ASX Announcement New A\$3m Ballistic Product Order Received

Key highlights:

- **New order of ballistic products for an international customer worth A\$3m**
- **Ballistic products to be supplied in H2 FY25**

HighCom Limited (ASX: HCL, 'HighCom', 'Group') is pleased to announce that it has received a new order valued at A\$3m to supply its high-end ballistic products to an international customer. The customer has issued the purchase order, and it will be delivered in H2 FY25.

This order is not part of the announced A\$6 million backlog announced at the end of H1 FY25.

Ben Harrison, HighCom Chairman, said:

"HighCom's armour division is renowned for consistently delivering superior products and expertise to the global market, often within short timeframes, to meet the critical demands of US and international clients. Amidst the complex and uncertain geopolitical climate of the defence market, this A\$3 million order underscores the confidence in HighCom as nations boost their defense budgets to address these uncertainties. Our unwavering commitment to excellence ensures that clients receive advanced ballistic solutions swiftly and reliably."

"This order, planned for fulfillment within the current financial year, underscores our position as a trusted partner in providing high-end protective gear to those who need it most."

This ASX announcement has been authorised by the HighCom Limited Board of Directors.
