

ASX Announcement

24 January 2025

Appointment of Non-Executive Director – Diana Heggie

IODM Limited (ASX:IOD), (“IODM” or “the Company”), is pleased to announce the appointment of Diana Heggie to its Board of Directors – as Non-Executive Director – effective 1 February 2025.

Diana has an extensive background in senior executive and non-executive roles and a wealth of experience in the health industry spanning over 30 years. She brings strong strategic and industry expertise to IODM's Board of Directors.

More recently, Diana has held significant non- executive positions in the Australian health sector, including Peninsular Health – where she served as Chair (2017 – 2023).

In addition, she has served on the boards of the National Heart Foundation, and the Heart Foundation of Victoria.

Diana currently serves as a Director of Alfred Health and is a member of both its Audit & risk, and Finance & remuneration committees. Diana also serves as a director of the Queens fund.

Commenting on the appointment, Chairman Dr Paul Kasian said:

“We are delighted to have Diana joining the board of IODM. Her extensive experience in the Health sector will be invaluable as the Company seeks to accelerate the roll-out of its solution across the health sector domestically, and also internationally with its partners.”

This announcement is authorised by IODM's Board of Directors

– END –

About IODM

IODM is a leading accounts receivable (AR) solution that utilises digital technology to optimise automation. The IODM connect platform delivers a fully integrated end-to-end AR process that supports customers with invoicing, query management, payment reminders, escalation, analytics and more. The connect platform drives increased client productivity and timely payments while reducing costs, minimising human error and decreasing bad and doubtful debt provisioning. The solution is a customisable application that seamlessly integrates with any accounting ERP software package. IODM operates globally and is headquartered in Melbourne, Australia.
