- (b) the Chair as proxy or attorney for a person who is entitled to vote on this Resolution in accordance with a direction given to the Chair to vote on this Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

 - (ii) the holder votes on this Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

A further restriction also applies to Key Management Personnel and their closely related parties voting undirected proxies on this Resolution – see Restriction on KMPs voting undirected proxies below

- (a) The Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the relevant Resolution; or

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company

9. Special Resolution

Resolution 4 is proposed as a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of shares) must be in favour of the resolution.

10. Enquiries

Shareholders are invited to contact the Company Secretary on 1300 384 692 or by email at melanie.leydin@vistra.com if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

This Explanatory Statement forms part of the Company's Notice of Annual General Meeting and is intended to assist Shareholders in consideration of the business proposed at the Meeting.

Receipt and Consideration of Accounts and Reports

A copy of the Company's Annual Report for the year ending 31 December 2024 which incorporates the Financial Report, reports of the Directors (including the Remuneration Report and the Auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all Shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company Secretary by phone at 1300 384 692, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website at:
<https://investorhub.elixinolwellness.com/annual-reports>

Except for as set out in Resolution 1, no Resolution is required on these reports.

Shareholders will have the opportunity to ask questions about, or make comments on, the 2024 Annual Report and the management of the Company. The Auditor will be invited to attend and will be available to answer questions about the audit of the Company's 2024 Annual Report.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five per cent (25%) or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a '**Spill Resolution**') that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five per cent (25%) of the total votes cast on that resolution and accordingly, a Spill Resolution will not under any circumstances be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation and Voting Intention

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report), the Board recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chair intends to vote all available proxies in **FAVOUR** of this Resolution.

Voting Exclusions

Refer to Note 7.

Resolution 2: Re-election of Director – David Fenlon

Background

This Resolution seeks the re-election of Mr David Fenlon as a Director who is retiring by rotation. In accordance with clause 6.1(f)(i) of the Constitution, and ASX Listing Rule 14.4, Mr Fenlon retires from office at the conclusion of the AGM and is eligible for re-election as a Director of the Company.

Mr Fenlon was appointed as a Non-Executive Director of the Company on 26 May 2022.

Mr Fenlon has over 30 years of experience in the FMCG and consumer sectors. He was previously CEO of The Platform Alliance Group, Non-Executive Chair for Nutritional Growth Solutions (ASX: NGS), Non-Executive Director of Quest for Life Foundation, Group CEO and Managing Director of BWX Limited (ASX: BWX) and prior to that, was Managing Director for Australia and New Zealand at Blackmores Limited (ASX: BKL).

Mr Fenlon has worked with several other retail brands both in Australia and offshore, with a strong focus on strategic planning and business transformation. Mr Fenlon has held key positions in Tesco throughout Europe and Safeway in the UK. Mr Fenlon was also a member of the Board of Directors for the Special Olympics from May 2017 until June 2019 and a Non-Executive Director for the PAS group from June 2013 to June 2016.

The Board considers Mr Fenlon to be an independent Director.

The Board supports the re-election of Mr Fenlon as he brings with him both direct relevant category knowledge from his time at Blackmores, NGS and BWX, as well as distribution, regulatory and M&A expertise.

Board Recommendation and Voting Intention

The Board (with Mr Fenlon abstaining) recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chair intends to vote all available proxies in **FAVOUR** of this Resolution.

Voting Exclusions

There are no voting exclusions on this Resolution.

Resolution 3: Renewal of Elixinol Wellness Limited Equity Plan

The Board is committed to incentivising and retaining the Company's directors, employees and consultants in a manner which promotes alignment of their interests with Shareholder interests. Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements.

The Plan enables employees, Directors or such other persons as the Board should deem fit, to receive shares, options to acquire shares in the Company, other securities, or rights or interests such as performance rights.

No Directors or their associates can or will be issued shares, options or other securities or rights under the Plan unless Shareholder approval of specific issues to them is obtained. Under the Plan the Company may acquire shares on market to be held on trust for Directors or their associates.

The objectives of the Plan are to:

- provide eligible employees with an additional incentive to work to improve the performance of the Company;
- attract and retain eligible employees essential for the continued growth and development of the Company;
- promote and foster loyalty and support amongst eligible employees for the benefit of the Company;
- enhance the relationship between the Company and eligible employees for the long-term mutual benefit of all parties; and
- provide eligible employees with the opportunity to acquire shares, options or right in the Company, in accordance with the Plan.

Listing Rules

Listing Rule 7.1 requires that Shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities at the commencement of that 12-month period.

Listing Rule 7.2 exception 13(b) provides an exception to Listing Rule 7.1 for securities issued under an employee incentive scheme within 3 years after Shareholder approval of the scheme. The Company therefore seeks approval of the Plan under Listing Rule 7.2 exception 13(b) so that issues of securities under the Plan do not impede the capacity of the Company to issue up to a further 15% of its capital without Shareholder approval.

Since 28 April 2023, the date on which Shareholders previously approved the issue of Equity Securities under Listing Rule 7.2 (Exception 13), the Company has issued 67,128,638 (pre-consolidation) securities under the Plan.

What happens if this Resolution is approved

If this Resolution is approved, the Company will be authorised to issue up to a maximum of 11,041,007 Equity Securities under the Plan (which constitutes no more than 5% of the total shares on issue as at the date of this Notice) over the next three years to persons other than Closely Related Parties (and associates of Closely Related Parties) of the Company without utilising any of the Company's 10% Placement Facility available under Listing Rule 7.1.

Please note that the Company will still require approval under Listing Rule 10.15 before it is entitled to issue Equity Securities under the Plan to persons caught by Listing Rule 10.14.

What happens if this Resolution is not approved

If this Resolution is not approved, the Company may still issue Equity Securities under the Plan to persons other than Closely Related Parties under Listing Rule 7.1. However, any such issuance will reduce the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 months following the date of the issue of the relevant Equity Securities.

A summary of the key terms of the Plan is set out in Annexure A and a copy of the Plan Rules is available upon request from the Company.

In the Board's opinion, this Resolution will assist the Company in managing its capital requirements efficiently by ensuring that the Company's annual issue limit is not diminished by issues of shares under the Plan and capacity is available for capital management initiatives and acquisitions if necessary and appropriate.

Corporations Act

Approval is also sought for the purposes of sections 259B and 260C of the Corporations Act 2001 (Cth).

The Plan provides for the Company to take security over shares issued under the Plan, and to place restrictions on transfer and voting which may also constitute taking security over its own shares. Section 259B(1) of the Corporations Act provides that a company must not take security over shares in itself except as permitted by the Corporations Act. Section 259B(2) provides that the Company may take security over shares in itself under an employee share scheme that has been approved by Shareholders at a general meeting. This Resolution seeks approval of the Plan for the purposes of section 259B(2) of the Corporations Act.

Under section 260C(4) of the Corporations Act, a company may financially assist a person to acquire its shares if the financial assistance is given under an employee share scheme that is approved by Shareholders at a general meeting. The Plan provides that the Company may make loans in respect of shares or other securities issued or to be acquired under the Plan and/or acquire shares or other securities to be held on trust for eligible participants. This may be considered to be the Company providing financial assistance for the acquisition of its own shares or other securities. Accordingly, this Resolution seeks approval of the Plan for the purposes of section 260C(4) of the Corporations Act.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the Shareholders in respect of the Plan.

The Chair intends to vote undirected proxies in **FAVOUR** of this Resolution.

Voting Exclusions

Refer to Note 7.

Resolution 4: Approval of 10% Additional Placement Capacity

ASX Listing Rule 7.1 generally limits the amount of equity securities that a listed entity can issue without the approval of its Shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A certain listed companies may seek Shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12-month period (**Additional 10% Capacity**). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek Shareholder approval for this additional placement capacity under ASX Listing Rule 7.1A if it satisfies both of the following criteria at the date of the AGM:

- it has a market capitalisation of \$300 million or less; and
- it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM. If on the date of the AGM, the Company no longer meets this eligibility criteria, this Resolution will be withdrawn. Accordingly, This Resolution is seeking approval of Shareholders by special resolution for the issue of up to the number of equity securities as calculated in accordance with the formula in ASX Listing Rule 7.1A.2, at an issue price permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms described in this Explanatory Statement.

Approval of this Resolution does not oblige the Company to conduct a placement or use the Additional 10% Capacity. The approval would provide the Company with additional flexibility and an ability to move quickly if an opportunity arises which requires additional capital.

At the date of this Notice, the Company has on issue 220,820,137 Shares. The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

If Shareholders approve this Resolution, the effect will be to allow the Company to issue equity securities under ASX Listing Rule 7.1A without further Shareholder approval.

If Shareholders do not approve this Resolution, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval under ASX Listing Rule 7.1A and will remain subject to its 15% Placement Capacity limit on issuing equity securities without Shareholder approval under ASX Listing Rule 7.1.

Information required by ASX Listing Rule 7.3A

For the purposes of ASX Listing Rule 7.3A, the following information is provided:

- (a) If any of the securities being approved by this Resolution are issued, they will be issued during the 10% Placement Period, that is, within 12 months of the date of the AGM (i.e. by 20 May 2026). The approval being sought under this Resolution will cease to be valid on the earlier of either of the following events occurring:
 - (i) the time and date of the Company's next AGM if it is held prior to 20 May 2026; or
 - (ii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) prior to 20 May 2026.
- (b) Any equity securities issued pursuant to the Additional 10% Capacity will be issued for cash consideration at an issue price of not less than 75% of the volume weighted average market price for the Company's Shares calculated over the 15 Trading Days on which trades are recorded immediately before:
 - (i) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the equity securities are not issued within 10 Trading Days of the date above, the date on which the equity securities are issued.

- (c) The purposes for which the funds raised by an issue of equity securities pursuant to the Additional 10% Capacity may include continuation of the Company's evaluation of new business development opportunities, potential merger, divestment or acquisition activities and general working capital purposes.
- (d) If this Resolution is approved by Shareholders and the Company issues equity securities under the Additional 10% Capacity, the existing Shares face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this this Resolution, to the extent that such equity securities are issued, including the risk that:
- (i) the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.
- (e) The following table provides examples of the potential dilution of existing ordinary Shares calculated as at the date of this Notice using an issue price of \$0.028 per share, being the closing price of shares on ASX on 31 March 2025 and the current number of ordinary securities for variable "A" in the formula in ASX Listing Rule 7.1A.2.

The table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company currently has on issue. The number of fully paid ordinary securities on issue may increase; and
- (b) two examples of where the issue price of fully paid ordinary securities has decreased by 50% and increased by 100% as against the current market price.

	Funds raised	\$618,296	\$1,236,593	\$2,473,186

- (c) The table has been prepared on the following assumptions:
- (i) for the purposes of variable "A" in ASX Listing Rule 7.1A.2, Shares which may be issued on conversion of the 1,520,793 unquoted performance rights, 16,852,530 unlisted options and 92,951,732 listed options currently on issue have not been included;
 - (ii) the Company issues the maximum number of equity securities available under the Additional 10% Capacity in ASX Listing Rule 7.1A;
 - (iii) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (iv) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Capacity, based on that Shareholder's holding at the date of the AGM;

- (v) the table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
 - (vi) the issue of equity securities under the Additional 10% Capacity consists only of shares; and
 - (vii) the issue price used for the table above of \$0.028 per Share is indicative only, being the closing price of the Shares on ASX on 31 March 2025.
- (d) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Capacity. The identity of allottees of any equity securities that may be issued (subject to Shareholder approval of This Resolution) have not been determined as at the date of this Notice but may include existing Shareholders and/or parties who are not currently Shareholders and are not related parties of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- (i) the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing Shareholders;
 - (ii) the effect of the issue of equity securities on the control of the Company and balancing the interests of existing Shareholders. Allocation will be subject to takeover thresholds;
 - (iii) the financial situation and solvency of the Company and its need for working capital at any given time; and
 - (iv) advice from corporate, financial, and broking advisors (if applicable).

Annexure A – Summary of Plan Terms

TERM	DESCRIPTION
Eligibility	An employee of the Company (or its subsidiaries) (Group) or another person (Participant) determined by the Board as eligible to participate in the Plan.
Offers under the Plan	Under the Plan, eligible persons may be offered: (a) an option to acquire a Share, subject to the terms relating to vesting, exercise and lapsing; or (b) a right to acquire a Share, that may be subject to terms relating to, amongst other things, performance and/or service, (ESOP Securities).
Change of Control	The Board in its absolute discretion may determine that all or some of a Participant's ESOP Securities vest where certain takeover or change of control events occur.
Vesting	The ESOP Securities (to the extent applicable) vest on satisfaction of all the conditions relating to the offer under the Plan, as determined by the Board.
Transfer Restrictions	The Board may in its absolute discretion impose any trading or other restrictions in respect of the ESOP Securities.
LTIP and STIP	
Offers under the LTIP and STIP	Specifically, under the LTIP and STIP, eligible persons may be offered ESOP Securities subject to among other things, certain performance conditions being satisfied (Performance Rights).
What are the performance conditions?	The vesting of Performance Rights require the satisfaction of certain performance conditions as determined by the Board from time to time.
Exercise Period	Where a Participant ceases to be an employee of the Group, all vested Performance Rights, including Options that vest under the Plan, must be exercised within 30 days of cessation, or such other period determined by the Board. Options which are not exercised within the period specified under the Plan will lapse.
What are the rights attaching to the Performance Rights?	Performance Rights are not transferable, do not confer any right to vote, do not confer any entitlement to a dividend, do not confer any right to a return of capital, do not confer any right to participate in the surplus profit or assets upon a winding up and do not confer any right to participate in new issues of securities such as bonus issues or entitlement issues.
Cessation of employment	If a Participant ceases employment with the Group prior to the vesting of Performance Rights, the treatment of the Performance Rights will depend on the circumstances of cessation. Where a Participant ceases employment with the Group in the event of resignation, or dismissal or other circumstances in which the Board determines the following treatment is warranted: (a) all unvested Performance Rights will lapse on the cessation of the person's employment; and (b) all vested Performance Rights will not lapse and in the case of an Option it will remain exercisable for 60 days, unless the Board determines otherwise. Where a Participant ceases employment in circumstances not referred to above, then unless the Board in its sole discretion determines otherwise: (a) a pro rata number of a Participant's unvested Performance Rights will not vest or lapse as a result of the Participant ceasing to be an employee of the Group, and the terms of the Plan will continue to apply, except that any continuous service requirement will be deemed to be waived; (b) the balance of a Participant's unvested Performance Rights will lapse; and (c) any Performance Right which has vested (and in the case of an Option that has not been exercised at the time of cessation of employment with the Group) will not lapse (and in the case of an Option will remain exercisable for a certain period of time).

	<p>However, the Board has discretion to apply a different treatment to that outlined above if it deems it appropriate in the circumstances, including allowing a Participant to retain Performance Rights which would otherwise lapse on the cessation of their employment.</p>
