

## ASX ANNOUNCEMENT

### Third quarter update and cashflow

#### Highlights:

**30<sup>th</sup> April 2025** – IoT solutions company, Constellation Technologies Limited (ASX: CT1) (the “Company” or “Group”) is pleased to provide a summary update on its activities for the quarter ending 31 March 2025.

#### Sales Activity

Installation of the Company’s **Callisto Food Safety & Compliance (FSC) System** continued during the quarter.

The FSC system was successfully deployed across multiple Aged Care facilities, Central Production Kitchens and a major Hospital in Sydney, supporting the \$ 483k of cash receipts for the quarter and positioning the Group for further growth.

The Company introduced its new Digital Labels functionality, allowing seamless integration with the FSC system to automatically generate display labels for food items, including allergen information.

This feature enhances food safety compliance, operational efficiency and customer transparency, further strengthening Callisto’s value proposition.

During the upcoming June quarter, the Company will be:

- Deploying the Callisto solution into its first Australian Defence sector site representing a new market expansion opportunity.
- Deploying the Callisto FSC System into a major new hotel development in Melbourne, further validating the platform and systems broad applicability across food service, hospitality and large-scale commercial kitchens.

The Company remains focused on disciplined operational execution and scaling the Callisto and MCT platforms for use across multiple industry verticals, including healthcare, aged care, hospitality and logistics markets.

## **Expenditure & other activities**

The Company continues to operate on a cost efficiency basis, with net cash inflow from operating activities of \$132k for the quarter, supported by the receipt of the FY24 R&D tax rebate of \$266k.

Product manufacturing costs increased during the quarter as the Group incurred costs associated with future sales activities.

Related party cash payments for the quarter were \$60k and consist of salary related payments for CEO, Kartheek Munigoti; director's fees to two of the Company's three non-executive directors and office rental and legal fees paid to entities associated with Mr Nicholson. No cash payments have been made to Mr Malone for his directors fees to date.

The board thanks all shareholders for their continued support and interest in the Company.

Authorised for release by the Board of Constellation Technologies Limited.

## Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
