Reedy Lagoon Corporation Limited
Notes to the financial statements
31 December 2024

Note 1. General information

The financial statements cover Reedy Lagoon Corporation Limited as a consolidated entity consisting of Reedy Lagoon Corporation Limited and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Reedy Lagoon Corporation Limited's functional and presentation currency.

Reedy Lagoon Corporation Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 44, 600 Bourke Street
Melbourne
Victoria 3000

The nature of the consolidated entity's operations and its principal activities are mineral exploration.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 13 March 2025. The directors have the power to amend and reissue the financial statements.

Comparatives

The following comparative balances have been amended to be in line with balances at 31 December 2024

- Other Expenses
- Administration expenses

Note 2. Material accounting policies

These general purpose financial statements for the interim half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Reedy Lagoon Corporation Limited
Notes to the financial statements
31 December 2024

Note 2. Material accounting policies (continued)

Going concern

The financial report has been prepared on a going concern basis.

As at 31 December 2024, the consolidated entity had cash and cash equivalents of \$253,767 and incurred net operating cash outflows of \$143,089 for the six month period ended on that date. These \$143,089 outflows include exploration expenditure of \$21,141. The Company estimates expenditure of \$320,000 for overheads including wages and listing fees for the 12 month period following the date of this report, and expects to raise capital by issuing securities.

It is noted that a director related party has provided a letter of financial support confirming that it will not at any time prior to the end of October 2026 demand repayment of any part of the \$370,000 provided to RLC by way of interest-free subordinated loans if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

A director has provided written confirmation that he will not use any of his accrued leave balances until 15 March 2026, where that would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

The directors consider the existing cash reserves together with funds derived from raising capital by issuing securities and or through joint venture arrangements will be sufficient for the consolidated entity to continue as a going concern. The Company plans to fund continued exploration on its existing projects by raising capital by issuing securities and through joint venture under project farm out agreements.

At the date of this report no joint venture farm out agreement had been entered into for any project. Should such funding sources not be obtained, and the Company be unable to raise capital by issuing shares, the consolidated entity may be unable to continue as a going concern, and as such be required to realise its assets and extinguish its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in this financial report. It is noted that the Company's exploration projects are carried for accounting purposes at nil value so that should the projects be discontinued there would be no adjustment to the value of the Company's assets. However, should the Company discontinue all its exploration projects, a fundamental change in the basis of accounting would be required compared to the basis upon which these financial statements have been prepared. This financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessarily incurred should the consolidated entity not be able to continue as a going concern.

Note 3. Operating segments

Identification of reportable operating segments

The Company is organised into one operating segments: mineral exploration. This operating segment is based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources.

Note 9. Contingent liabilities

The Company is not aware of any contingent liabilities other than outstanding rehabilitation of a drill site used by the Company during drilling at its Columbus Salt Marsh project (drill hole CBD-01). An amount of \$10,000 has been allocated for this work which is expected to be completed in the normal course of business.

Note 10. Events after the reporting period

There are no events after the reporting period.

Note 11. Share-based payments

A share option plan has been established by the Company and approved by shareholders at a general meeting, whereby the Company may, at the discretion of the board, grant options over ordinary shares in the Company to certain key management personnel.

Remuneration arrangements of key management personnel are disclosed in the annual financial report. In addition, on 27 December 2024, after approval at the Company's annual general meeting, a total of 900,000 options were issued to directors as part of their remuneration packages. Each director received the below options:-

- Geoffrey H. Fethers – 500,000 options, exercise price 0.0043 cents, expiring on 31/12/2027 with a value \$552
- Jonathan M. Hamer – 300,000 options, exercise price 0.0043 cents, expiring on 31/12/2027 with a value \$331, and
- Adrian C. Griffin – 100,000 options, exercise price 0.0043 cents, expiring on 31/12/2027 with a value \$110

Set out below are summaries of options granted under the plan

Note 12. Non-Current liabilities - Subordinated Loan

	Consolidated	
	December 2024 \$	June 2024 \$
Subordinated Loan	370,000	350,000

During the years ended 30 June 2023 and 2024, a director provided \$350,000 to RLC by way of interest-free subordinated loans repayable on demand but only if RLC is able to make repayment and remain solvent (that is, the loan is effectively subordinated to all other creditors). The Director has agreed that he will not at any time prior to September 2026 call for repayment of any part of the \$350,000 lent by him to the Company if that repayment would jeopardize the ability of the Company to continue to trade or meet its other liabilities as they fall due.

During the half year ended 31 December 2024, the director provided a further \$20,000 to the consolidated entity under the same terms as previous loans, making the total subordinated loan to be \$370,000 at balance date.

Reedy Lagoon Corporation Limited
Directors' declaration
31 December 2024

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Independent Auditor's Review Report

To the members of Reedy Lagoon Corporation Limited

Report on the Half-year Financial Report

Conclusion

We have reviewed the accompanying Half-year Financial Report of Reedy Lagoon Corporation Limited ("The Company") and its controlled entities ("the Consolidated Entity").

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of the Group is not in accordance with the Corporations Act 2001, including:

- Giving a true and fair view of the group's financial position as at 31 December 2024 and of its performance for the Half-year ended on that date; and
- Complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The Half-year Financial Report comprises:

- Consolidated statement of financial position as at 31 December 2024;
- Consolidated statement of profit or loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated statement of cash flows for the Half-year ended on that date;
- Notes 1 to 12 comprising a summary of material accounting policies and other explanatory information; and
- The Directors' Declaration.

Basis for Conclusion

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of the Financial Report performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Half-year Financial Report section of our report. We are independent of the group in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the corporations Act 2001 which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Emphasis of Matter regarding uncertainty related to going concern

We draw attention to note 2 in the half-year financial report which indicates that the consolidated entity had cash and cash equivalents of \$253,767 and incurred net operating cash outflows of \$143,089 for the six-month period ended on that date. These \$143,089 outflows include exploration expenditure of \$21,141. The Company estimates expenditure of \$320,000 for overheads including wages and listing

fees for the 12-month period following the date of this report and expects to raise capital by issuing securities.

It is noted that a director related party has provided a letter of financial support confirming that it will not at any time prior to the end of October 2026 demand repayment of any part of the \$370,000 provided to RLC by way of interest-free subordinated loans if making that demand would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

A director has provided written confirmation that he will not use any of his accrued leave balances until 15 March 2026, where that would jeopardise the ability of the Company to continue to trade or meet its other liabilities as they fall due.

The directors consider the existing cash reserves together with funds derived from raising capital by issuing securities and or through joint venture arrangements will be sufficient for the consolidated entity to continue as a going concern. The Company plans to fund continued exploration on its existing projects by raising capital by issuing securities and through joint venture under project farm out agreements.

At the date of this report no joint venture farm out agreement had been entered into for any project. Should such funding sources not be obtained, and the Company be unable to raise capital by issuing shares, the consolidated entity may be unable to continue as a going concern, and as such be required to realise its assets and extinguish its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in this financial report. It is noted that the Company's exploration projects are carried for accounting purposes at nil value so that should the projects be discontinued, there would be no adjustment to the value of the Company's assets. However, should the Company discontinue all its exploration projects, a fundamental change in the basis of accounting would be required compared to the basis upon which these financial statements have been prepared. This financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessarily incurred should the consolidated entity not be able to continue as a going concern.

As stated in Note 2, these events or conditions, along with other matters detailed in the note, indicate the existence of material uncertainty. If these events or conditions are not completed, and within the timeframes forecast, whether the consolidated entity is able to continue as a going concern and therefore realize its assets and settle its liabilities in the ordinary course of business is uncertain. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Half-year Financial Report

The Directors of the Company are responsible for:

- The preparation of the Half-year Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and Corporations Act 2001
- For such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Half-year Financial Report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the group's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a Half-year Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
