ASX announcement has been approved and authorised for release by the Board of Field Solutions Holdings Limited.
