Summary

The principal features of the Dividend Reinvestment Plan (the Plan) are as follows:

The Plan

The Plan enables shareholders with an optional and convenient way of reinvesting all or part of their dividends in additional Djerriwarrh Investments Limited (Djerriwarrh or the Company) shares.

On dividend payment dates, the dividend attributable to shares participating in the Plan will be automatically reinvested in Djerriwarrh shares. The number of new shares is determined by reference to the market price.

The Cost

All administration costs will be met by Djerriwarrh. There is no brokerage, commission or other transaction costs payable by participants in the Plan on shares allotted under the Plan and no stamp duty or other duties will, under present law, be payable by participants.

Eligibility

All Djerriwarrh shareholders are eligible to participate in the Plan, with some exceptions. Please see the Plan Rules in this booklet for further information about eligibility.

Flexibility

Participation in the Plan is entirely optional. Shareholders may join the Plan, vary their participation or withdraw from it at any time. If part of a shareholder's holding is nominated for participation in the Plan, the balance of the shareholding will receive cash dividends in the normal way. Shares participating in the Plan or acquired under the Plan may be sold at any time. When such shares are sold, they are automatically withdrawn from the Plan.

Pricing

The issue price is based on the Average Market Price of Djerriwarrh shares calculated during a set pricing period. The Board may also determine that a discount is to be applied to the Average Market Price. The issue price will be rounded either up or down to the nearest cent (0.5 cent to be rounded down).

Shares

The number of Djerriwarrh shares received by participating shareholders under the Plan will be calculated by multiplying the number of participating shares they hold at the Dividend Record Date by the relevant dividend, deducting any withholding tax (if applicable) and adding any residual amount carried forward in your Plan account then dividing this amount by the Average Market Price (less any discount). Where this calculation results in a residual amount remaining, this amount will be carried forward in your Plan account.

Dividends and Other Rights

Shares allotted under the Plan will rank equally in all respects with existing fully paid ordinary shares.

Statements

Participants will be sent a statement after each dividend payment detailing their participation in the Plan. Issuer sponsored statements for new shares will be issued for each allotment under the Plan unless the shareholder is CHESS sponsored in which case the new shares will be shown on the participant's next CHESS statement. This statement will include details to assist in completion of the shareholder's tax return.

General

The Plan may be modified, suspended or terminated by the Directors of Djerriwarrh in accordance with the Rules of the Plan.

How to Enter the Plan

If you wish to participate in the Plan, please contact the Share registry to request an Application Form, or obtain one from, or apply online on, their website (au.investorcentre.mpms.mufig.com).

Participation will commence with the first dividend payment after receipt by the Share Registry of the Application Form provided it is received before the DRP election date for that dividend.

Rules

1. Participation in the Plan

Participation in the Plan is subject to these Rules. Participation is entirely optional.

All persons who for the time being are registered as holders of Shares are eligible to participate in the Plan, except:

- a) a shareholder with a registered address outside Australia and New Zealand where, in the opinion of the Board, it would be unreasonable for that shareholder to participate in the Plan (including by having regard to the number of shareholders in the place where the offer would be made and, the number and value of shares the shareholders would be offered and the cost of complying with legal requirements, and requirements of a regulatory authority, in that place);
- b) a shareholder who is subject to the laws of a country or place other than Australia who may not be eligible to participate in the Plan because of legal requirements that apply in that country or place;
- c) a shareholder that is a person, or a person of a class, whom the Board in their discretion have determined not to be eligible to participate in the Plan; or
- d) as otherwise provided in these Rules.

2. Application to Participate

Application to participate in the Plan is to be made on the prescribed Application Form, including an online version of the Form, available from the Company's Share Registry. Correctly completed Application Forms must be received by the Share Registry by 5.00pm (Melbourne time) on the Closing Date for a dividend in order to be effective for that dividend.

3. Degree of Participation

Participation may be either full or partial.

1. Full participation applies to dividends payable on all the participant's shareholding being all:
 - a. shares currently held;
 - b. shares allotted under the Plan;
 - c. bonus shares (if any), subsequently allotted;
 - d. fully or partly paid shares allotted pursuant to a subsequent rights issue (if any); and
 - e. additional shares purchased from time to time (less all shares sold from time to time).
2. Partial participation only applies to the number of shares specified in the Application Form by the shareholder. However, if at the relevant record date the number of shares held by the participant is less than the nominated number of shares, then the provisions of the Plan in respect of that dividend payment will only apply to such lesser number of shares.

If an Application Form does not indicate the level of participation in the Plan, it shall be deemed to be an application for full participation.

4. Minimum and Maximum Participation

The Board may from time to time determine that, whether in respect of a particular dividend or as a continuing term of participation in the Plan, a minimum or maximum number of shares are required to participate on the Plan. Djerriwarrh may vary this minimum or maximum number by noting such variation on Djerriwarrh's website and by notice to ASX.

To the extent that an Application Form specifies a number of participating shares in excess of a maximum limit set by the Board:

- a) that maximum limit will be deemed to be the number of Djerriwarrh shares participating in the Plan; and
- b) those Djerriwarrh shares in excess of that maximum limit will be deemed to not participate in the Plan, and any dividend payable in respect of those shares will be a cash dividend.

To the extent that an Application Form specifies a number of Djerriwarrh shares to participate in the Plan which is less than any minimum limit set by the Board, the shareholder will receive a cash dividend in respect of that shareholding.

Where a maximum limit is set under the above Rules, Djerriwarrh may waive the limit on the number of Djerriwarrh shares participating at any time for any eligible shareholder who holds shares as a trustee or nominee for a number of beneficial owners (who are also eligible shareholders), provided that:

- a) such trustee or nominee will not at any time participate in the Plan on behalf of any single beneficial owner in excess of the limit set under the above Rules; and
- b) the above Rules will apply as if each such beneficial owner is the registered shareholder.

5. Operation of the Plan

Each dividend which is payable to a participant for shares subject to the Plan and which is available for payment to the participant will, upon payment, be applied by the Company on the participant's behalf in subscribing for additional Company shares.

The Company will establish and maintain a Plan account for each participant. The Company will, for each dividend payable to a participant:

- (a) determine the amount of the dividend payable (less withholding tax if applicable) for that participant's shares subject to the Plan;
- (b) credit such amount to the participant's Plan account;
- (c) determine the maximum whole number of additional shares which may be subscribed for under the Plan taking into account the price at which the shares are to be allocated in accordance with these Rules;
- (d) on behalf and in the name of the participant, subscribe for that number of additional shares and debit the participant's Plan account with the total of the subscription price for those additional shares;
- (e) allot that number of additional shares to the participant; and
- (f) retain in the participant's Plan account, without interest, any cash balance.

The shares will be allotted under the Plan at the "Average Market Price", being the volume weighted average market price (rounded up or down to the nearest cent, 0.5 cent to be rounded down) of all of the Company's shares sold on the ASX Limited (ASX) or Cboe Australia Pty Ltd (Cboe) automated trading systems during the five trading days including and immediately following the shares being quoted ex dividend less any discount determined by Directors. The Directors will announce the discount applicable (if any) from time to time.

The Average Market Price referred to above shall be calculated by the Directors or another suitable person nominated by the Directors. The determination by the Directors of the allotment price will be binding on all participants.

6. Shares to be Allotted under the Plan

Shares allotted under the Plan will be allotted in accordance with the ASX Listing Rules and will, from the date of allotment, rank equally in all respects with existing fully paid shares of the Company.

Shares allotted under the Plan will be allotted on the relevant dividend payment date and will be registered on the register on which the participant's holding of shares is currently registered.

7. Costs to Participants

No brokerage, commissions, or other transaction costs will be payable by participants for the application for or allotment of shares under the Plan and no stamp or other duties will, under present law, be payable by participants.

8. Plan Statements

At or after each dividend payment date, the Company will send to each participant a Plan Statement detailing the following:

- (a) the number of shares participating in the Plan;
- (b) the amount in the participant's Plan account immediately prior to the payment of that dividend;
- (c) the dividend paid;
- (d) withholding tax deducted (if applicable);
- (e) the amount reinvested in new shares;
- (f) the number of new shares allotted and the price at which allotted; and
- (g) any cash balance carried forward.

9. Variation or Termination of Participation

A participant may at any time give notice to the Company's Share Registry:

- (a) increasing or decreasing the number of shares participating in the Plan; or
- (b) terminating participation in the Plan.

Such alteration or termination is to be in accordance with the prescribed election form, including an online version (available from the Company's Share Registry) and takes effect from the next DRP election date.

To be applicable for a dividend, they must be received by 5.00pm (Melbourne time) on the Closing Date for a relevant dividend.

If a participant increases the level of participation in the Plan to full participation, all of the participant's shares as at the date of the notice of Variation and all shares subsequently acquired by the participant (including shares allotted under the Plan) shall participate in the Plan.

If a participant dies, participation by the holder will be terminated upon receipt by the Company of notice of death. Death of one or more joint holders will not automatically terminate participation.

Upon termination of participation in the Plan by a participant for any reason, the participant will not be entitled to receive from the Company payment of any cash balance remaining in the participant's Plan account at the time when participation by the participant in the Plan is terminated or the participant ceases to participate in the Plan

10. Reduction or Termination of Participation where no Notice is given

In the case of partial participation, when a participant disposes of part of its holding of shares, then, unless the participating shareholder advises Djerriwarrh otherwise, the shares disposed of will be deemed to be shares not participating in the Plan or the Company's Dividend Substitution Share Plan (DSSP). If the number of shares disposed of is greater than the number of the participant's shares not participating in the Plan or DSSP, the shares disposed of will be deducted from the participant's holding of shares in the following order:

- a) Shares not participating in either the Plan or DSSP;
- b) Shares participating in the Plan; and
- c) Shares participating in the DSSP.

Where a participant disposes of all shares without giving the Company's Share Registry notice of termination of participation, the participant will be deemed to have terminated participation in the Plan for the shareholding on the date the Company registered a transfer or instrument of disposal of the participant's holding.

11. Modification and Termination of the Plan

The Plan may be modified, suspended or terminated by the Directors at any time by giving notice to the ASX. Any suspension of the Plan will continue until such time as the Directors either resolve to recommence or to terminate the Plan. If the Plan is recommenced, then elections as to participation in respect of the previously suspended Plan will be valid and have full force and effect in accordance with these Rules for the purpose of the recommenced Plan.

Any variation, suspension, recommencement or termination of the Plan will not give rise to any liability on the part of, or right of action against, Djerriwarrh nor its Board, employees, or agents.

If the Plan is suspended or terminated by the Company, a participant will not be entitled to receive from the Company payment of any cash balance remaining in the participant's Plan account at the time when participation in the Plan is suspended or terminated.

12. Listing

The Company will promptly make application for shares allotted under the Plan to be listed for quotation on the official list of the ASX.

13. Application and Notices

Applications and notices to the Company's Share Registry shall be in writing and in accordance with the forms prescribed by the Company from time to time.

Such applications and notices will be effective upon receipt by the Company's Share Registry subject to:

- (a) these Rules;
- (b) in the case of applications, acceptance by the Company; and
- (c) receipt by the Company's Share Registry before 5.00pm (Melbourne time) on the Closing Date for a relevant dividend.

Applications or notices received after the Closing Date for a dividend will not be effective for that dividend payment but will be effective for the following dividend.

14. Closing Date

The Closing Date for a relevant dividend is the date and time, as determined by the Board and announced to ASX, by which a person must have lodged an Application Form to apply for, vary or terminate participation in the Plan for that dividend.

15. Significance of Application

By applying to participate in the Plan, a shareholder:

- a) warrants to Djerriwarrh that they are eligible to participate in the Plan;
- b) authorises Djerriwarrh (and its Board, employees or agents) to correct any error in, or omission from, its Application Form;
- c) acknowledges that Djerriwarrh may at any time irrevocably determine that the Applicant's Application Form is valid, in accordance with these Rules, even if the Application Form is incomplete, contains errors or is otherwise defective;
- d) acknowledges that Djerriwarrh may refuse any Application Form;
- e) consents to the establishment of a Plan Account on its behalf;
- f) acknowledges that neither Djerriwarrh nor the Share Registry has provided the Applicant with investment, taxation or other advice and that neither has any obligation to provide any such advice, concerning participation in the Plan; and
- g) unconditionally agrees to the Rules and agrees not to do any act which would be contrary to the intention of the Plan, in each case, at all times until termination of the Plan or of the Applicant's participation in the Plan.

16. Governing Law

These Rules are governed by and shall be construed in accordance with the laws of the State of Victoria, Australia. Each participant submits to the exclusive jurisdiction of the courts of that State.

17. Limitation of Liability

Neither Djerriwarrh, nor any of its subsidiaries, shall be liable or responsible to any participant in the Plan for any loss or alleged loss or disadvantage suffered or incurred by such participants arising, directly or indirectly, from the establishment or operation of the Plan or their participation in the Plan or in relation to any advice given with respect to participation in the Plan.

18. Board's Powers

The Plan will be administered by the Board who is authorised under these Rules, and has the discretion to:

- a) determine any procedures for administration of the Plan that are consistent with these Rules;
- b) resolve conclusively all questions of fact or interpretation in connection with the Plan;
- c) resolve in such manner as it thinks expedient any difficulties, anomalies or disputes which may arise in connection with, or by reason of, the operation of the Plan, whether generally or in relation to any participant shareholder or any Djerriwarrh ordinary shares;
- d) enter into any underwriting arrangements regarding the Plan that they deem appropriate;
- e) exercise discretions or powers (including any power to make a choice, decision, determination or resolution) of Djerriwarrh under these Rules;
- f) delegate to any one or more persons, for such period and on such conditions as they may determine, the exercise of any of its discretions, authorities or powers arising under the Plan including, without limitation, the power to delegate such discretions, authorities or powers; or
- g) waive strict compliance with any of the provisions of these Rules.

Any discretion, authority or power (including any power to make a choice, decision, determination or resolution) exercisable by Djerriwarrh or the Board under these Rules or by a delegate under 18 (f) above:

- a) is final and binding on the participating shareholders and any other relevant persons;
- b) is exercisable in the absolute discretion of Djerriwarrh, the Board or the delegate, as the case may be; and
- c) may be exercised at any time and from time to time.

Features

- A simple and convenient way of automatically receiving additional Djerriwarrh Investments Limited ("Djerriwarrh") shares as an alternative to receiving dividends.
- In most circumstances, shares received under the DSSP should not be subject to Australian income tax at the time the shares are allotted, as under Australian legislation these shares are deemed not to be a dividend. For Australian income tax purposes the shares issued under the DSSP should impact the tax gain or loss which may arise on a subsequent disposal of the bonus shares and the Participating Shares. The taxation rules are different in New Zealand and other jurisdictions. All shareholders should seek their own advice before determining whether they should participate in the DSSP.
- Shares allocated under the DSSP rank equally with all of Djerriwarrh's other fully paid ordinary shares.
- You do not have to appoint a stockbroker or pay fees, brokerage, goods and services tax or other transaction costs for shares allocated under the DSSP.
- Participation is voluntary. You can choose to elect all, part or none of your dividend entitlement to participate in the DSSP. If you choose partial participation, you will receive a dividend cheque or direct credit or Dividend Reinvestment Plan ("DRP") statement for the portion of your shares not participating in the DSSP.
- Eligible shareholders can continue to participate in the DRP if they wish. This will mean that they may obtain the benefit of any tax offset (or franking credit) arising from any franked dividend received. Similarly, those shareholders who continue to participate in the DRP may, depending on their circumstances, continue to obtain a tax deduction relating to any LIC Gain associated with the dividend that they have been paid. With respect to shares that participate in the DSSP, as the allotment of the shares under the DSSP should not be considered a dividend, shareholders should not benefit from any tax offset arising from the dividend forgone which would otherwise be franked nor will shareholders obtain relief in the form of a tax deduction in relation to LIC Gains which may have been included in the dividends forgone.
- You can join, withdraw or vary your participation in the DSSP at any time. However, if you are making or changing your decision close to the announcement of Djerriwarrh's annual or half-yearly results, make sure you have returned your completed and signed DSSP Form to the Share Registry before 5pm (Melbourne time) on the Closing Date. If your DSSP Form is not received in time, it will not be applicable for processing until after the dividend has been paid. Your instruction will then only apply to the next and subsequent dividends.
- DSSP statements are sent to shareholders shortly after the payment date of each dividend. Details of the calculation and your participation are provided. You should retain this statement for tax purposes.

Frequently Asked Questions and Answers

1. How do I participate in the DSSP?

Participation in the DSSP is entirely voluntary. Contact the Share Registry to request a DSSP Form, or obtain one from, or apply online on, their website (au.investorcentre.mpms.mufig.com).

2. Who is eligible to participate in the DSSP?

All Djerriwarrh shareholders are entitled to participate in the DSSP, with some exceptions.

Please see the DSSP Rules in this booklet for further information about eligibility.

3. How is the issue price calculated?

The issue price is based on a weighted average market price of Shares calculated during a set pricing period. The Board may also determine that a discount is to be applied to the weighted average market price. The issue price will be rounded either up or down to the nearest cent (0.5 cent to be rounded down).

4. Do all my Shares have to participate in the DSSP?

You can choose to have less than your full shareholding participating in the DSSP, provided you specify the number of Shares per registered holding for participation.

5. Is there a minimum or maximum participation level?

To participate in the DSSP, you must specify a number of Shares per registered holding prior to the dividend announcement date. Djerriwarrh has the discretion to introduce a minimum and maximum participation level.

6. How many Shares will I receive?

The number of DSSP Shares you receive will be calculated by multiplying the number of Participating Shares you hold at the Dividend Record Date by the relevant dividend, deducting any withholding tax (if applicable) and adding any residual amount carried forward in your DSSP account then dividing this amount by the Average Market Price (less any discount). Where this calculation results in a residual amount remaining, this amount will be carried forward in your DSSP account.

7. How will I know how many Shares I receive under the DSSP?

All participants in the DSSP will be sent a statement shortly after the Dividend Payment Date. This statement will include:

- the number of Participating Shares you held in your registered holding at the Dividend Record Date;
- any residual amount in your DSSP account to be applied;
- the total amount applied to the acquisition of Shares under the DSSP;
- the number of DSSP Shares issued to your registered holding and their date of issue; and
- any residual amount to be carried forward in your DSSP account.

8. How will my DSSP Shares be treated for the subsequent dividend payments?

If you choose to participate fully in the DSSP, all Shares held by you in the relevant registered holding at each Dividend Record Date will be treated as participating in the DSSP, including any previously acquired DSSP Shares or other Shares.

If you choose Partial Participation, only the number of Shares you have specified in the relevant registered holding. Any requested change to your DSSP participation share numbers must be received by 5pm (Melbourne time) on the Closing Date to be effective in respect of the relevant dividend entitlement.

9. What if I have more than one Djerriwarrh shareholding?

You will need to complete a separate DSSP Form for each of your shareholdings. To make it easier to manage your shareholdings, you may want to combine your shareholdings. Please contact the Share Registry for more information.

10. What will happen if I combine my separate shareholdings?

If you decide to combine your holdings for instance, by converting your issuer sponsored holding to your CHESS holding (or vice versa), your participation in the DSSP may be affected by the conversion of your holdings. You should contact the Share Registry to ensure the appropriate DSSP election continues to be applied to the resultant holding.

11. Can the DSSP be changed or terminated?

The Board may vary the Rules or suspend, recommence or terminate the DSSP at any time. If this occurs, Djerriwarrh will make a public announcement via ASX and information will be available at www.djerri.com.au.

12. How do I change my DSSP participation?

You can change your participation or withdraw from the DSSP by contacting the Share Registry to request a DSSP Form, or obtaining one from, or applying online on their website (au.investorcentre.mpms.mufig.com).

Your DSSP Form must be received, by the Share Registry, by 5pm (Melbourne time) on the Closing Date, to be active for the relevant dividend.

13. Can I sell my DSSP Shares?

Shares acquired through the DSSP can be sold at any time after allocation by Djerriwarrh and quotation on ASX. If you sell all of your Shares participating in the DSSP between an Ex-Dividend Date and the Dividend Payment Date, your dividend entitlement in respect of those Participating Shares will still be used to acquire Shares through the DSSP. However, if you sell all of those Shares before the Ex-Dividend Date, you will not receive Shares under the DSSP or any other payment on the Dividend Payment Date.

14. What is the taxation treatment?

Djerriwarrh cannot advise on the taxation implications of participating in the DSSP. If you have any questions regarding the taxation implications, please consult your accountant or other professional adviser.

We note that Djerriwarrh has sought a class ruling from the Australian Tax Office in respect of certain tax outcomes for Australian resident Djerriwarrh shareholders who hold their Participating Shares on capital account. A copy of the Australian Tax Office class ruling is available on the Djerriwarrh website (www.djerri.com.au). In considering your tax outcomes associated with participating in the DSSP you or your advisor should have regard to the class ruling. [Note that in the Class Ruling the DSSP is referred to as a Bonus Share Plan ("BSP").]

The DSSP provides for shareholders to elect not to receive a dividend in respect of all or some of their Djerriwarrh shares but to receive instead additional fully paid shares issued as bonus shares to the equivalent value of the dividend forgone. Djerriwarrh understands for Australian residents, who hold their Participating Shares on capital account, that shares issued under the DSSP should not be considered or deemed to be a dividend for Australian income tax purposes. Therefore, in these circumstances such shares should not, in general, be subject to Australian income tax on allotment.

Furthermore, where a shareholder forgoes a dividend which would otherwise be franked, the shareholder should not be entitled to a "franking offset" (or associated "franking credit") as the shareholder is not taken to have received a franked dividend. Similarly, as the bonus share allotted should not be considered a dividend, no tax relief in the form of a tax deduction should be available relating to the LIC gain which would otherwise be included in the dividend forgone.

For Australian income tax purposes, where a shareholder ultimately disposes of a bonus share issued under the DSSP, a taxable gain or loss may arise. Broadly, the tax cost base of the Participating Shares should be allocated across both the Participating and Bonus shares issued in proportion to the market value of those shares when calculating the gain or loss. We note that certain anti-avoidance rules should be considered in relation to the income tax treatment of any gain or loss arising on the realisation of bonus shares.

The Explanatory Memorandum introducing the anti-avoidance rules provides that the participants in a Dividend Substitution Share Plan of a listed public company should not be subject to the anti-avoidance rules, "unless the shareholder receiving the

bonus shares engages in a course of conduct which provided an equivalent to a cash dividend in a more tax effective form (e.g. if a pre-CGT shareholder consistently sold the bonus shares tax-free after receiving them)."

Rules of the Dividend Substitution Share Plan (DSSP)

1. Eligibility

All persons who for the time being are registered as holders of Shares are eligible to participate in the DSSP, except:

- a) a Shareholder with a registered address outside Australia and New Zealand where, in the opinion of the Board, it would be unreasonable for that Shareholder to participate in the DSSP (including by having regard to the number of Shareholders in the place where the offer would be made and, the number and value of Shares the Shareholders would be offered and the cost of complying with legal requirements, and requirements of a regulatory authority, in that place);
- b) a Shareholder who is subject to the laws of a country or place other than Australia who may not be eligible to participate in the DSSP because of legal requirements that apply in that country or place;
- c) a Shareholder that is a person, or a person of a class, whom the Board in their discretion have determined not to be eligible to participate in the DSSP; or
- d) as otherwise provided in these Rules.

2. Participation

2.1 Participation in the DSSP:

- a) is optional and voluntary;
- b) is not transferable; and
- c) may be varied or terminated at any time as set out in Rule 9.

2.2 The Board may admit to participation in the DSSP an Applicant who, by completing and lodging the DSSP Form with the Share Registry, requests that:

- a) such number of Shares as is specified in the application be participating Shares in the DSSP ("Participating Shares");
- b) such Participating Shares not be entitled to participate in any dividend declared by Djerriwarrh; and
- c) the Applicant be issued such number of Shares as may be determined in accordance with Rule 7.1.

2.3 If a Shareholder wishes to participate in the DSSP with respect to one or more of its shareholdings, a DSSP Form must be lodged with respect to each separate shareholding.

- 2.4 Where an application does not specify the number of Shares to be Participating Shares, the application shall be deemed to apply to all of the Shares then held by the Applicant and all of the Shares of which the Applicant subsequently becomes the holder whether or not acquired under the DSSP.
- 2.5 If Shares are held jointly or severally by Eligible Shareholders, then a DSSP Form signed by at least one of those Eligible Shareholders is deemed to be signed by all of them. If one or more joint or several holders of Shares is not an Eligible Shareholder, then none of those joint or several holders can apply to participate in the DSSP with respect to those Shares.

3. Level of Participation

- 3.1 A Participating Shareholder may elect one of the following two levels of participation in the DSSP:
- a) a Shareholder may participate in the DSSP in respect of all Shares registered in its name as at each Dividend Record Date for a dividend, other than Shares in respect of which a full dividend is not then payable ("Full Participation"); or
 - b) a Shareholder may nominate a specific number of Participating Shares less than the total holding of that Shareholder, other than Shares in respect of which a full dividend is not then payable ("Partial Participation").
- 3.2 Where a Participating Shareholder has elected Partial Participation, then subject to Rules 3.3 and 4, only that number of Participating Shares specified in the DSSP form completed by the Participating Shareholder shall participate in the DSSP. Subject to Rules 3.3 and 4, all Shares subsequently acquired by the Participating Shareholder, whether under the DSSP or otherwise, shall only participate in the DSSP to the extent that the Participating Shareholder alters the participation level in accordance with these Rules.
- 3.3 Where the number of Shares held by a Participating Shareholder becomes less than the number nominated as participating in the DSSP, that Shareholder will be deemed to have elected Full Participation until the number of Shares held by that Shareholder (including those issued under the DSSP) again exceeds the number of Shares nominated as Participating Shares.

4. Minimum and Maximum Participation

- 4.1 The Board may from time to time determine that, whether in respect of a particular dividend or as a continuing term of participation in the DSSP, a minimum or maximum number of Shares are required to be participating. Djerriwarrh may vary this minimum or maximum number by noting such variation on Djerriwarrh's website and by notice to ASX.

- 4.2 To the extent that a DSSP Form specifies a number of Participating Shares in excess of a maximum limit set by the Board:
- a) that maximum limit will be deemed to be the number of Participating Shares; and
 - b) those Shares in excess of that maximum limit will be deemed to be Non-Participating Shares, and any dividend payable in respect of those Shares will be a cash dividend.
- 4.3 To the extent that a DSSP Form specifies a number of Participating Shares which is less than the minimum limit set by the Board, the Shareholder will receive a cash dividend in respect of that shareholding.
- 4.4 Where a maximum limit is set under Rule 4.1, Djerriwarrh may waive the limit on the number of Participating Shares at any time for any Eligible Shareholder who holds Shares as a trustee or nominee for a number of beneficial owners (who are also Eligible Shareholders), provided that:
- a) any Eligible Shareholder who requests that Djerriwarrh waive the limit must provide Djerriwarrh such evidence as Djerriwarrh may request to satisfy it that the Eligible Shareholder holds Shares as a trustee or nominee for a number of beneficial owners (who are also Eligible Shareholders);
 - b) such trustee or nominee will not at any time participate in the DSSP on behalf of any single beneficial owner in excess of the limit set under Rule 4.1;
 - c) Rule 4.2 will apply as if each such beneficial owner is the registered Shareholder.

5. Acceptance of DSSP Forms

A DSSP Form is effective:

- a) from the date the DSSP Form is received by the Share Registry;
- b) in respect of a dividend, only if it is received at the Share Registry's office by 5pm (Melbourne time) on the relevant Closing Date.

6. Significance of Application

By applying to participate in the DSSP, an Applicant:

- a) warrants to Djerriwarrh that they are an Eligible Shareholder;
- b) authorises Djerriwarrh (and its Board, employees or agents) to correct any error in, or omission from, its DSSP Form;
- c) acknowledges that Djerriwarrh may at any time irrevocably determine that the Applicant's DSSP Form is valid, in accordance with these Rules,

even if the DSSP Form is incomplete, contains errors or is otherwise defective;

- d) acknowledges that Djerriwarrh may refuse any DSSP Form;
- e) consents to the establishment of a DSSP account on its behalf;
- f) acknowledges that neither Djerriwarrh nor the Share Registry has provided the Applicant with investment, taxation or other advice and that neither has any obligation to provide any such advice, concerning participation in the DSSP; and
- g) unconditionally agrees to the Rules and agrees not to do any act which would be contrary to the intention of the DSSP,

in each case, at all times until termination of the DSSP or of the Applicant's participation in the DSSP.

7. Share Issue

- 7.1 Whenever Djerriwarrh declares a dividend on its Shares, each Shareholder that is a Participating Shareholder at the Dividend Record Date for that dividend shall be entitled to have issued to them a number of Shares determined by the application of the following formula:

A x (B x C)

D

where:

"A" is the amount, in cents, of any residual amount residing in the DSSP account of a Participating Shareholder

"B" is the number of Shares that are Participating Shares;

"C" is the amount of that dividend in cents per Share less any withholding tax (if applicable); and

"D" is the Average Market Price, with any applicable discount of such amount as the Board may from time to time determine.

- 7.2 The determination of value under Rule 7.1 by the Board will be binding on all Participating Shareholders.
- 7.3 Where the application of the formula in Rule 7.1 results in a fractional entitlement, the fractional entitlement shall be expressed as an amount rounded to the nearest cent and carried forward as a residual non-interest bearing amount in a Participating Shareholder's DSSP account.
- 7.4 Djerriwarrh will announce any discount applicable to the DSSP for any dividends payable on a particular Dividend Payment Date as soon as reasonably practicable after it announces the dividend.

8. Issue of Shares

- 8.1 In the case of Shares to be Allocated pursuant to the DSSP:
- a) such Shares will be allotted within the time specified in the listing requirements of ASX; and
 - b) the Despatch Statements and any other relevant holding statements will be issued to each relevant Participating Shareholder following each allotment.
- 8.2 All DSSP Shares will, from the date of Allocation, rank equally in all respects with all of other Shares then on issue and will be eligible to participate in all dividends subsequently declared by Djerriwarrh, subject to Rule 3.2.
- 8.3 DSSP Shares will be registered on the share register on which the Participating Shareholder already holds Shares or, if the Participating Shareholder holds Shares on more than one share register, on the share register which Djerriwarrh determines.
- 8.4 After any Allocation, Djerriwarrh will promptly apply for the Shares so issued to be admitted to quotation by ASX.
- 8.5 Djerriwarrh will not charge any brokerage, commission, or other transaction costs in respect of an application for, or the issue of, Shares pursuant to the DSSP.
- 8.6 The issue of Shares under the DSSP is subject to Djerriwarrh's Constitution.

9. Participating Shareholders' Variation or Termination of Participation

- 9.1 A Participating Shareholder may increase or reduce the number of Participating Shares held by that Participating Shareholder by completing and lodging a DSSP Form, specifying the variation, with the Share Registry.
- 9.2 A Participating Share shall cease to be a Participating Share:
- a) upon receipt by the Share Registry of a DSSP Form stating that the holder of the Participating Share desires that such Share should cease to be a Participating Share;
 - b) upon registration of a transfer or transmission of that Share;
 - c) upon termination of the DSSP by Djerriwarrh;
 - d) upon receipt by Djerriwarrh of notice of the death, bankruptcy or liquidation of the holder of that Participating Share; or
 - e) upon the holder of that Participating Share ceasing to be an Eligible Shareholder.

- 9.3 A Share which has ceased to be a Participating Share may again become a Participating Share on the acceptance by Djerriwarrh of a DSSP Form by the same or subsequent holder of that Share.
- 9.4 In the case of Partial Participation, when a Participating Shareholder disposes of part of its holding of Shares, then, unless the Participating Shareholder advises Djerriwarrh otherwise, the Shares disposed of will be deemed to be Shares not participating in the DSSP. If the number of Shares disposed of is greater than the number of the Participating Shareholder's Shares not participating in the DSSP, the Shares disposed of will be deducted from the Participating Shareholder's holding of Shares in the following order:
- a) Shares not participating in either the DRP or DSSP;
 - b) Shares participating in the DRP; and
 - c) Shares participating in the DSSP.
- 10. Board Variation, Suspension, Recommencement and Termination of the DSSP**
- 10.1 The DSSP may be:
- a) varied (including by variation of the Rules);
 - b) suspended;
 - c) recommenced; or
 - d) terminated, by the Board at any time.
- 10.2 A variation, suspension, recommencement or termination of the DSSP will take effect:
- a) on such date as the Board determines; and
 - b) in the case of a suspension, until such time as the Board resolve either to recommence or terminate the DSSP.
- 10.3 Any variation, suspension, recommencement or termination of the DSSP will not give rise to any liability on the part of, or right of action against, Djerriwarrh nor its Board, employees, or agents.
- 10.4 If the DSSP is suspended, Participating Shareholders' elections with respect to the DSSP will cease to be effective until such time as the DSSP is recommenced and all Shares will be deemed to be Non-Participating Shares for the purpose of any dividend declared while the DSSP is suspended.
- 10.5 If the DSSP is recommenced following a suspension, the Participating Shareholder's previously suspended DSSP Form will be reinstated and be valid and effective in accordance with these Rules for the purposes of the

recommended DSSP, unless determined otherwise by Djerriwarrh and notified to Participating Shareholders in accordance with Rule 10.6.

- 10.6 Any notice to Shareholders or announcement to be made by Djerriwarrh or the Board in relation to the DSSP (including in relation to any modification, suspension or termination, any discount or any other matter provided for in these Rules) may be made:
- a) by notice to ASX for release to the market and on Djerriwarrh's website; or
 - b) by notice to Shareholders in accordance with the provisions of the Constitution which provide for notices to Shareholders.

Any such notice or announcement will be effective from the date given, or any other date provided for in these Rules or referred to in the notice or announcement.

- 10.7 The accidental omission to give notice of termination, variation, suspension or recommencement to any Participating Shareholder or the non-receipt of any notice by any Participating Shareholder will not invalidate the termination, variation, suspension or recommencement of the DSSP or any Allocation of Shares under the DSSP.

- 10.8 If the DSSP is suspended or terminated by Djerriwarrh, a Participating Shareholder will not be entitled to receive from Djerriwarrh payment of any cash balance remaining in the Participating Shareholder's DSSP account at the time when participation in the DSSP is suspended or terminated
