ASX ANNOUNCEMENT

4 April 2025

U.S.A. TARIFF UPDATE

Melbourne, Australia – ARB (ASX: ARB)

ARB Corporation Limited (“ARB” or the “**Company**”) refers to announcements by the US Government regarding tariffs it has or intends to impose on imported goods to the United States of America.

Air Locker Inc, trading as ARB USA is a wholly owned subsidiary of the Company and imports ARB products into the USA principally from Australia and Thailand.

The automotive sector in the USA is navigating a range of industry specific tariffs and reciprocal country tariffs to determine business impact.

ARB USA is impacted by industry specific tariffs and will be impacted by reciprocal country tariffs, noting the primary tariffs impacting ARB USA are understood to be non-cumulative.

While ARB does not anticipate any material impact from the tariffs to its FY2025 result, it will continue to assess the broader impact of the tariffs and, as required, provide updates to the market.

This announcement was approved for release by the Board of ARB.
