

ASX Announcement

11 March 2025

Shortfall Placement

Traffic Technologies (ASX: TTI), premier hardware and software provider for end-to-end traffic management, IoT and Smart City solutions, is pleased to announce that it has completed a \$517,000 shortfall placement under the Entitlement Offer Prospectus released on the ASX on 11 November 2024.

A total of 103,413,820 new fully paid ordinary shares will be issued at an issue price of \$0.005 (0.5 cents) per share, together with one (1) free attaching option for every one (1) new share applied for and issued, with settlement of the shares to take place on 11 March 2025.

Added to the \$175,000 raised under the Entitlement Offer from existing shareholders, this results in a total of \$692,000 raised by the Company.

The directors would like to thank shareholders for their ongoing support.

This announcement was authorised for release to the market by the board of Traffic Technologies Limited.
