

## NoviqTech Commences Trading on OTCQB Market

**Sydney, February 24, 2025** — NoviqTech (ASX: NVQ, OTCQB: NVQLF) pleased to announce that it has been approved to trade on the OTCQB Market, with trading commencing on February 21, 2025. This marks a significant milestone in the company's growth, enhancing visibility and accessibility for investors.

### Key Highlights

- NoviqTech's shares are now trading on the OTCQB, operated by OTC Markets Group.
- Trading commenced on February 21 under the ticker "OTCQB: NVQLF"
- OTCQB listing provides real-time access for U.S. institutional and retail investors, with transactions denominated in U.S. dollars.

The OTCQB Venture Market is designed for growth-focused companies meeting high financial and corporate governance standards, ensuring a transparent trading environment.

NoviqTech's listing enhances liquidity and reinforces its commitment to global investors seeking innovative and sustainable technology solutions. The company continues to advance its solutions to support industries transitioning to a net-zero future.

OTC trading does not impose additional compliance requirements beyond NoviqTech's existing obligations as an ASX-listed company. It is non-dilutive, as no new shares are being issued for trading.
